The Reorganization of the California State Personnel Board

Did you know that the average vacant position for a California state job receives over 200 applications? 99% of people who want a state job will never get one. They will quit long before they get the job. That's because the California state employment is like one giant gatekeeping system...it's designed to shut you out. To be part of the 1% that gets a state job, you need help. Get inside secrets from an actual and current California state employee - one who has been there, done that, and can successfully guide you through the process. Learn about: * The "secret" benefits that not even current state employees know about! * How the civil service process works * What an STD 678 is, and how to fill it out CORRECTLY * How to access study guides for state exams * "Backdoor" openings to state employment * How to ace the interview * If you're eligible to negotiate for a higher salary - and how to do it * How to manage "culture shock" if you're coming from the private sector * How to pass your probation * Promote yourself This is the ONLY state guide that walks you through the entire employment process. It covers you from before you even apply for your first exam, all the way through your probation period and beyond. Over 200 pages of material!
