*The Nightmare* A&C Black

Betrayed, the second installment in the bestselling House of Night series from P. C. Cast and Kristin Cast, is dark and sexy, and as thrilling as it is utterly shocking. Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Best of all, Zoey finally feels like she belongs--like she really fits in. She actually has a boyfriend...or two. Then the unthinkable happens: Human teenagers are being killed, and all the evidence points to the House of Night. While danger stalks the humans from Zoey's old life, she begins to realize that the very powers that make her so unique might also threaten those she loves. Then, when she needs her new friends the most, death strikes the House of Night, and Zoey must find the courage to face a betrayal that could break her heart, her soul, and

jeopardize the very fabric of her world.

Meet the Bedwyns...six brothers and sisters—men and women of passion and privilege, daring and sensuality. Enter their dazzling world of high society and breathtaking seduction...where each will seek love, fight temptation, and court scandal...and where Freyja Bedwyn, the wild-hearted daughter, meets her match in a man as passionate, reckless, and scandalous as she. Growing up with four unruly brothers has made Freyja Bedwyn far bolder than most society ladies. From feisty manner to long, tumbling hair, Lady Freyja is pure fire, a woman who seeks both adventure and freedom. Adventure soon finds her on a visit to Bath, when a handsome stranger bursts into Freyja's room and entreats her to hide him. His name is Joshua Moore, Marquess of Hallmere, a man with a hell-raising reputation of his own who is quickly intrigued by the independent beauty. So intrigued, in fact, that he makes her a surprising request: to pose as his fiancé and help thwart his family's matchmaking schemes. For two people determined to be free, it's the perfect plan...until passion blindsides them both. For as Joshua sets out to achieve his complete seduction of Freyja, a woman who has sworn off love is in danger of losing the one thing she never expected to give again: her heart...

Can't get enough of Talia and Erik? Want to know about their first meeting?

Interested in what happens between the books? Dying for a peek at what's coming in *Created*? *Captivated* is a *Talented* Novella that includes four short stories, two from Talia's point of view, and two from Erik's. The first is a detailed account of what happened the first time Talia and Erik met. The second is all about Erik's trip to visit Talia after she was injured in *Talented*. The third takes place between *Caged & Hunted*, and gives you a glimpse at Erik's romantic side. And last, but certainly not least, the fourth story starts off right where *Hunted* ends. Not recommended for anyone who has not read the first three books, unless you don't mind a lot of spoilers!

When Talia runs away from the only life she's ever known, she could have never fathomed the lengths to which the Agency will go to get her back. But if the Agency Director- the man who raised her, trained her, and made Talia who she is- can't have her, he wants her eliminated. Now those she once considered friends are bona fide enemies, ruthless in their pursuit of her. Talia aligns herself with Ian Crane, the man she'd always believed was responsible for her parents' murders. With Crane's forces at her disposal, Talia sets off on her most personal mission yet: rescuing the love of her life from the Agency. But she never imagines that going after him will plunge the nation into chaos. Retribution for the lives of her parents is no longer enough for Talia. She wants justice for every innocent affected by the Agency's greed. But she soon realizes she is actually at the center of two wars- one with them and one with herself. Talia can no longer trust the one thing that has never failed her. Her Talents are growing stronger by the day and she's already losing control. Defeating the Agency will save countless lives, but triumph over the manufactured power within her will preserve her sanity. The Agency will stop at nothing to perpetuate their propaganda- that the Coalition is the enemy. Crane will do anything to expose the truth- that the Agency has been creating Talents for decades. Her world, her life, her future with the only person who remains true... the Agency stole everything. Now, Talia will sacrifice the little she has left to reclaim

what's hers.

From the author of the thrilling science-fiction epic *Children of Time*, winner of the prestigious Arthur C. Clarke Award. *Shards of Earth* is the first high-octane, far-future space adventure in Adrian Tchaikovsky's Final Architecture trilogy. 'One of the most interesting and accomplished writers in speculative fiction' – Christopher Paolini The war is over. Its heroes forgotten. Until one chance discovery . . . Idris has neither aged nor slept since they remade his mind in the war. And one of humanity's heroes now scrapes by on a freelance salvage vessel, to avoid the attention of greater powers. Eighty years ago, Earth was destroyed by an alien enemy. Many escaped, but millions more died. So mankind created enhanced humans such as Idris - who could communicate

mind-to-mind with our aggressors. Then these 'Architects' simply disappeared and Idris and his kind became obsolete. Now, Idris and his crew have something strange, abandoned in space. It's clearly the work of the Architects – but are they really returning? And if so, why? Hunted by gangsters, cults and governments, Idris and his crew race across the galaxy as they search for answers. For they now possess something of incalculable value, and many would kill to obtain it. Praise for Adrian Tchaikovsky: 'Enthralling, epic, immersive and hugely intelligent' – Stephen Baxter on *Shards of Earth* 'He writes incredibly enjoyable sci-fi, full of life and ideas' – Patrick Ness 'Brilliant science fiction' – James McAvoy on *Children of Time*

When Talia Lyons was just a child, her parents were murdered before her eyes. Offered a choice between accepting their fate and exacting revenge, Talia trains to become one of the country's deadliest assassins in order to kill the man responsible for their deaths: Ian Crane. Luckily, Talia was born with a gift- the ability to read and influence the minds of others. At sixteen, Talia is poised to graduate from the McDonough School for the Talented, where she learned to control her abilities. Now there is only one obstacle standing between her and the retribution she craves... Talia, herself. Her greatest asset may also be her undoing; while a formidable weapon in the field, Talia's talents prevent her from both shutting off the mental connection she shares with her questionable boyfriend and blocking out the thoughts of a beguiling fellow recruit. But Talia can't afford to have the feelings and distractions of a normal teenage girl, when her life is far from normal. She must regain the single-minded determination that has brought her this far, or it may cost Talia her life when she finally faces Crane. And even after being molded

For fans of *The Golden Compass*, this New York Times bestseller will take you on a fantastic journey across worlds and time. Boston, 1891. Sophia Tims comes from a family of explorers and cartographers who, for generations, have been traveling and mapping the New World—a world changed by the Great Disruption of 1799, when all the continents were flung into different time periods. Eight years ago, Sophia's parents left her with her uncle Shadrack, the foremost cartographer in Boston, and went on an urgent mission. They never returned. Then Shadrack is kidnapped. Sophia must search for him with the help of Theo, a refugee from the West. Together they travel over rough terrain and uncharted ocean, encounter pirates and traders, and rely on a combination of Shadrack's maps, common sense, and Sophia's unusual powers of observation. Little do they know that their lives are in as much danger as Shadrack's. A New York Times Bestseller! "I am in no doubt about the energy of *S.E. Grove* as a full-fledged, pathfinding fantasist. I look forward to the next installment to place upon the pile. Intensely."—Gregory Maguire, *The New York Times Book Review* \* "Wholly original and marvelous beyond compare."—Kirkus Reviews, starred review
