Byzantium Zondervan From the New York Times bestselling author of Room, Hood is a tale of grief and lust, frustration and hilarity, death and family. " Hood is thoroughly contemporary in how richly it depicts a beloved's death to review a couple's bumpy love history...This book's real pleasures lie in its intimate insights, its accurate characters and its sharp, rich

observations... the greatest achievement of Hood is how it captures the domesticity of erotic passion " – Boston Globe Penelope O ' Grady and Cara Wall are risking disaster when, like teenagers in any intolerant time and place—here, a Dublin convent school in the late 1970s—they fall in love. Yet Cara, the free spirit, and Pen, the stoic, craft a bond so strong it seems as though nothing could sever it: not the bickering, not the secrets,

not even Cara ' s infidelities. But thirteen years on, a car crash kills Cara and rips the lid off Pen ' s world. Pen is still in the closet, teaching at her old school, living under the roof of Cara ' s gentle father, who thinks of her as his daughter ' s friend. How can she survive widowhood without even daring to claim the word? Over the course of one surreal week of bereavement, she is battered by memories that range from the humiliating, to the

exalted, to the erotic, to the funny. It will take Pen all her intelligence and wit to sort through her tumultuous past with Cara, and all the nerve she can muster to start remaking her life. Donoghue ' s Hood is a masterfully crafted narrative of relationships and a daring, deft exploration of the love ' s imperfection—and how it can nonetheless dominate our lives as we grow and change.
