THE BEST GUIDE!!!
Black Ops Cold War is set during the early

80s of the Cold War. The campaign follows CIA operative Russel Adler as he pursues an alleged Soviet spy, whose goal is to subvert the United States and tilt the balance of power towards the Soviet Union. Unlike its ludicrously extended title, Cold War offers a single player campaign that can be finished in just under a few hours, but considering that most players are interested in the game's various multiplayer modes, this is nothing more than a sweet bonus. And since Call of Duty has always been known for its quickfire gameplay, insane arsenal, and expletive-yelling youths, fans of the franchise will feel right at home with Cold War. But if

you find yourself shaking in frustration having fallen victim to campers, try-hards, and rogue grenades alike, stay right where you are, as these insider tips and tricks are sure to give you the upper hand in future battles to come. So, what are you waiting for? Once you grab a copy of our guide, you'll be dominating the game in no time at all! Get your Pro tips now.? Excerpt: Call of Duty: Black Ops (or simply Black Ops) is a first-person shooter video game developed by Treyarch, published by Activision and released worldwide on November 9, 2010 for Microsoft Windows, Xbox 360, PlayStation 3, Wii consoles, with a separate version for Nintendo DS developed by n-Space. Announced on April 30, 2010, the game is the seventh installment of the Call of Duty series, and the first to be set in the Cold War and the fifth to be set in World War II. It is the third in the series to be developed by Treyarch, and is a sequel to the developer's Call of Duty: World at War. Within 24 hours of going on sale, the game sold more than 7 million copies, 5.6 million in the U.S. and 1.4 million in the UK, breaking the record set by its predecessor Modern Warfare 2 by some 2.5 million copies. A subtitled version was released in Japan on November 18, 2010. A Japanese-dubbed version was released on December 16, 2010. After six weeks on release, Activision reported Black Ops had earned \$1 billion in sales. Black Ops is a first-person shooter. The player assumes the role of a foot soldier who can wield various firearms, of which two at a time can be carried; throw grenades and other explosives; and use other equipment as weapons. A player close enough to an enemy can kill with one knife blow. A character can take three stances: standing, crouching, or prone;...

Call of Duty: Black Ops - Cold War is Treyarch's latest attempt to conquer the first-person shooter genre. Unlike its absurdly lengthy

predecessor, Cold War features a single player initiative that can be completed in under a few hours, but given that the majority of players are willing to take part in the game's numerous multiplayer modes; this is merely a nice bonus. And, as Call of Duty has always been recognized for its lightning-fast gameplay, outrageous arsenal, and expletive-spewing youths, Cold War will feel right at home for fans of the franchise. However, if you find yourself wobbling in frustration after succumbing to campers, try-hards, as well as rogue grenades. Thus far, the game appears to be a notch forward towards Call of Duty, albeit with significant changes. This Cold War beginner's guide will explain those changes, as well as the tricks and tips you'll need to start winning matches right away. Whether you're unfamiliar to Black Ops Cold War, we've compiled a list of tips to help you get in fighting shape. While CoD veterans are unlikely to need many of these, there are a few new wrinkles in the series formula worth noting, such as a big focus on sound and changes to how you earn those coveted Scorestreaks. And if

you're unfamiliar to CoD in general, stay put to this guide, as these insider modern tricks and tips will certainly give you an added advantage now and in the future battles With all the modern tips and tricks included in this guide, be sure you are on your way to victory.
