“This is an era of  
extraordinary promise and  
support for addressing the  
needs of California’s

English learners. That’s why Companion is every bit “that this book, The California ELD Standards Companion, is so important. It’s exactly the kind of bridge teachers need between standards and what it looks like in the classroom.” —LAURIE OLSEN, Strategic Adviser, The Sobrato Early Academic Language (SEAL) Initiative California teachers: you’re going to love this! Here at last is that single teaching resource for making the critical link between our ELD Standards and the CCSS ELA Standards. Standard by standard, you’ll quickly discover how to integrate language development into your day-to-day content instruction, armed with an insider’s understanding of how best to support our many English learners. Modeled after Jim Burke’s Common Core series, this Grades 9-12 volume of The California ELD Standards Companion is every bit “that version of the standards you wish you had” because it’s just so easy to digest and apply. It’s all here: Horizontal and vertical views reveal how each ELD Standard changes and progresses grade by grade and proficiency level by proficiency level. What the Student Does Sections, also scannable by grade and proficiency level, unpack in student-friendly language what meeting a standard looks like in practice. CCSS ELA Standards are displayed side by side with California’s ELD Standards so you can appreciate the purposeful alignment between the two as the basis for remodeling instructional practice. What the Teacher Does Sections provide specific instructional guidance by grade band, including student prompts and tips for differentiation

across proficiency level. A dedicated vocabulary section offers a quick-reference glossary of key words and phrases as they are used within each ELD Standard. Each section concludes with a vignette from the California ELA/ELD Framework to illustrate exemplary standards-based instruction. Thanks to the ELD Standards, we are now free to teach our ELs the way we knew best all along: language and content taught hand in hand across the school day. Lean on Ivannia Soto and Linda Carstens' California ELD Standards Companion as your one-stop guide for delivering that excellent education our ELs so deeply deserve.

California Standards Assessment Workbook Smarter Balanced Test Prep Team

Our California Common Core SBAC Grade 4 English Language Arts/Literacy Success Strategies Workbook is built around the specific Common Core State Standards used by the California Smarter Balanced Assessments, part of the California Assessment of Student Performance and Progress (CAASPP) System. With a California Common Core SBAC Success Strategies Workbook, your student will have access to numerous practice questions and other exercises, which they can use to improve their skills and measure their progress toward Common Core readiness. Individual lessons and exercises are short and to the point, so your student doesn't lose

focus, but they're also thorough enough to cover each topic in depth. Concepts and principles are broken down into small nuggets, leading to higher comprehension and retention rates for students.

The objective of our California SBAC Test Prep book for 3rd graders is to provide students, educators, and parents with practice materials focused on the core skills needed to help students succeed on the Smarter Balanced assessment for Grade 3 in 2018-19. A student will fare better on a test when s/he has practiced and mastered the skills measured by the assessment. A student also excels when s/he is familiar with the format and structure of the test. This book helps students do both. Students can review key material by standard through doing the skill-building exercises, as well as take SBAC practice tests to become

accustomed to how the content is presented and to enhance test-taking skills. By test day, students will feel confident and be adequately prepared to do his or her best. CAASPP English Language Arts (ELA) Test / Third Grade SBAC ELA Reading Test In California, the Smarter Balanced (SBAC) summative assessments are administered as part of the California Assessment of Student Performance and Progress (CAASPP) System. This system is based on the Common Core State Standards (CCSS) for English language arts/literacy (ELA) and mathematics. In California, the SBAC assessments are given in grades three through eight and eleven for ELA and mathematics. The grade 3 SBAC ELA test determines if students have mastered third grade Common Core english language arts and literacy standards, and makes sure that they are getting ready for fourth grade.
