As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control

problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches.

In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles:

Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy.

Toyota -- enough apologies: "when you mess up, 'fess up."

Lemon-Aid New Cars and Trucks 2012 Brooklands Book Limited

"You don't simply decide to buy an S-Class: it comes to you when fate has ordained that your life should take that course. The door closes with a reassuring clunk - and you have arrived," said the sales brochure of the first real Sonderklasse, the W116. The Mercedes 126 S-Class of 1979-1991 remains the most successful premium saloon in the company's history and is considered by many to be one of the best cars in the world. With over 300 colour photos and production histories and specifications for both

Generation One and Two models, this is an essential resource for anyone with an interest in this timeless car.

This is a maintenance and repair manual for the DIY mechanic, covering the Mercedes Benz 124 Series.

CTI SYMPOSIUM 2018 Zondervan

Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters.

As profound, as relevant, as funny as you are . . . teenagers still listen to each other more than to an adult youth worker. You may grimace, but you can't deny it--students talking to each other usually means more to them than adults talking to them. The Student Leadership Training Manual helps you equip your senior highers for leading their

peers and taking charge of as much of the ministry as they want or are able--helping and evangelizing their peers . . . organizing ministry teams . . . planning and executing their own youth ministry programming. Here are 31 training sessions for discipling student leaders in a small-group setting--sessions that start in the Bible and reach deep into teenagers' experience . . . ready for you to implement a clear and effective program that trains your students for higher levels of leadership, regardless of where they are now. Plus 24 pages just for you, a veritable primer on how to cultivate student leadership: The role of adults Authority vs. responsibility Setting student leaders up for success Teaching students not just the whats, but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers, CE directors, associate pastors, and small-group leaders--anyone who works with a youth group's core kids.
