Origins and Development of

the Turkish Novel Turkish Literature

During most of Finland's history, it had been ruled by different countries. The first instance of this was the Treaty of Nöteborg in 1323. This treaty was between Sweden and the Novgorod Republic and it established their borders. After the treaty, the majority of Finland became a part of Sweden. From 1323 through 1808, the majority of Finland was a part of Sweden. After 1808, Russia captured the region of Finland from Sweden. Russia captured the region of Finland from 1808 through 1809. Then, in 1906, Finland had its own parliament. Although, Russia recognized Finland's independence on December 31, 1917. In 1906, Finland had universal and equal right to vote which also applied to women. Then, in August of 1939, Finland went under Soviet Union influence. Throughout Finland's history, Finland was not independent

very often. Although, when Finland became independent, a man named Johan Vilhelm Snellman advocated and supported the development of Finnish culture and the development of the country. Snellman wanted Finland to have full independence and its own culture. Snellman was born on May 12, 1806 in Sweden. He was born after the establishment of semi-independent Finland. Snellman was a philosopher, statesman, and a journalist. He taught at a university in Helsinki. Snellman wanted Finland to be advanced in education and the arts. Snellman had told the young Finnish people that, “Your success in football does not make me happy! Young Finnish like you not to beat Germans, English, Frenchs, Hungarians by shooting to the ball; Instead of it, with your mind, your heart, science, craft, trade, carpentry I would love to defeat them to take your homeland forward with your willing.” This book explains Snellman’s ideas on developing a newly growing country. It focuses on increasing the quality of education and the school environment. This book became very popular among developing countries. It was first written in Serbia in 1923 under the title “Zidari of Belly” which translates to “Creators of Life”. It was next printed in Bulgarian in 1925 under the

title “In the Country of White Lilies”. In Bulgarian, the book has gone through 14 editions. The book was also printed in Turkish in 1928. In Turkish, the book has gone through 16 editions. The first president of Turkey, Mustafa Kemal Atatürk, knew that this book held valuable information so he made all public employees read the book, he put it into the school curriculum, and made Turkish officers study the book. This book was then published in Russia in 2004 under the title “Finland, the Country of White Lilies”. Today marks the day that this book was translated to English by Atatürk Research Center CT. The Autobiography of a Turkish Girl BRILL

Resat Nuri Guntekin (1889-1956) published *Yaprak Dokumu* in 1930. It's a tragicomic novel of bourgeois life in a rapidly changing Istanbul. The novel magnificently and richly

depicts Turkish family and work life under stresses caused by the rapid introduction of modern and European norms. The hero, Master Ali Riza, an idealistic ex civil servant who translates business documents for the firm of Goldleaf Limited, leaves the firm out of profound moral scruples, and this leads to extreme financial stresses on his family. This is a new translation, illustrated with caricatures from the satirical weekly "kalem" published in the early 20th century.

Horrific Sufferings of the Mind-Reading Monster Hercules Barefoot is the picaresque fable of the love that grows between the mute, telepathic human monstrosity Hercules and the beautiful Henriette—a love that will entwine their fates forever. Author Carl-Johan Vallgren creates an unforgettable cast of grotesqueries in a magical and atmospheric tour of nineteenth-century Europe—from the bordello, where Hercules is born, to the squalor of the asylum, where he finds only pain, to the sinister grandeur of the Jesuit monasteries in which he finds both shelter and peril, to the phantasmagoria of the freak show with which he travels. A moving, uplifting, at times dark and macabre tale of social oppression, official corruption, religious persecution, and unwavering devotion, it is a story that enchants and surprises . . . and leaves one wide-eyed with wonder, like a small child at his first carnival. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and

revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings. *The Saga of a Seagull* Vintage

From the Nobel Prize winner and acclaimed author of *My Name is Red* comes a portrait of Istanbul by its foremost writer, revealing the melancholy that comes

of living amid the ruins of a lost empire. "Delightful, profound, marvelously origina.... Pamuk tells the story of the city through the eyes of memory." —The Washington Post Book World

A shimmering evocation, by turns intimate and panoramic, of one of the world's great cities, by its foremost writer. Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms. His portrait of his city is thus also a self-portrait, refracted by memory and the melancholy—or *hüzün*—that all Istanbul share. With cinematic fluidity, Pamuk moves from his glamorous, unhappy parents to the gorgeous, decrepit mansions overlooking the Bosphorus; from the dawning of his self-consciousness to the writers and painters—both Turkish and foreign—who would shape his consciousness of his city. Like Joyce's Dublin and Borges' Buenos Aires, Pamuk's Istanbul is a triumphant encounter of place and sensibility, beautifully written and immensely moving. **Calikusu** Harper Collins

Finland, The Country of White Lilies New York, London, The Century Company [1928]

This is part I of the seminal novel by Halide Edip Adivar, a writer and feminist who fought for Turkish independence in Ataturk's army. She originally published it in English as *The Clown and His Daughter* in 1935. She then translated it into Turkish and published that version as *Sinekli Bakkal* in 1936. This is a translation of the Turkish version; the translator has not seen the English version. It is a nostalgic and loving look at the declining years of the Ottoman empire under the Red Sultan,

Abdulhamid II, as seen through the adventures of Tevfik, the Clown of the title, who plays the female role, the Zenne, in the traditional Turkish theater art form, the *orta oyunu*, related to *commedia dell'arte*, as well as doing shadow puppets, or *Karagoz*. His daughter, Rabia, is trained by her grandfather, a fire and brimstone Imam, to sing the response in the mosque, but she also learns the art of love songs from the cruel but cultured Justice Minister, Selim Pasha. And there are many more characters ... the defrocked priest Peregrini, the Circassian concubine Kararya, the dervish sage Vehbi Dede ...
