books. In this series,

---

there will be a book for every chapter. This is Weekly #1, which is the 1st chapter(Into the Primitive) of The Call of the Wild. Be sure to look for your favorite chapters from this classic story. "The Call of the Wild," set in the late 1800s, takes the reader on an interesting adventure during the 1890s Klondike Gold Rush. Enjoy London's imagination as you discover what life was like for an in-demand dog during those times and how this dog responded to the challenges laid before him.

"The Call of the Wild" Weekly  
#3 Broadview Press

Teachers have found The Call of the Wild--from the very earliest days of its publication in 1903--to be a novella rich in instructional possibilities in

history, geography, and ethics as well as literature. In this resource book for teachers, Daniel Dyer provides an array of activities--traditional and nontraditional--to accommodate a wide range of students, teachers, schools and communities. Dyer ' s instructional ideas will stimulate exploration of such subjects as California and Klondike history and geography; transportation by rail, ferry, steamship, and dog teams; techniques of gold mining; breeds of dogs; and subarctic flora and fauna--as well as the novel ' s great literary themes.

Jack London's The Call of the Wild for Teachers  
Campfire

These literary masterpieces are made easy and interesting. This series features classic tales retold with color illustrations to introduce literature to

---

struggling readers. Each 64-page book retains key phrases and quotations from the original classics. ## Publishing Group

The Call of the Wild, by Jack London: This is a Masterpiece Collection Book Club Edition publication. We have created an after chapter template for notes, character names, and general summary of the chapter. This helps the reader retain the information better. These books are great for not only bookclub readers. They are great for students, and casual readers as well. Having your own notes to draw from helps when writing a book report. Having a bookclub discussion about several chapters. It is great help remembering characters and their significance later in the book. These are not cheat books! We have not done the work for you. You have to read the book and you need to take the notes. Using the templates at the end of each chapter will give you a greater understanding of the work. I love to read and have read thousands of books, but I still forget things that happened hundreds of pages before. These books enable the reader to have a point of reference . Turning the corner of the page and

highlighting can help, but returning to your own words helps so much more.

## The Call of the Wild Novel Units Student Packet 15 Pack Pendulum Press

This special edition contains edits specifically aimed at assisting readers in understanding the classic text, preparing students for examinations, or providing lesson plans for teachers. This book is ideal for readers in high school, college, or otherwise seeking an easier understanding of a classic text. Original additions may include notes, lessons, and activities designed to foster understanding at key points in the story and at critical chapters. As an educator, I believe that older works of literature must be introduced into new generations. This belief has guided my editing of the original source material. Enjoy this classic piece of literature with an appreciation fostered by greater

### The Call of the Wild Student Activity Book Createspace Independent Publishing Platform

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons.

"Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt.

McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the

cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which

---

he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

|--|--|
| <p>A best-seller from its first publication in 1903, <i>The Call of the Wild</i> tells the story of Buck, a big mongrel dog who is shipped from his comfortable life in California to Alaska, where he must adapt to the harsh life of a sled dog during the Klondike Gold Rush. The narrative recounts Buck ' s brutal obedience training, his struggle to meet the demands of human masters, and his rise to the position of lead sled dog as a result of his superior physical and mental qualities. Finally, Buck is free to respond to the “ call ” of the wilderness. Over a hundred years after its publication, Jack London ' s “ dog story ” retains the enduring appeal of a classic. This Broadview Edition includes a critical introduction that explores London ' s life and legacy and the complex scientific and psychological ideas drawn upon by London in writing the story. The appendices include material on the Klondike, Darwin ' s writings on dogs, other contemporary writings on instinct and atavism, and maps of the regions in which the story takes place.</p> <p><i>The Call of the Wild</i> Veritas Press</p> | <p>Retells in graphic novel format London's story about an unusual dog, part Saint Bernard and part Scotch shepherd, who is forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack.</p> <p><i>The Call of the Wild</i> The Creative Company</p> <p>The adventures of an unusual dog, part St. Bernard, part Scotch shepherd, forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack.</p> |
