Old Testament Survey (revised) Baker Books
The field of family, child, and couple assessment continues to evolve and change since the first edition of this book appeared in 2004. Couple and Family Assessment, Third Edition, is a thoroughly revised and updated resource for anyone working with children, adolescents, couples, and families. It provides an in-depth description of an even larger number of clinically useful assessment tools and methods, including issue-specific tools, self-report inventories, standardized inventories, qualitative measures, and observational methods. Each chapter provides strategies for systematically utilizing these various assessment methods and measures with a wide range of family dynamics that influence couples and families. These include couples conflict, divorce, separation, mediation, premarital decisions, parenting conflicts, child abuse, family violence, custody evaluation, and child and adolescent conditions, i.e., depression, anxiety, conduct disorder, bipolar disorder, obsessive compulsive disorder, autism, Asperger ’ s syndrome, and learning disorders that can significantly influence family dynamics. This third edition features the latest, most common and important assessment tools and strategies for addressing problematic clinical issues related to working with families, couples, and children. Chapters 3 through 11 include matrices that summarize pertinent information on all instruments reviewed, allowing readers to instantly compare more than 130 assessment devices. Finally, the book provides extensive clinical case material that illustrates the use of these various assessment tools and strategies in a wide array of clinical situations. Couple and Family Assessment, Third Edition, will be useful to both trainees and practitioners as a ready reference on assessment measures and strategies for working with families, couples, and children.

The Baker Illustrated Bible Dictionary Henri Nouwen Spirituality
The powerful message of Leith Anderson's When God Says No brought help to tens of thousands of readers through its promotion by the Billy Graham Evangelistic Association. The Gold Medallion finalist, now retitled and expanded, includes study questions for personal and group study. With a warmth and wisdom born from shepherding thousands of people through both elation and despair, Leith Anderson probes prayer's toughest mysteries.

A Spirituality of Fundraising Africa's Hope Discovery Series
A recent survey of America's Protestant churches estimates that 85 percent have plateaued or are declining in membership. The rapid and complex changes transforming Western society have left many churches and ministry organizations teetering between ineffectiveness and extinction. They must learn to meet the challenges of the present and upcoming generation--quickly.Leith Anderson has successfully guided his own church through a process of extraordinary growth and change. Out of his experience, research, and presentations has come the material for this book. Dying for Change is not intended to be a simple formula for success. Change is extremely difficult--but absolutely necessary.

Dying for Change Read Books Ltd
This Christian formation text combines insights from social science, biblical studies, and ethics to present a dynamic vision of human holiness and wholeness.

Scripture as Communication Zondervan
What is the one aspect of this broken world that, when you see it, touch it, get near it, you just can ’ t stand? Very likely, that firestorm of frustration reflects your holy discontent, a reality so troubling that you are thrust off the couch and into the game. It ’ s during these defining times when your eyes open to the needs surrounding you and your heart hungers to respond that you hear God say, “ I feel the same way about this problem. Now, let ’ s go solve it together! ” Bill Hybels invites you to consider the dramatic impact your life will have when you allow your holy discontent to fuel instead of frustrate you. Using examples from the Bible, his own life, and the experiences of others, Hybels shows how you can find and feed your personal area of holy discontent, fight for it when things get risky, and follow it when it takes a mid-course turn. As you live from the energy of your holy discontent, you ’ ll fulfill your role in setting what is wrong in this world right!

The Federalist Papers Baker Academic
A succinct and powerful witness that fundraising is a form of ministry and can be a deeply spiritual experience.

Couple and Family Assessment American Psychological Association (APA)

Psychotherapy Theories and Techniques Independently Published

There are no easy solutions to the complexities faced by nonprofit leaders and managers. This textbook addresses the governance, leadership, and management functions of the thousands of organizations in the nonprofit sector that provide an enormous range of services. This thoroughly revised fourth edition of Understanding Nonprofit Organizations does not simply recount and summarize seminal literature; it presents 22 of the most important and informative articles, chapters, and essays written about the workings of nonprofit organizations, alongside 18 case studies that illustrate the complex governing, leading, and managing issues raised in the chapters. The introductions that open each of the sections explore important issues and concepts, provide context, and explain what students should be looking for as they read each of the chapters. Each section introduction has been extensively rewritten or updated to address recent movements and changes in the nonprofit field, including the impacts of the COVID-19 pandemic on all aspects of nonprofit organizations ’ functions and ability to raise funds, increasing social and political divides within countries and communities, the gains and problems that have arisen with dramatic expansion of social media, and the need for justice, equity, diversity and inclusion in our organizations and our society. Understanding Nonprofit Organizations provides a cohesive set of relevant readings for a course on nonprofit organizations and management, and instructors and students will appreciate the original case studies that parallel the major themes presented. The book is also designed for individuals who are hoping or planning to move into paid or voluntary leadership and management positions in nonprofit organizations—as well as for those already involved with nonprofits seeking to improve their skills and understanding of their chosen field.

No Just... No Baker Academic
In the pages of the Bible, we come to know God through Jesus Christ. Thus the importance of the Bible for our spiritual formation cannot be overstated. If we are honest, though, the Bible is not always easy to understand. For example, the places named in the Bible can seem strange, and the number of people mentioned is virtually countless. This comprehensive dictionary intends to help people read the Bible with increased understanding and confidence. It contains articles on major topics as well as places and people, even if they just appear in a single verse in the Bible. Its articles cover theological topics, biblical words, biblical imagery, and historical topics. This A to Z dictionary includes more than • 1,700 full-color pages • 400 color illustrations, maps, and photos • 5,000 articles by leading evangelical scholars The Baker Illustrated Bible Dictionary is an informative, colorful, and easy-to-understand resource that will be an indispensable reference for your own personal study or in preparation for teaching.

Understanding Nonprofit Organizations Bethany House Publishers
Classic Books Library presents this brand new edition of “ The Federalist Papers ” , a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “ The Federalist ” , as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755 – 1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation ’ s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Praying to the God You Can Trust Routledge
Jeannine Brown, a seasoned teacher of biblical interpretation, believes that communication is at the heart of what happens when we open the Bible. We are actively engaging God in a conversation that can be life changing. In this guide to the theory and practice of biblical hermeneutics, Brown emphasizes the communicative nature of Scripture, proposing a communication model as an effective approach to interpreting the Bible. The new edition of this successful textbook has been revised and updated to interact with recent advances in interpretive theory and practice.
