focused on the core skills needed to help students succeed on the Smarter Balanced assessment for Grade 3 in 2018-19. A student will fare better on a test when s/he has practiced and mastered the skills measured by the assessment. A student also excels when s/he is familiar with the format and structure of the test. This book helps students do both. Students can review key material by standard through doing the skill-building exercises, as well as take practice tests to become accustomed to how the content is presented and to enhance test-taking skills. By test day, students will feel confident and be adequately prepared to do his or her best.
