Kidnapped from his safe California home. Thrown into a life-and-death struggle on the frozen Artic wilderness. Half St. Bernard, half shepard, Buck learns many hard lessons as a sled dog: the lesson of the leash, of the cold, of near-starvation and cruelty. And the greatest lesson he learns from his last owner, John Thornton: the power of love and loyalty. Yet always, even at the side of the human he loves, Buck feels the pull in his bones, an urge to answer his wolf ancestors as they howl to him.

Literature and Materialisms sheds light on the current new wave of materialisms and assesses the impact on literary theory and criticism. It maps the similarities and differences between speculative realism, object-oriented philosophy, and vitalism. A genealogy of materialisms, vitalisms, empiricisms, and realist approaches - from Heraclitus to Badiou, including Lucretius, Spinoza, Marx, Althusser, Barad, Spivak, Deleuze, Bennett, Harman, and other contemporary thinkers - puts these new trends into perspective. This book investigates the relations between literature - from Marquis de Sade to objectivist poetry - and materialism and analyses the material aspects of literature, its structure and texture, its commodification and its capacity to resist market imperatives. It explores how literary style might be understood as a mediation between the 'immaterial' and the concrete features of a text. This volume provides students and academics with an accessible overview of the study of literature and materialism.

The *Call of the Wild* is a short adventure novel by Jack London, published in 1903 and set in Yukon, Canada, during the 1890s Klondike Gold Rush, when strong sled dogs were in high demand. The central character of the novel is a dog named Buck. The story opens at a ranch in Santa Clara Valley, California, when Buck is stolen from his home and sold into service as a sled dog in Alaska. He becomes progressively more primitive and wild in the harsh environment, where he is forced to fight to survive and dominate other

dogs. By the end, he sheds the veneer of civilization, and relies on primordial instinct and learned experience to emerge as a leader in the wild. London spent almost a year in the Yukon, and his observations form much of the material for the book. The story was serialized in *The Saturday Evening Post* in the summer of 1903 and was published later that year in book form. The book's great popularity and success made a reputation for London. As early as 1923, the story was adapted to film, and it has since seen several more cinematic adaptations.

The second thrilling WOLFBLOOD book - based on the smash-hit CBBC series! On a snowy night on Stoneybridge Moor, three wild wolves pursue another lone wolf, closing in on him. Meanwhile, Maddy and her parents take shelter in their underground 'den', away from the full moon and the danger of transforming into Wolfbloods in the open air. When the young wolf is chased desperately to their house, they realise with shock that it's Rhyddian - back from the wild, where he's been in self-inflicted exile with his mother and the 'wild' pack. Danger is hot on Rhyddian's heels, though. The pack leader, Alric, is hunting him, claiming that he broke their rules, that he tried to win the wolves around to being open to human ways. Maddy and her family must, once again, try to keep Rhyddian safe, and protect the Wolfblood secret from being exposed. Things are complicated, though, with the arrival of another young wild Wolfblood - unkempt, feisty Jana, who poses a threat to Maddy in more ways than one . . . Another thrilling and tense instalment in the CBBC WOLFBLOOD series.

Guy Grieve's life was going nowhere - trapped in a job he hated, commuting 2,000 miles a month and up to his neck in debt. But he dreamed of escaping it all to live alone in one of the wildest, most remote places on earth - Alaska. And just when he'd given up hope, the dream came true. Suddenly Guy was thrown into one of the harshest environments in the world, miles from the nearest human being and armed with only the most basic equipment. And he soon found - whether building a log cabin from scratch, hunting, ice fishing or of course dodging bears in the buff - that life in the wilderness was anything but easy... Part Ray Mears, part Bill Bryson, CALL OF THE WILD is the gripping story of how a mild-mannered commuter struggled with the elements - and himself - and eventually learned the ways of the wild.
