From 1985 to 1995, the syndicated comic strip Calvin and Hobbes followed the antics of a precocious six-year-old boy and his sardonic stuffed tiger. At the height of its popularity, the strip ran in more than 2,400 newspapers and generated a fan base that continues to run in the millions. This critical analysis of Calvin and Hobbes explores Calvin's world and its deep reservoir of meanings. Close readings of individual strips highlight the profundity of Calvin's world with respect to a number of life's big questions, including the things that one values, friendship, God, death, and other struggles in life. By engaging with Calvin and Hobbes as more than "just" a comic strip, this work demonstrates how the imagination remains an invaluable resource for making sense of the world. Instructors considering this book for use in a course may request an examination copy here.

A Novel Andrews McMeel Publishing

Collecting the hit mini-series, Spencer & Locke follows hard-boiled Detective Locke as he investigates a brutal murder with the strangest of partners -- his childhood imaginary panther, Spencer. But when they face brutal gunfights, deadly car chases and memories of Locke's traumatic youth, can this unlikely pair survive long enough to find the truth?

The imaginative Calvin and his pet stuffed tiger, Hobbes, take part in death-defying battles with aliens, meditate on the meaning of life, terrorize little Susie, and question parental authority.

Yukon Ho! McFarland

Reprising the wide-open landscape format of, *The Days Are Just Packed*, *Homicidal Psycho Jungle Cat* chronicles another segment of the multifarious adventures of this wild child and his faithful, but skeptical, friend. If the best cartoons compel readers to identify themselves within the funny frames, then all who enjoy Calvin and Hobbes are creative, imaginative, and ... bad, bad, bad! Calvin, the irascible little boy with the stuffed tiger who comes to life are a pair bound for trouble. Boring school lessons become occasions for death-defying alien air battles, speeding snow sled descents elicit philosophical discussions on the meaning of life, and Hobbes's natural inclination to pounce on his little friend wreaks havoc on Calvin's sense of security. Calvin's the kid we all wish we'd been. Sassy, imaginative, far more verbal than his parents can manage, Calvin is the quintessential bad boy -- and the boy we love to see. He terrorizes little Susie, offers "Candid Opinions" from a neighborhood stand, and questions his parents' authority. "What assurance do I have that your parenting isn't screwing me up?" he demands. Calvin and Hobbes manages to say what needs to be said about childhood and life: "Eww, mud," says Calvin. "Look at this gooshy, dirty, slimy, thick, wet mud ... Bleecch ... Talk about a kid magnet!"

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Homicidal Psycho Jungle Cat: A Calvin and Hobbes

Collection." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Richard Thompson is renowned among cartoonists as an "artist's" cartoonist. Little known to all but those close to him is the extent of his art talent. This is the book that will enlighten the rest of us and delight us with the sheer beauty of his work. Divided into six sections, each beginning with an introductory conversation between Thompson and six well-known peers, including Bill Watterson, the book will present Thompson's illustration work, caricatures, and his creation, Richard's Poor Almanack. Each section is highly

illustrated, many works in color, most of them large and printed one-to-a-page. The diversity of work will help cast a wider net, well beyond Cul de Sac fans.
