One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed "The Bathroom Bomber" after setting off firecrackers in the boys' bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the "Pigman." In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati's zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it's too late?

A Guide for Using the Call of the Wild in the Classroom New York, W. S. Gottsberger
The Call of the Wild is Now a Major Motion Picture Starring Harrison Ford! Out of the white wilderness, out of the Far North, Jack London, one of America's most popular authors, drew the inspiration for his robust tales of perilous adventure and animal cunning. Swiftly paced and vividly written, the novel and

five short stories included here capture the main theme of London's work: the law of the club and the fang—man's instinctive reversion to primitive behavior when pitted against the brute force of nature. Includes *The Call of the Wild*, *Diable: A Dog*, *An Odyssey of the North*, *To the Man on the Trail*, *To Build a Fire*, and *Love of Life*

Jack London's first major work, "The Call of the Wild," changed both the face of literature and the fortunes of a young author. A tale of transformation - a domestic dog being forced by circumstance to revert to his wild state - instantly earned him great acclaim from readers and reviewers alike. Upon the book's release in 1903, noted literary critic and essayist Hamilton Wright Mabie wrote that the new little book about of a pet stolen from a comfortable home and forced to become a sled dog in the icy North was "likely to make a deep impression by reason of its power and unusual theme." As the narrative plucked heartstrings around the globe, London's work - which he gave to Macmillan Publishers for \$2000 - immediately sold out its first print run, and has remained in bookstores ever since. If you've read it before, you already know what first-time readers will soon discover: "The Call of the Wild" is a story that stands the test of time. Along with the complete text, this special edition of the book contains most of the illustrations that appeared when it was originally published, as well as a selection of a dozen popular quotes, vintage book reviews from more than a century ago, bonus images, and a related short story London wrote a few years earlier - just after he returned from the frigid Yukon during the Klondike Gold Rush. Taken together, the text, images and extra historical features within these pages offer greater depth to this influential story, as well as additional insight into the mind of the writer himself.

WE were in mourning for our mother, who had died the preceding autumn, and we had spent all the winter alone in the country-Macha, Sonia and I. Macha was an old family friend, who had been our governess and had brought us all up, and my memories of her, like my love for her, went as far back as my memories of myself. Sonia was my younger sister. The winter had dragged by, sad and sombre, in our old country-house of Pokrovski. The weather had been cold, and so windy that the snow was often piled high above our windows; the panes were almost always cloudy with a coating of ice; and throughout the whole season we were shut in, rarely finding it possible to go out of the house. It was very seldom that any one came to see us, and our few visitors brought neither joy nor cheerfulness to our house. They all had mournful faces, spoke low, as if they were afraid of waking some one, were careful not to laugh, sighed and often shed tears when they looked at me, and above all at the sight of my poor Sonia in her little black frock.

NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north

of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order." —Entertainment Weekly
McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
