NASA Technical Paper Disha Publications

This Study Text has been reviewed by the examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The Text takes a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. The Study Text is suitable for both International and UK streams. Additional topics relating to the UK are covered in an online supplement.

NASA Technical Paper Disha Publications
