This book contains Edith Wharton's first novella and the second book she ever wrote, 'The Touchstone'. This narrative follows Stephen Glennard, a young man whose destitution leads him into a dubious money-making scheme which he embarks on so that he can afford to marry the woman he loves. After seeing an advertisement seeking any papers or correspondences related to a recently deceased author that he had been in communication with, he snaps up the opportunity. A tale of how social strata, money, and self-deprecation can impact love, 'The Touchstone' is well worth a read and is not to be missed by fans and collectors of Wharton's prolific work.
