Kiss an Angel NYLA

In a future where time travel has been outlawed, a black market exists for anyone with the money, connections, and nerve to request items from days past. As a Runner for one of the underground syndicates that now controls the timewaves, Stassi 2446-89 has seen it all: the fall of Rome, the rise of Hitler, the end of democracy, the establishment of time tourism, and the devastating consequences of it. Her job is to seamlessly slip through the past, in search of items of value to the syndicate's clientele. Stassi's next assignment takes her to Paris in the 1920's, in search of a lost manuscript by one of the twentieth century's greatest writers. She and her partner, Gaige, are swept up in the City of Light during the height of fashion and culture-as alluring a locale as they've ever visited. But a seedier side of life lurks beneath the glamorous facade, and the pair quickly learns this run is more dangerous than any of their previous missions. Because history isn't playing out as it should be-a first for the syndicate. When the stakes are raised and it becomes a matter of life or death, Stassi and Gaige must ultimately decide how far they're willing to go to ensure the future as they know it."

Storyteller: The Life of Roald Dahl Createspace Independent Publishing Platform

Set during the French Revolution, this "riveting historical novel" ("The New Yorker") is the story of three young provincials who together helped destroy a way of life and, in the process, destroyed themselves.

In a Dragon's Mind Harper Collins

A New York Times Notable Book and Hugo and Nebula Award Finalist: This epic chronicle of ten immortals over the course of history “ succeeds admirably ” (The New York Times). The immortals are ten individuals born in antiquity from various cultures. Immune to disease, able to heal themselves from injuries, they will never die of old age—although they can fall victim to catastrophic wounds. They have walked among mortals for millennia, traveling across the world, trying to understand their special gifts while searching for one another in the hope of finding some meaning in a life that may go on forever. Following their individual stories over the course of human history and beyond into a richly imagined future, “ one of science fiction ’ s most revered writers ” (USA Today) weaves a broad tapestry that is “ ambitious in scope, meticulous in detail, polished in style ” (Library Journal).

Atlic Hardt & Sons

With This Kiss: Part One Lady Grace Ryburn, the daughter of the Duke and Duchess of Ashbrook, has fallen wildly in love with Colin Barry, a dashing young lieutenant serving his country in the Royal Navy. When he returns home to exuberant celebrations, will he even notice the quiet wallflower he grew up with ... or will he fall for Grace's sparkling, gorgeous sister? Author's Note: Lady Grace is the eldest daughter of the Duke and Duchess of Ashbrook, from The Ugly Duchess, and Colin is the eldest adopted son of Sir Griffin Barry, from Seduced by a Pirate. In its entirety, With This Kiss is a 200-page double-length novella.

Platinum Prey Harper Collins

Ava Parks would have killed for an iPod for her sixteenth birthday. Anything would have been better than coming into her birthright of being a seeker for the Grim Reaper, an arrangement made by her fallen angel ancestor in exchange for his re-admittance to heaven. And she isn’t just any seeker—she finds souls that have the potential for becoming angels and sentences them to death. A year and two souls into her role as a seeker with her conscience overflowing with guilt, Ava comes up with a plan to thwart the system. When it goes awry, she is forced to submit the name of a classmate, Cole Fowler, an ornery, rough around the edges guy who always seems to come to her rescue, whether she likes it or not. Her feelings for Cole prompt her to intervene, and she saves him from death, upsetting the Grim Reaper's agenda. While Ava schemes to find a way to save Cole, she learns he has some secrets of his own. She lets him believe he is protecting her,

and not the other way around, until a final showdown with the Grim Reaper forces Ava to make choices Cole may never forgive.

Caged (Talented Saga #2) Sophie Davis

The Cambridge History of Science Fiction Ink Worlds Press

A major literary event--the complete, uncensored journals of Sylvia Plath, published in their entirety for the first time. Sylvia Plath's journals were originally published in 1982 in a heavily abridged version authorized by Plath's husband, Ted Hughes. This new edition is an exact and complete transcription of the diaries Plath kept during the last twelve years of her life. Sixty percent of the book is material that has never before been made public, more fully revealing the intensity of the poet's personal and literary struggles, and providing fresh insight into both her frequent desperation and the bravery with which she faced down her demons. The Unabridged Journals of Sylvia Plath is essential reading for all who have been moved and fascinated by Plath's life and work.

Created Caged (Talented Saga #2)

On the heels of the wildly popular The Gathering comes the second in the "Darkness Rising" YA trilogy from NYT bestselling author Kelley Armstrong. Maya Delaney's paw-print birthmark is the mark of what she truly is--a skin-walker. She can run faster, climb higher, and see better than nearly everyone else. Experiencing intense connections with the animals that roam the woods outside her home, Maya knows it's only a matter of time before she's able to Shift and become one of them. And she believes there may be others in her small town with surprising talents. Now, Maya and her friends have been forced to flee from their homes during a forest fire they suspect was deliberately set. Then they're kidnapped, and after a chilling helicopter crash, they find themselves in the Vancouver Island wilderness with nothing but their extraordinary abilities to help them get back home.

Talking to Strangers One World

"Worlds collide when a broke cowboy and a glamorous big city reporter fall lipstick over boot heels in love. But she carries a 2,000-year old secret in her veins that will test their unusual romance. Saddle up for a hilarious, existential gallop through the dying west with an army of ancient bloodsuckers in hot pursuit" -- Back cover.

Fragile Facade (Second Edition) Llewellyn Worldwide

After her brush with death at Ian Crane's compound, Talia Lyons feels like a prisoner, confined in her childhood home. Plagued with seizures- the result of an unidentified drug injected in her neck by Crane's men- Talia must put her dream of becoming a Hunter on hold. So when Agency Director McDonough asks Talia to go undercover at the School for the Talented, to find the spy who set the trap for her in Nevada, Talia jumps at the opportunity. Soon she learns that her new-found freedom comes with a price- working with Donavon on a daily basis. As if that isn't awkward enough, her former teammate, Erik, also shows up at the School. But at least Talia has the unexpected company of her best friend Penny; to not only assist her in uncovering the spy, but also to deal with the complications that the guys create. As Talia becomes more entrenched in her assignment, she quickly learns the lengths that the Agency and Mac will go in the name of war. With Crane's influence spreading, Talia learns that there are few Operatives without ties to the Coalition. HUNT/On a ____ (4 letters) Forced to

face hard truths and dangerous conclusions, Talia realizes that it is those closest to her who are hiding the biggest secrets. As the task of finding the traitor becomes more problematic, desperation and frustration rule Talia's world. It becomes clear that Talia can't do this alone. But who can she trust, when everyone around her is lying?

Throne of Fire Createspace Independent Publishing Platform

A secret lies trapped in the deepest recesses of Roy Wolfe’s mind. And it’s slowly drowning him. When Charlene Waters’s boss married the new CEO of Wolfe Enterprises after a whirlwind romance, she brought her assistant along for the ride. Charlie now has a cushy new job at the billion dollar company, and she's excited to begin her new venture. Roy Wolfe is a recluse. He’s never taken an active role in his family’s business, and he has no desire to now. He’s only in the office to deal with the fallout from his father’s murder. He, along with the rest of his siblings, have all been implicated. Meeting Charlie Waters with the gorgeous silver eyes complicates things. Their chemistry is immediate and passionate, but he can’t be what she deserves. Roy knows his father was hiding something even more sinister than his brothers and sister can imagine—something he witnessed years ago that he can’t bring to his conscious mind. But he must—for Charlie, and for his family. Or they may all pay the ultimate price.

This time Talia’s impulsive nature has landed her on Vault, UNITED's prison island in the Isle of Exile. But when a new group called the Privileged threatens everyone she loves, Talia cannot sit idly by. Prison break, anyone?

Captivated (Talented Saga #3.5) Neverwood Press

“Pollan keeps you turning the pages . . . cleareyed and assured.” —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, How to Change Your Mind is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

The Syndicate Sophie Davis

When Talia Lyons was just a child, her parents were murdered before her eyes. Offered a choice between accepting their fate and exacting revenge, Talia trains to become one of the country's deadliest assassins in order to kill the man responsible for their deaths: Ian Crane. Luckily, Talia was born with a gift- the ability to read and influence the minds of others. At sixteen, Talia is poised to

graduate from the McDonough School for the Talented, where she learned to control her abilities. Now there is only one obstacle standing between her and the retribution she craves... Talia, herself. Her greatest asset may also be her undoing; while a formidable weapon in the field, Talia's talents prevent her from both shutting off the mental connection she shares with her questionable boyfriend and blocking out the thoughts of a beguiling fellow recruit. But Talia can't afford to have the feelings and distractions of a normal teenage girl, when her life is far from normal. She must regain the single-minded determination that has brought her this far, or it may cost Talia her life when she finally faces Crane. And even after being molded in to a weapon of war, she'll still have to find the strength it takes to pull the trigger. If James Bond and Sookie Stackhouse had a love child with a yearning for vengeance, her story would be TALENTED: an adventure about powerful teenagers who aren't afraid to embrace their fears and fight for what they believe in.

[The Calling](#) HarperCollins UK

The plague has destroyed the planet...Liza, once a child prodigy, is now sixteen and kept prisoner without any hope of release by the new world order. Youths are locked away from the general population as the chosen few, while more change into the undead every day. Freedom is a memory... A soldier on the opposite side of the globe undergoes unspeakable alterations to become a human weapon for the Underground Army. The Authority rules the citizens with an iron fist. Their last chance to rise is now. Revolution begins... #1 Bestselling Horror Author Logan Keys will take you on a post apocalyptic adventure into the madness of dystopian aftermath. If you enjoyed Resident Evil, Divergent, or Justin Cronin's Passage trilogy, you will be thrilled to read The Last City.

Of Beast and Beauty Jessica Ruddick Books, LLC

She tried to steal his gold. He stole her heart. Ellyn Pearson never expected to fall for her captor. After a botched theft leaves her in debt to a mob boss, she takes on a new assignment, only for the gargantuan hunk of a guard to grab her before she's even picked the lock. Now he's bringing her food and saying he's going to bust her out. A lifetime of living among habitual backstabbers tells Ellyn to expect more of the same, but her heart has other ideas. For Vlad Teres, the human woman might just be the salvation this dragon shifter is looking for. A black mark on his past has driven him from his hometown, but he never intended to fall in with a bunch of evil shifters. Once he hears what they intend to do to Ellyn, Vlad knows he must act, and act soon. Something deep within him feels compelled to protect this beautiful human. There's only one hitch in his plan: his best friend, another shifter who isn't so eager to leave this new life behind. Vlad takes Ellyn to the one place he knows they'll be safe, and the last place he wants to go back to: Five Peaks. There he figures they'll be safe from his enemies. Spending so much time with the thief has unintended consequences though, and before either of them realize it, they've become more than just captor and prisoner. But if their fated bond is to last forever, they will have to put aside their fears and work together to stop his past from destroying everything.
