In the game of love, there's always room for extra credit An enemies-to-lovers YA rom-com filled with perfect banter, nerdy drama, and heart-pounding romance—perfect for fans of Morgan Matson, Emma Lord, and Sandhya Menon. Since high school began, Alison Sanger and Ethan Mollo have competed on almost everything. AP classes, the school paper, community service, it never ends. If Alison could avoid Ethan until graduation, she would. Except, naturally, for two over-achieving seniors with their sights on valedictorian and Harvard, they share all the same classes and extracurriculars. So when their school's principal assigns them the task of co-planning a previous class's ten-year reunion, with the promise of a recommendation for Harvard if they do, Ethan and Alison are willing to endure one more activity together if it means beating the other out of the lead. But with all this extra time spent in each other's company, their rivalry begins to feel closer to friendship. And as tension between them builds, Alison fights the growing realization that the only thing she wants more than winning . . . is Ethan

When Barack Obama won the 2008 presidential election, he also won a long-running debate with his wife Michelle. Contrary to her fears, politics now seemed like a worthwhile, even noble pursuit. Together they planned a White House life that would be as normal and sane as possible. Then they moved in. In the Obamas, Jodi Kantor takes us deep inside the White House as they try to grapple with their new roles, change the country, raise children, maintain friendships, and figure out what it means to be the first black President and First Lady. Filled with riveting detail and insight into their partnership, emotions and personalities, and written with a keen eye for the ironies of public life, *The Obamas* is an intimate portrait that will surprise even readers who thought they knew the President and First Lady.

NOW A NEW YORK TIMES BESTSELLER! From #1 New York Times bestselling author Marissa Meyer, comes a high-stakes world of adventure, passion, danger, and betrayal. Secret Identities. Extraordinary Powers. She wants vengeance. He wants justice. The Renegades are a syndicate of prodigies—humans with extraordinary abilities—who emerged from the ruins of a crumbled society and established peace and order where chaos reigned. As champions of justice, they remain a symbol of hope and courage to everyone...except the villains they once overthrew. Nova has a reason to hate the Renegades, and she is on a mission for vengeance. As she gets closer to her target, she meets Adrian, a Renegade boy who believes in justice—and in Nova. But Nova's allegiance is to the villains who have the power to end them both.

Drs. Leonard Scinto and Kirk Daffner provide a comprehensive survey of new diagnostic approaches to Alzheimer's disease. The authoritative contributors critically survey the most promising current research on early diagnostic markers for Alzheimer's disease, including the elucidation of changes in the brain revealed by structural and functional neuroimaging, as well as the characteristic patterns of cognitive decline that are documented

by sensitive neuropsychological tests, various genetic markers, and biological assays. Early Diagnosis of Alzheimer's Disease illuminates the complex issues surrounding the search for early markers of this increasingly widespread disease. It will establish a new standard reference guide for all those working with Alzheimer's patients.

The much-acclaimed BookTok sensation, Olivie Blake's *The Atlas Six*--now newly revised and edited with additional content. • The tag #theatlassix has millions of views on TikTok • A dark academic debut fantasy with an established cult following that reads like *THE SECRET HISTORY* meets *THE UMBRELLA ACADEMY* • The first in an explosive trilogy *The Alexandrian Society*, caretakers of lost knowledge from the greatest civilizations of antiquity, are the foremost secret society of magical academicians in the world. Those who earn a place among the Alexandrians will secure a life of wealth, power, and prestige beyond their wildest dreams, and each decade, only the six most uniquely talented magicians are selected to be considered for initiation. Enter the latest round of six: Libby Rhodes and Nico de Varona, unwilling halves of an unfathomable whole, who exert uncanny control over every element of physicality. Reina Mori, a naturalist, who can intuit the language of life itself. Parisa Kamali, a telepath who can traverse the depths of the subconscious, navigating worlds inside the human mind. Callum Nova, an empath easily mistaken for a manipulative illusionist, who can influence the intimate workings of a person's inner self. Finally, there is Tristan Caine, who can see through illusions to a new structure of reality—an ability so rare that neither he nor his peers can fully grasp its implications. When the candidates are recruited by the mysterious Atlas Blakely, they are told they will have one year to qualify for initiation, during which time they will be permitted preliminary access to the Society's archives and judged based on their contributions to various subjects of impossibility: time and space, luck and thought, life and death. Five, they are told, will be initiated. One will be eliminated. The six potential initiates will fight to survive the next year of their lives, and if they can prove themselves to be the best among their rivals, most of them will. Most of them. As If on Cue Feiwel & Friends

Perfect for fans of Becky Albertalli and Nina LaCour, this queer coming-of-age story from the author of *The Falling in Love Montage* is wry, multilayered, and unflinchingly honest. Aileen has plenty of problems she can't solve. But when she stumbles upon overachiever Meabh Kowalska having a full-blown meltdown, she sees one that she can actually fix. Meabh is desperate to escape her crushing pile of extracurriculars. Aileen volunteers to help—by pushing her down the stairs. Problem? Solved. Meabh's sprained ankle is the perfect excuse to ditch her overwhelming schedule. But when one of their classmates learns about their little scheme, more "clients" start asking for Aileen's "help"—kicking off a semester of traded favors, ill-advised hijinks, and even an unexpected chance at love. Fixing other people's problems won't fix her own. But it might be the push Aileen needs to start.

The Confident Mind Tor Books

A traditional view of the Autonomic Nervous System (ANS) considers only its peripheral part: the sympathetic and parasympathetic systems. However, this view misses to consider the most important ANS function: the maintenance of homeostasis. This term is used today to define not only the strategies that allow the body proper response to changes in the environment (reactive homeostasis), but also temporal mechanisms that allow the body to predict the most likely timing of environmental stimuli (predictive homeostasis based on biological rhythms). This book discusses the ANS from both an enlarged and a timed perspective. First, it presents how the organization of the ANS is hierarchical into different levels. Following that, the book discusses how the ANS changes functionally in the three-body configurations (wakefulness, slow sleep, rapid eye movement sleep) found in a 24-hour cycle. Finally, the most important clinical implications of this enlarged and timed vision of ANS will be discussed. *Autonomic Nervous System – Basic and Clinical Aspects* is a comprehensive text intended for medical students and health professionals who are interested in a deeper approach to this important part of the nervous system. It provides a detailed and complete understanding of the neuroscience behind the ANS, allowing a proper clinical applicability of this

knowledge.

In the beginning, a scarecrow made his own history, like a symbol that everyone sees year-around (like Halloween) placed in the middle of surrounding pumpkins and flames all around but never hurting the scarecrow. At the end, two different species—a goblin and a troll—made their own history as well. Keeping the scarecrow strong and their willpower intact, so nobody can erase all three of their history, in which no one can change.

Today Tonight Tomorrow Legare Street Press

A Room in Dodge City follows a nameless drifter into an American heart of darkness. In this nightmarish version of the historic Dodge City, mythic beasts crawl out of the woodwork; bizarre rituals are enacted; and death is never the end. Equal parts humor and horror-show, David Leo Rice's novel combines the mundaneness of modern life—motels, strip malls, temp jobs—with something stranger, darker, and more eternal. Told through linked vignettes that read like metaphoric fairytales gone wrong, Dodge City consumes the reader just as it slowly consumes the drifter, leaving all to wonder whether any of us can ever truly escape this world—or our own. Winner of the Electric Book Award Each chapter is fully illustrated by Christina Collins. "David Lynch meets Neil Gaiman meets Samuel Beckett and the Theater of the Absurd. Just as Dodge City is a place the narrator can never leave, Rice's book sucks you in and doesn't let you walk out of it intact, either." -Nick Antosca, author of *The Girlfriend Game, Midnight Picnic, & Fires* "With a draftsman's hand and a psychonaut's eye, Rice has mapped the alien precinct in which we already live. I've never encountered a book so strange yet so familiar. Writers such as William Burroughs and Samuel Delany may have helped prepare the ground, but this high-speed, controlled drift across it is all Rice's own." -Joanna Ruocco, author of *Dan & A Compendium of Domestic Incidents* "A vivid, precisely described nightmare filled with jokes for people who think nothing is funny anymore. Rice imagines American pop culture as a Hieronymus Bosch painting come to life, and he gives us a carnival barker's tour through a disturbing landscape of lost souls, vain ambitions, and distorted identities, ultimately finding a path to redemption through the spiritual wreckage." -Mark Beauregard, author of *The Whale: A Love Story* "Rice cares deeply about his characters and this comes out in every vignette. He doesn't follow the nihilistic postmodern structure by declaring that life is meaningless or hopeless. What we find is the presence of hope in all things, no matter how run-down they might appear on the surface." -Joe Halstead, author of *West Virginia* "Dodge City is a walk on the dark side of the contemporary imagination that reworks the post-realist storytellings of Donald Barthelme or Henri Michaux into a voice that is unique. A picaresque novel for the age of the Darknet and Tor." -Simon Pummell, director of *Bodysong & Identicals* "In his mind-boggling debut novel, Rice conjures a series of seemingly unassuming vignettes that read like a revelatory prose poem written by the Zodiac Killer. A celebration of what it means to know that you know that you can never know everything." -Mike Kleine, author of *Kanley Stubrick* "Don't enter into Rice's terrifying and hilarious fictional multiverse looking for causality, continuity, or logic, as we know them. A Room in Dodge City will plunge you into a nightmarish warren-maze where somewhere, amid the numberless trapdoors, inner chambers and branching halls on branching halls, a literary orgy is going down among the imaginative intellects of Blake Butler, Kathryn Davis, Haruki Murakami, Livia Llewellyn, and Robert Coover, refereed by Cronenberg and Lynch." -Adrian Van Young, author of *Shadows in Summerland & The Man Who Noticed Everything* "A Room in Dodge City warps the serial format to its own uncanny ends. Briskly paced with elegantly streamlined prose, the book follows its own impeccably strange and addictive dream logic." -Jeff Jackson, author of *Mira Corpora & Novi Sad* "Unsettling and unsettled, reading A Room in Dodge City is like reading Jakob von Gunten's dream journal the day after he'd stayed up late to watch High Plains Drifter and Videodrome." -Gabriel Blackwell, author of *Madeleine E*. "Brilliant, hilarious, and oh-so-romantic." —BuzzFeed "Swoony, steamy." —Entertainment Weekly The Hating Game meets Booksmart by way of Morgan Matson in this unforgettable romantic comedy about two rival overachievers whose relationship completely transforms over the course of twenty-four hours. Today, she hates him. It's the last day of senior year. Rowan Roth and Neil McNair have been bitter rivals for all of high school, clashing on test scores, student council elections, and even gym class pull-up contests. While Rowan, who secretly wants to write romance novels, is anxious about the future, she'd love to beat her infuriating nemesis one last time. Tonight, she puts up with him. When Neil is named valedictorian, Rowan has only one chance at victory: Howl, a senior class game that takes them all over Seattle, a farewell tour of the city she loves. But after learning a group of seniors is out to get them, she and Neil reluctantly decide to team up until they're the last players left—and then they'll destroy each other. As Rowan spends more time with Neil, she realizes he's much more than the awkward linguistics nerd she's sparred with for the past four years. And, perhaps, this boy she claims to despise might actually be the boy of her dreams. Tomorrow...maybe she's already fallen for him.

Two sworn enemies start to fall in love through anonymous notes in *How to Speak Boy*, a fun and charming YA novel from Tiana Smith.

Quinn and Grayson have been fierce speech and debate rivals for years. They can't stand one another, either in competition or in real life. But when their AP Government teacher returns their school assignments to the wrong cubbies, they begin exchanging anonymous notes without knowing who the other one is. Despite their differences, the two come together through their letters and find themselves unknowingly falling for the competition. Before the state tournament, the two of them need to figure out what they want out of life, or risk their own future happiness. After all, what's the point of speech and debate if you can't say what's in your heart?

A pair of fierce foes are forced to work together to save the arts at their school in this "enemies-to-lovers rom-com of my dreams" (Rachel Lynn Solomon, author of *Today Tonight Tomorrow*) that fans of Jenny Han and Morgan Matson are sure to adore. Lifelong rivals Natalie and Reid have never been on the same team. So when their school's art budget faces cutbacks, of course Natalie finds herself up against her nemesis once more. She's fighting to direct the school's first ever student-written play, but for her small production to get funding, the school's award-winning band will have to lose it. Reid's band. And he's got no intention of letting the show go on. But when their rivalry turns into an all-out prank war that goes too far, Natalie and Reid have to face the music, resulting in the worst compromise: writing and directing a musical. Together. At least if they deliver a sold-out show, the school board will reconsider next year's band and theater budget. Everyone could win. Except Natalie and Reid. Because after spending their entire lives in competition, they have absolutely no idea how to be co-anything. And they certainly don't know how to deal with the feelings that are inexplicably, weirdly, definitely developing between them...
