O presente livro é um exercício de reflexão sobre este tema e muitas fronteiras a ele subjacentes nas interfaces entre a literatura e religião e/ou literatura e teologia.

After killing his brother Abel, Cain must wander for ever. He witnesses Noah's ark, the destruction of the Tower of Babel, Moses and the golden calf. He is there in time to save Abraham from sacrificing Isaac when God's angel arrives late after a wing malfunction.Written in the last years of Saramago's life, Cainwittily tackles many of the moral and logical non sequiturs created by a wilful, authoritarian God, forming part of Saramago's long argument with God and recalling his provocative novel The Gospel According to Jesus Christ.

A Novel SciELO - EDUEPB

A “ winkingly blasphemous retelling of the Old Testament ” by the Nobel Prize-winning author of The Gospel According to the Jesus Christ (The New Yorker). In Jos é Saramago final novel, he daringly reimagines the characters and narratives of the Old Testament. Placing the despised murderer Cain in the role of protagonist, this epic tale ranges from the Garden of Eden, when God realizes he has forgotten to give Adam and Eve the gift of speech, to the moment when Noah ’ s Ark lands on the dry peak of Ararat. Condemned to wander forever after he kills his brother Abel, Cain makes his way through the world in the company of a personable donkey. He is a witness to and participant in the stories of Isaac and Abraham, the destruction of the Tower of Babel, Moses and the golden calf, and the trials of Job. Again and again, Cain encounters a God whose actions seem callous, cruel, and unjust. He confronts Him, he argues with Him. “ And one thing

we know for certain, ” Saramago writes, “ is that they continued to argue and are arguing still. ” "Cain's vagabond journey builds to a stunning climax that, like the book itself, is a fitting capstone to a remarkable career."—Publishers Weekly, starred review This ebook includes a sample chapter of Jose Saramago ’ s Blindness.

Escrever como se Saramago fosse, é , sobretudo um ato presun ç ooso descomunal, pois a meu ver Saramago ser á , como Cervantes e Shakespeare, um g ê nio insuper á vel, sequer ser á imitado com aproximada perfei ç ã o. Eu, por é m, se o fiz com este texto, ao qual n ã o podemos chamar de livro, pois a autoria n ã o tem origem definida para mim. Contudo, podemos inferir corretamente que todas as ideias aqui expressas s ã o de alguma forma do espirito eterno de Saramago. O que fiz? Estudei bastante, pesquisei sobre toda sua vida, sobre tudo o que ele fez e falou, para que de algum modo pudesse dar mais veracidade ao texto, ao projeto que me propus. Vi todas as entrevistas, assisti a todos os filmes e document á rios, li todos os seus livros, alguns v á rias vezes, li suas pe ç as teatrais, artigos e ensaios, cr ô nicas e dois livros de poesias, enfim, creio ter feito corretamente como faria Saramago, ao idealizar um trabalho desta natureza e magnitude. Todavia, se fui leviano em algumas afirma ç õ es equivocadamente a ele atribu í das, fiz por vaidade, e me deu bastante prazer em distorcer algumas palavras do Mestre, tamb é m devo confessar, apenas para os leitores comuns, que algumas frases, at é mesmo pequenos fragmentos de textos aqui inseridos s ã o copiados propositalmente do livro publicado postumamente, “ AS Palavras de Saramago. ” Como dito antes, isto foi feito para que o trabalho final ficasse realmente com a ess ê ncia do grande escritor portugu ê s. A ideia central - acredito agora, depois de maturado, depois de v á rias leituras, minha inten ç ã o foi acrescentar mais um livro ao imensur á vel arquivo liter á rio de Saramago, de alguma forma é como se com este trabalho, que poderia muito bem ter sido escrito pelo pr ó prio imortal, e de certa forma foi, eu lhe garantisse mais outra eternidade criativa. Tudo é vaidade e presun ç ã o, mas n ã o h á outra forma de nos enganar sobre a eternidade, sen ã o escrevendo livros - e livros, e livros.

“ A romance and an adventure, a rumination on royalty and religion in 18th-century Portugal and a bitterly ironic comment on the uses of power. ” —The New York Times Portugal, 1711. The Portuguese king promises the greedy prelates of the Church an expansive new convent, should they intercede with God to give him an heir. A lonely priest works in maniacal solitude on his Passarola, a heretical flying machine he hopes will allow him to soar far from the madness surrounding him. A young couple, brought together by chance, live out a sweet, if tormented, romance. Meanwhile, amid the fires and horrors of the Inquisition, angry crowds and abused peasants rejoice in spectacles of cruelty, from bullfighting to auto-da-fe; disgraced priests openly flout God ’ s laws; and chaos reigns over a society on the brink of disaster. Weaving together multiple storylines to present both breathtaking fiction and incisive commentary, renowned Portuguese writer and winner of the 1998 Nobel Prize in Literature, Jos é Saramago spins an epic and captivating yarn, equal parts historical fiction, political satire, religious criticism, and whimsical romance. Hailed by USA Today as “ an unexpected gem, ” Baltasar and Blimunda is a captivating literary tour de force, full of magic and adventure, exquisite historical detail, and the power of both human folly and human will.

Ter f é na cidade CILIBAM

A wry, fictional account of the life of Christ by the 1998 Nobel laureate in literature “ Illuminated by ferocious wit, gentle passion, and poetry. ” — Los Angeles Times Book Review For Jos é Saramago, the life of Jesus Christ and the story of his Passion were things of this earth: a child crying, a gust of wind, the caress of a woman half asleep, the bleat of a goat or the bark of a dog, a prayer uttered in the grayish morning light. The Holy Family reflects the real complexities of any family, but this is realism filled with vision, dream, and omen. Saramago ’ s deft psychological portrait of a savior who is at once the Son of God and a young man of this earth is an expert interweaving of poetry and irony, spirituality and irreverence. The result is nothing less than a brilliant skeptic ’ s wry inquest into the meaning of God and of human existence.

A “ wonderfully twisted meditation on identity and individuality ” from a Nobel Prize – winning author who pushes fiction to its very limits (The Boston Globe). As this novel by the author of Blindness and All the Names begins, Tertuliano M á ximo Afonso is a divorced, depressed history teacher. To lift his spirits, a colleague suggests he rent a certain video. Tertuliano watches the film, unimpressed. But during the night, when he is awakened by noise, he finds the VCR replaying the video and watches in astonishment as a man who looks exactly like him—or, more specifically, exactly like he did five years earlier, mustachioed and fuller in the face—appears on the screen.

Against his own better judgment, Tertuliano decides to pursue his double. As he roots out the man ’ s identity, what begins as a whimsical chase becomes a probing investigation into what makes us human. Can we be reduced to our outward appearance, rather than the sum of our experiences? The inspiration for the film Enemy starring Jake Gyllenhaal and directed by Denis Villeneuve, The Double is a timeless novel from a writer John Updike described in The New Yorker as “ like Faulkner, so confident of his resources and ultimate destination that he can bring any impossibility to life by hurling words at it. ” “ It ’ s tempting to think of [The Double] as his masterpiece. ” —The New York Times Translated from the Portuguese by Margaret Jull Costa

An unassuming family struggles to keep up with the ruthless pace of progress in “ a genuinely brilliant novel ” from a Nobel Prize winner (Chicago Tribune). A Los Angeles Times Best Book of the Year and a New York Times Notable Book Cipriano Algor, an elderly potter, lives with his daughter Marta and her husband Mar ç al in a small village on the outskirts of The Center, an imposing complex of shops, apartments, and offices. Mar ç al works there as a security guard, and Cipriano drives him to work each day before delivering his own humble pots and jugs. On one such trip, he is told not to make any more deliveries. People prefer plastic, apparently. Unwilling to give up his craft, Cipriano tries his hand at making ceramic dolls. Astonishingly, The Center places an order for hundreds, and Cipriano and Marta set to work—until the order is cancelled and the penniless trio must move from the village into The Center. When mysterious sounds of digging emerge from beneath their new apartment, Cipriano and Mar ç al investigate; what they find transforms the family ’ s life, in a novel that is both “ irrepressibly funny ” (The Christian Science Monitor) and a “ triumph ” (The Washington Post Book World). “ The struggle of the individual against bureaucracy and anonymity is one of the great subjects of modern literature, and Saramago is often matched with Kafka as one of its premier exponents. Apt as the comparison is, it doesn ’ t convey the warmth and rueful human dimension of novels like Blindness and All the Names. Those qualities are particularly evident in his latest brilliant, dark allegory, which links the encroaching sterility of modern life to the parable of Plato ’ s cave . . . [a] remarkably generous and eloquent novel. ” —Publishers Weekly Translated from the Portuguese by Margaret Jull Costa

Se é verdade que a tradição é a memória dos povos, seu zelo é o desejo por continuidade. Assim, esta obra revive tradições e modelos de atuação, quando revisita as páginas da história que surge aqui não como uma tautologia inútil, mas como aspiração ao conhecimento, como zelo pelo humaniorum, corroborando verdades atuais. Nada mais lógico e desejável que se traga ao público a salvaguarda e diálogo entre antropologia, sociologia e cultura pelo viés da imagem inserida em nossa atualidade. Assim, os trabalhos aqui reunidos demonstram ser representativos não só de uma série de questões que dão abertura a diversas reflexões, nas quais se encaixam o sentido da imagem, como também de sua relação com a objetividade de nossos dias. Longe de pensar que a atualidade seja uma coisa simples, ela é condicionada a um regime de certa forma causal; e, por ser igualmente temporal, ela revigora e atualiza possibilidades. Por isso o contraponto entre atualidade e tradição tem em comum um só desejo: a continuidade de tudo que é.

Uma das maiores influências da sociedade ocidental é o Cristianismo. Dogmas e costumes permeiam a cultura e guiam tanto os féis quanto os demais. Contrário a esse domínio cristão, José Saramago apresenta em suas obras, principalmente nas paródias dos textos sagrados, questionamentos a respeito destes padrões e das leis impostas, especialmente considerando a Igreja Católica. Dentre essas indagações estão os temas que vêm sendo amplamente discutidos, como a posição da mulher na sociedade e o erotismo. Ambas as temáticas servem de base para nosso trabalho. A presente dissertação apresenta um estudo a respeito da paródia, da carnavalização e do erotismo. O foco é dirigido para as personagens femininas, nas obras *O Evangelho Segundo Jesus Cristo* (1991) e *Caim* (2009), de José Saramago. Nessas narrativas, a paródia, tanto a medieval teorizada por Bakhtin (1996) quanto a moderna teorizada por Hutcheon (1985), aparece como elemento de (re)construção das personagens nas novas versões das histórias bíblicas. Embasados nas teorias de Bataille (1987), Richards (1993) e Whitmont (1991), desenvolveremos a análise a respeito do modo como o erotismo é vinculado ao texto no sentido de ressaltar o feminino. O erotismo representa um elemento de libertação e empoderamento de Eva, Lilith, Maria e Maria de Magdala, personagens que na ficção renovam as figuras tradicionalmente propagadas pela Religião, mas também questionam dogmas e leis religiosas.

Neste livro inovador e provocativo, o autor responde a uma importante indagação: "A religião até pode ter servido para o meu antepassado que vivia no interior, mas como pode servir para a minha vida moderna na cidade?". Ao partilhar o diálogo que uma pequena igreja de bairro tem mantido com a cultura à sua volta, ele sugere uma resposta: o cristianismo não é apenas adequado para a vida moderna nos grandes centros urbanos em que habitamos, mas também é urgente para essa vida. Quando temos fé em Cristo em contextos que podem ser desfavoráveis, podemos ter a verdadeira fé na cidade.

A proofreader realizes his power to edit the truth on a whim, in a “brilliantly original” novel by a Nobel Prize winner (Los Angeles Times Book Review). Raimundo Silva is a middle-aged, celibate clerk, proofing manuscripts for a respectable publishing house. Fluent in Portuguese, he has been assigned to work on a standard history of the country, and the twelfth-century king who laid siege to Lisbon. In a moment of subversive daring, Raimundo decides to change just one single word of text—a capricious revision that completely undoes the past. When discovered, his insolent disregard for facts appalls his employers—save for his new editor, Maria Sara. She suggests that Raimundo take his transgressions even further. Through Raimundo and Maria’s eyes, what transpires is an alternate view of history and a colorful reinvention of a debatable truth. It’s a serpentine journey through time where past and present converge, fact becomes myth, and fiction and reality blur—especially for Raimundo and Maria themselves, who begin to find themselves erotically drawn to each other. “Walter Mitty has nothing on Raimundo Silva . . . this hypnotic tale is a great comic romp through history, language and the imagination.” —Publishers Weekly Translated by Giovanni Pontiero
