Terrill was the most ruthless of vampires, but over the long centuries of his existence he has evolved into a Golden Vampire, renouncing violence, able to walk among humans and in sunlight. What he didn't know--what no one knew--was that the evolution was directed by forces bigger than himself. Terrill and others of his kind have evolved into a higher form of vampire, but another type of vampire has emerged, too. Shadow Vampires can walk in sunlight, for they carry the darkness with them, in their souls and their bodies. And they are determined to destroy everyone in their way, especially the Golden Vampires... who are the only ones who can stop them. "If you like your undead to be more Fright Night than Twilight, Duncan McGeary's Vampire Evolution Trilogy will be your cup of gore." Steve Perry, New York Times Bestselling Author of Men in Black, The Mask, and Star Wars: Shadows of the Empire

Once upon a time, our stories intertwined, and now, healing my heart may be the only way to save us all from the evil that threatens to destroy what little we have left.

Factions of monarchists and status-quo were growling at each other while the rest of the Blood Nations watched with trepidation over the outcome. Little did the Vampire Nation know that their longed-for leader was a little more than expected. The Brotherhood is contained in a single form; Xavier was the main face of the House of Drachenfeld both rational and decisive. Sex was unbridled energy with a quick understanding of the situation and an even faster resolution and Azrael was cool planning, immovable resolve as the First of Assassins. The Brothers had figured out a schedule to their satisfaction and were confident that they were carefully hidden from the outside world; or, so they thought. Then another ancient entity, with its own agenda, finally decided that enough was enough and

began to make its way back to the Vampire World.

Human-like, but not human, the nara ruled Tanyrin for centuries. The most feared among them were their naragi, sorcerers whose power was all but invincible. Not until the coming of Arami Lothlain, King of Tanyrin and Blessed of Loth, did the rein of the nara come to a bloody end. For four hundred years afterwards, the land was at peace. Stefn Eldering was the youngest son of the Earl of Shia, the last in a long, proud line of demon hunters. He was also a sin-catcher, living proof of God's displeasure, the shame of his existence atonement for the sins of his ancestors. Michael Arranz was the son of a duke and one of the despised h'naran, half-bloods cursed with the blood of the nara running through their veins. Of all the h'nara, his family alone was immune from the persecution of the powerful Church of Loth, protected by an ancient covenant. In ordinary times, the paths of Michael and Stefn would never have crossed. Alas, times were no longer ordinary. The latest of the Lothlain kings was a weakling, unable to curb the ambitions of an increasingly powerful, corrupt clergy. Famine stalked the land. Fear of the h'nara, fanned by the Church, spread tentacles everywhere. Tanyrin teetered on the edge of chaos. A loyal and devoted friend to Tanyrin's crown prince, Michael could refuse Severyn Lothlain nothing, not even when Severyn asked the unspeakable of him. Determined to wrest the throne from his brother, Severyn intended nothing less than the resurrection of the ancient naragi. Michael, whose naran blood was the purest in Tanyrin, was the logical choice. But for Michael become what mankind feared most, he needed a conduit through which to take the powerful, dangerous magic of the Dark Stream. He needed a man who carried the ancient blood of the cethera. He needed Stefn Eldering. Get this and other SLPG paperback novels for \$14.99 or less at www.slpublishinggroup.com.
