Win Entangled: Brazen

North Jersey Shore towns such as Long Branch, Ocean Grove, Red Bank and Atlantic Highlands began as quiet retreats for pious New Yorkers wishing to escape the vice and crime of the city. However, with the passage of Prohibition in 1919, the region became a haven for criminals who began smuggling liquor through the serene seaside. Speakeasies sprang up on virtually every corner, as gangsters like Vito Genovese, Charles Luciano and Meyer Lansky ruled this brutal underworld, taking advantage of the criminal opportunity of a lifetime. The police and politicians were in their pockets, while civilians were caught in the crossfire of gun battles between rival syndicates. Discover the true drama that captured the Jersey Shore during Prohibition.

In this #1 New York Times bestselling thriller from Harlan Coben, a dead man's secrets fall into the hands of a vigilante antihero—drawing him down a dangerous road. Over twenty years ago, the heiress Patricia Lockwood

was abducted during a robbery of her family's estate, then locked inside an isolated cabin for months. Patricia escaped, but so did her captors — and the items stolen from her family were never recovered. Until now. On the Upper West Side, a recluse is found murdered in his penthouse apartment, alongside two objects of note: a stolen Vermeer painting and a leather suitcase bearing the initials WHL3. For the first time in years, the authorities have a lead — not only on Patricia's kidnapping, but also on another FBI cold case — with the suitcase and painting both pointing them toward one man. Windsor Horne Lockwood III — or Win, as his few friends call him — doesn't know how his suitcase and his family's stolen painting ended up with a dead man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism — and that the conspirators may still be at large. The two cases have baffled the FBI for decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.

"They are three brothers, all navy men, who end up coincidentally and extraordinarily at the epicenter of three of World War II's most crucial moments. Bill is tapped by Franklin D. Roosevelt to run the first Map Room in Washington. Benny is the gunnery and anti-aircraft officer on the USS Enterprise, one of the only ships to escape Pearl Harbor and, by the end of 1942, the last aircraft carrier left in the Pacific to defend against the Japanese. Barton, the youngest, gets a plum commission in the Navy Supply Corps because his mother wants him out of harm's way. But this protection plan backfires when Barton is sent to the Philippines and listed as missing-in-action after a Japanese attack. Now it is up to Bill and Benny to rescue him. Based on ten years of research drawn from archives around the world, interviews with fellow shipmates and POWs, and letters half-forgotten in basements, **The Jersey Brothers** whisks readers from America's front porches to Roosevelt's White House, from Pearl Harbor to Midway and Bataan, and from the Pacific battlefronts to the stately home of a fierce New Jersey mother. At its heart **The Jersey Brothers** is a family story, written by one of its own in intimate, novelistic detail. It is a remarkable tale of agony and triumph; of an ordinary young man who shows extraordinary courage as the enemy does everything short of killing him; and of brotherly love tested under the tortures of war."--Jacket.

#1 NEW YORK TIMES BEST SELLER • John Grisham takes you to a different kind of court in his first basketball novel. **Samuel "Sooley"** Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. “ Hard to put down ... the pages turn quickly ... building to a climax that won ’ t leave readers doubting whether this is a John Grisham novel. ” —Associated Press In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it ’ s just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn ’ t immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he ’ s dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham ’ s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

A fast-paced mystery where *Murder on the Orient Express* meets the Tour de France—someone's killing off cyclists one by one. There are cyclists willing to die to win a single stage of the Tour, taking suicidal descents at more than 90 kilometers per hour, but now I know there are cyclists willing to kill to win. Marc Moreau, a professional cyclist with a military past, is part of a top Tour de France team led by his best friend, an American star favored to win this year's Tour. But the competition takes a dark turn when racers begin to drop out in a series of violent accidents: a mugging that ends in an ankle being crushed, a nasty bout of food poisoning, and a crash caused by two spectators standing where they shouldn't. The teams and their entourages retreat into paranoid lockdown even as they must continue racing each day. The mountain inclines grow steeper and the accidents turn deadlier: a suspicious suicide, an exploded trailer, a loose wheel at the edge of a cliff. Marc agrees to help the French police with their investigations from the inside and becomes convinced that the culprit is a cyclist who wants to win at any cost. But as the victim count rises, the number of potential murderers—and potential champions—dwindles. Marc begins to have the sickening realization that his own team has been most favored by the murderer's actions, and in the final stages of the race Mark himself emerges as the only cyclist left who could possibly beat his best friend and win the Tour. Whom can Marc trust? Whom should he protect? What decision will he make if he's asked to choose between justice, loyalty, and glory?
