Eight-year-old J.D. turns a tragic home haircut into a thriving barber business in this hilarious new illustrated chapter book series J.D. has a big problem--it's the night before the start of third grade and his mom has just given him his first and worst home haircut. When the steady stream of insults from the entire student body of Douglass Elementary becomes too much for J.D., he takes matters into his own hands and discovers that, unlike his mom, he's a genius with the clippers. His work makes him the talk of the town and brings him enough hair business to open a barbershop from his bedroom. But when Henry Jr., the owner of the only official local barbershop, realizes he's losing clients to J.D., he tries to shut him down for good. How do you find out who's the best barber in all of Meridian, Mississippi? With a GREAT BARBER BATTLE! From the hilarious and creative mind of J. Dillard, an entrepreneur, public speaker, and personal barber, comes a new chapter book series with characters that are easy to fall for and nearly impossible to forget. Akeem S. Roberts' lively illustrations make this series a must-buy for reluctant readers. 2021 New York Public Library Best Books 2021 Chicago Public Library Best Books 2021 School Library Journal Best Books 2022-2023 Texas Bluebonnet Award Master List 2022 NCTE Charlotte Huck Award Honor

Pet Shop Boys, Literally Siren Pub Incorporated

The Pet Shop Boys are one of the most successful and unusual bands of the last five decades. They are the pop duo that proves pop music can be modern, ecstatic and playful as well as serious and intelligent, winning them legions of devoted fans throughout the world. In 1989, Neil Tennant and Chris Lowe invited journalist Chris Heath and photographer Lawrence Watson to shadow them around Hong Kong, Japan and the UK as they embarked on their first-ever tour. This book is the result: an immersive portrait giving access into the duo's inner sanctum, showing them in brilliantly observed detail as they work, relax, gossip, argue and occasionally try to make sense of what they do. 'As clear a picture as could be wished for of the seething mass of elegant contradictions that is the Pet Shop Boys' on-the-road experience.' Independent on Sunday 'This superbly reported book transcends tired rock journalism cliché. It's about what it means to be a pop star, what it means to be a Pet Shop Boy... how to love pop, hold it to a higher standard and subvert its expectations.' Laura Snapes

AP® is a trademark registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product.

Not Your Ordinary Wolf Girl Simon and Schuster

The occupation of the West Bank and Gaza has been one of the world's most widely reported yet least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. GHASSAN, an Arab-Christian physics professor and activist from Bethlehem who co-founded the International Solidarity Movement.

Fighting Dirty Penguin

This extensively revised and expanded fifth edition of *Understanding Popular Music Culture* provides an accessible and comprehensive introduction to the production, distribution, consumption and meaning of popular music, and the debates that surround popular culture and popular music. Reflecting the continued proliferation of popular music studies, the new music industry in a digital age, and the emergence of new stars, this new edition has been reorganized and extensively updated throughout, making for a more coherent and sequenced coverage of the field. These updates include: two new chapters entitled 'The Real Thing': Authenticity, covers and the canon and 'Time Will Pass You By': Histories and popular memory new case studies on artists including The Rolling Stones, Lorde, One Direction and Taylor Swift further examples of musical texts, genres, and performers throughout including additional coverage of Electronic Dance Music expanded

coverage on the importance of the back catalogue and the box set; reality television and the music biopic greater attention to the role and impact of the internet and digital developments in relation to production, dissemination, mediation and consumption; including the role of social network sites and streaming services each chapter now has its own set of expanded references to facilitate further investigation. Additional resources for students and teachers can also be found on the companion website (www.routledge.com/cw/shuker), which includes additional case studies, links to relevant websites and a discography of popular music metagenres.

The 100 Best Australian Albums McSweeney's

In Cory Doctorow's wildly successful *Little Brother*, young Marcus Yellow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little Brother*—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

White Space Is Not Your Enemy John Wiley & Sons

Jellyfish are one of the most conspicuous animals in our oceans and are renowned for their propensity to form spectacular blooms. The unique features of the biology and ecology of jellyfish that enable them to bloom also make them successful invasive species and, in a few places around the world, jellyfish have become problematic. As man increasingly populates the world's coastlines, interactions between humans and jellyfish are rising, often to the detriment of coastal-based industries such as tourism, fishing and power generation. However we must not lose sight of the fact that jellyfish have been forming blooms in the oceans for at least 500 million years, and are an essential component of normal, healthy ocean ecosystems. Here many of the world's leading jellyfish experts explore the science behind jellyfish blooms. We examine the unique features of jellyfish biology and ecology that cause populations to 'bloom and bust', and, using case studies, we show why jellyfish are important to coastal and ocean ecosystem function. We outline strategies coastal managers can use to mitigate the effects of blooms on coastal industries thereby enabling humans to coexist with these fascinating creatures. Finally we highlight how jellyfish benefit society; providing us with food and one of the most biomedically-important compounds discovered in the 20th century. ?

Tough Enough Apress

He was everything she wasn't looking for ... Finding a naked rock star in my bed was not how I saw my new life starting. Especially when that rock star is Evan Wyld, guitarist of the hottest band on the planet, Dirty Texas. He looks dirty as sin with colorful tattoos, muscles and piercings in all the right places. Summer is about to heat up as I join Dirty Texas on their European tour. She was everything he wasn't ready for... Sienna Hayes is off limits, but ever since the blonde bombshell accidentally climbed into my bed, I've been fantasizing about the ways I could help her get over her ex. She has baggage, but I'm known for being a good time. Maybe I can be her rebound, help put her back together again. One little taste can't hurt; can it?"

VideoHound's DVD Guide Macmillan

Imagine seeing your loving husband on a dating app. Now imagine that's the best thing that happens to you all week ... When Charlie sees a man who is the spitting image of her husband Oliver on a dating app, her heart stops. Her first desperate instinct is to tell herself she must be mistaken - after all, she only caught a glimpse from a distance as her friends laughingly swiped through the men on offer. But no matter how much she tries to push her fears aside, she can't let it go. Because she took that photo. On their honeymoon. Suddenly other signs of betrayal start to add up and so Charlie does the only thing she can think of to defend her position

- she signs up to the app to catch Oliver in the act. But Charlie soon discovers that infidelity is the least of her problems. Nothing is as it seems and nobody is who she thinks they are ... The eagerly awaited addictive new thriller from the bestselling author of *The Sunday Girl*. From the author of the New York Times bestselling *Bad Boys* novels comes the first in a dark, sexy contemporary trilogy. Is she strong enough to trust the most dangerous man she's ever met? And is he strong enough to let her? How would I describe myself? Well, I'm Muse Harper. I'm a twenty-something painter who loves red wine, quirky movies, and men with a fatal flaw. But that was before I met Jasper King. He became my fatal flaw. Eight months ago, I had a choice to make—abandon everything I've ever known to protect my family, or stay and risk someone getting hurt. I chose the former. My plan was working just fine until I found out my father had gone missing. That's when I met Jasper. A bounty hunter with the eyes of a tiger and the nose of a bloodhound, he was supposed to help me find my father. What I didn't know was that meeting him was no accident. Hunting people isn't all that Jasper does. And helping me was only part of his plan. I just wish I'd found out sooner, before my heart got involved. But even then, I don't know if I'd have done things differently. Now, I have another choice to make—trust the man that I'm falling in love with and hope that he'll do the right thing, or run as far away from him as I can get.

Strong: A Stage Dive Novella McGraw Hill Professional

YouTube is one of the most well-known and widely discussed sites of participatory media in the contemporary online environment, and it is the first genuinely mass-popular platform for user-created video. In this timely and comprehensive introduction to how YouTube is being used and why it matters, Burgess and Green discuss the ways that it relates to wider transformations in culture, society and the economy. The book critically examines the public debates surrounding the site, demonstrating how it is central to struggles for authority and control in the new media environment. Drawing on a range of theoretical sources and empirical research, the authors discuss how YouTube is being used by the media industries, by audiences and amateur producers, and by particular communities of interest, and the ways in which these uses challenge existing ideas about cultural 'production' and 'consumption'. Rich with both concrete examples and featuring specially commissioned chapters by Henry Jenkins and John Hartley, the book is essential reading for anyone interested in the contemporary and future implications of online media. It will be particularly valuable for students and scholars in media, communication and cultural studies.

Homeland Evil Eye Concepts, Incorporated

A missing sister, a heart in quandary, and a growing tattoo that no one understands: The *Shadow Falls* franchise comes to a spectacular conclusion in this thrilling finale. Being a dyslexic witch has never been easy for Miranda Kane, but her time at *Shadow Falls* helped her come into her true powers. Now her life is thrown into chaos once again after a near death experience leaves her with a mysterious growing tattoo no one can explain. To upend her world further, her sister is kidnapped by an underground Wicca gang intent on taking her powers and soul. And her heart is a mess over whether to get back together with Perry or take a chance on a new love. Will her friends at *Shadow Falls* save her... or will she realise that she had the power to save herself all along?

From New York Times and USA Today bestselling author Kristen Proby comes a new story in her *With Me In Seattle* series... Nothing has ever come easy for Lila Bailey. She's fought for every good thing in her life during every day of her thirty-one years. Aside from that one night with an impossible to deny stranger a year ago, Lila is the epitome of responsible. Steadfast. Strong. She's pulled herself out of the train wreck of her childhood, proud to be a professor at Tulane University and laying down roots in a city she's grown to love. But when some of her female students are viciously murdered, Lila's shaken to the core and unsure of whom she can trust in New Orleans. When the police detective assigned to the murder case comes to investigate, she's even more surprised to find herself staring into the eyes of the man that made her toes curl last year. In an attempt to move on from the tragic loss of his wife, Asher Smith moved his daughter and himself to a new city, ready for a fresh start. A damn fine police lieutenant, but new to the New Orleans force, Asher has a lot to prove to his colleagues and himself. With a murderer terrorizing the Tulane University campus, Asher finds himself toe-to-toe with the one woman that haunts his dreams. His hands, his lips, his body know her as intimately as he's ever known anyone. As he learns her mind and heart

as well, Asher wants nothing more than to keep her safe, in his bed, and in his and his daughter's lives for the long haul. But when Lila becomes the target, can Asher save her in time, or will he lose another woman he loves? **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

Spare Rib Power House Books

When love drives you crazy . . . When sexy Joe Malone never calls after their explosive kiss, Kylie shoves him out of her mind. Until she needs a favor, and it's a doozy. Something precious to her has been stolen and there's only one person with unique finder-and-fixer skills that can help—Joe. It means swallowing her pride and somehow trying to avoid the temptation to throttle him—or seduce him. the best thing to do . . . No, Joe didn't call after the kiss. He's the fun time guy, not the forever guy. And Kylie, after all she's been through, deserves a good man who will stay. But everything about Kylie makes it damned hard to focus, and though his brain knows what he has to do, his heart isn't getting the memo. ... is enjoy the ride. As Kylie and Joe go on the scavenger hunt of their lives, they discover surprising things about each other. Now, the best way for them to get over "that kiss" might just be to replace it with a hundred more.

The Definitive Guide to Grails 2 Amazon Childrens Publishing

Grails is a full stack framework which aims to greatly simplify the task of building serious web applications for the JVM. The concepts within Grails, like interceptors, tag libs, and Groovy Server Pages (GSP), make those in the Java community feel right at home. Grails' foundation is on solid open source technologies such as Spring, Hibernate, and SiteMesh, which gives it even more potential in the Java space: Spring provides powerful inversion of control and MVC, Hibernate brings a stable, mature object relational mapping technology with the ability to integrate with legacy systems, and SiteMesh handles flexible layout control and page decoration. Grails complements these with additional features that take advantage of the coding-by-convention paradigm such as dynamic tag libraries, Grails object relational mapping, Groovy Server Pages, and scaffolding. Graeme Rocher, Grails lead and founder, and Jeff Brown bring you completely up-to-date with their authoritative and fully comprehensive guide to the Grails 2 framework. You'll get to know all the core features, services, and Grails extensions via plug-ins, and understand the roles that Groovy and Grails are playing in the changing Web.
