Plunkett Research,  
Ltd.  
As U.S. and  
Canadian  
automakers and  
dealers face  
bankruptcy and/or  
unprecedented  
downsizing, Lemon-  
Aid guides steer the  
confused and anxious  
buyer through the  
economic meltdown  
unlike any other car  
and truck books on  
the market. Phil  
Edmonston,  
Canada ' s  
automotive " Dr.  
Phil " for more than  
35 years, pulls no  
punches. This  
compendium of  
everything that ' s  
new in cars and  
trucks is packed with  
feedback from  
Canadian drivers,  
insider tips, internal  
service bulletins, and  
confidential memos

to help the consumer  
select what ' s safe,  
reliable, and fuel-  
frugal. Know all  
about profit margins,  
rebates, and safety  
defects. And when  
things go wrong, fight  
back! Lemon-Aid ' s  
complaint tactics,  
sample letters,  
Internet gripe sites,  
and winning  
jurisprudence will get  
you attention — and  
a refund!

forces are at work. They push and shove on everything you buy or sell. They affect every concept you want to take to market, all the suppliers you'll deal with, and every customer you'll ever see. To be successful, you need to understand them. See them in detail in ways not possible with other methods. Hypernomics:

Using Hidden Dimensions to Solve Unseen Problems discovers that markets behave according to previously unknown laws set by the buyers and sellers within them. It reveals those rules and how to detect, describe, and deploy them to your advantage. It doesn't change economics so much as reveal it. It's like a microscope looking at

pond water, a telescope tilted to the sky, sonar scanning the bottom of the ocean. Hypernomics lets you see into markets in ways you can't with the unaided eye. Sailors never navigate without a map. You shouldn't either, since your ship could wind up on the rocks. Hypernomics gives you the means to create market maps that show you where they

---

have openings and how to fill them by giving customers what they want, don't have, and can afford. It finds their thresholds and limits and responses to every possible feature in any product you can offer. The interactions Hypernomics describes have been with us since the dawn of humanity. Now you can finally see them and enjoy the

advantages your competitors do not have. Validated by 13 published papers, multiple awards, a patent, and customers such as NASA, Lockheed Martin, Virgin Galactic, and a restaurant down the street, only Hypernomics gives you the ability to solve problems as varied as How could a restaurant increase revenue by 25% by

rearranging seating? How do you find, describe, and capitalize on open spaces in your market? What happens when an NFL player decreases his forty-yard dash time by a quarter of a second? If you tried to exceed a market's limitations, how could you lose \$1B? How do markets change over time? Know what you need to. Discover Hypernomics. *2018 Toyota Camry Owner Manual*

time gearheads  
(who may not  
know as much as  
they think).  
Toyota  
Corolla  
Dundurn

---

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production

following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles

rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated

---

models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

**The Complete Book of Ford Mustang**

Haynes Manuals N. America,

Incorporated Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to

make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.
