Coffee Shop Business Plan: Operations. The Operations section of your business plan gives you a picture of what generally goes into the day-to-day activities of your coffee shop, and what goes on behind the cup of coffee your customers will experience. It's up to you how detailed and in-depth you choose to be, as long as you have a realistic idea of how your

coffee shop will be up and running.
Components Of A Bar Or Restaurant Operations Manual
Creating your Operations Manual It's like writing an instruction manual. If you (I'm assuming you're an owner) write a manual and gave it to someone on the street (someone who has cafe experience) could they run the business without you needing to be there? This is the depth of information that is needed.

What is an operations manual? An operations manual is the backbone

of your company - the encyclopedia for your business. Your employee handbook may introduce your team to your mission, various policies (benefits, holiday leave, security), and culture, but the operations manual will show them how to do their job and give them everything they need to do it.
