The Negro Motorist Green Book Entangled: Brazen
Winner of: The Pulitzer Prize The National Book Critics Circle Award The Anisfield-Wolf Book Award The Jon Sargent, Sr. First Novel Prize A Time Magazine #1 Fiction Book of the

Year One of the best books of 2007 according to: The New York Times, San Francisco Chronicle, New York Magazine, Entertainment Weekly, The Boston Globe, Los Angeles Times, The Washington Post, People, The Village Voice, Time Out New York, Salon, Baltimore City Paper, The Christian Science Monitor, Booklist, Library Journal, Publishers Weekly, New York Public Library, and many more... Nominated as one of America's best-loved novels by PBS's The Great American Read Oscar is a sweet but disastrously overweight ghetto nerd who—from the New Jersey home he shares with his old world mother and rebellious sister—dreams of becoming the Dominican J.R.R. Tolkien and, most of all, finding love. But Oscar may never get what he wants. Blame the fukú—a curse that has haunted Oscar's family for generations, following them on their epic journey from Santo Domingo to the USA. Encapsulating Dominican-American history, *The Brief Wondrous Life of Oscar Wao* opens our eyes to an astonishing vision of the contemporary American experience and explores the endless human capacity to persevere—and risk it all—in the name of love. Can I Keep My Jersey? Anchor From iconic NBA All-Star Carmelo Anthony comes a New York Times bestselling memoir about growing up in the housing projects of Red Hook and

Baltimore—a brutal world Where
Tomorrows Aren ' t Promised. For a long
time, Carmelo Anthony ' s world wasn ' t
any larger than the view of the hoopers
and hustlers he watched from the side
window of his family ' s first-floor project
apartment in Red Hook, Brooklyn. He
couldn ' t dream any bigger than emulating
his older brothers and cousin, much less
going on to become a basketball champion
on the world stage. He faced palpable
dangers growing up in the housing
projects of Red Hook and West
Baltimore ' s Murphy Homes (a.k.a.
Murder Homes, subject of HBO ' s The
Wire). He navigated an education system
that ignored, exploited, or ostracized him.
He suffered the untimely deaths of his
closely held loved ones. He struggled to
survive physically and emotionally. But
with the strength of family and the
guidance of key mentors on the streets
and on the court, he pushed past lethal
odds to endure and thrive. By the time
Carmelo found himself at the NBA Draft at
Madison Square Garden in 2003 preparing
to embark on his legendary career, he
wondered: How did a kid who ' d had so
many hopes, dreams, and expectations
beaten out of him by a world of violence,
poverty, and racism make it here at all?
Carmelo ' s story is one of strength and
determination; of dribbling past players

bigger and tougher than him, while also
weaving around vial caps and needles
strewn across the court; where dealers
and junkies lined one side of the asphalt
and kids playing jacks and Double Dutch
lined the other; where rims had no nets,
and you better not call a foul—a place
Where Tomorrows Aren ' t Promised.

The Story of the Mullica

River Running Press Adult
In The Process Is The
Product, Paul Shirley
outlines his philosophy
around building processes --
a theory developed thanks to
a wide-ranging life that has
included an engineering
degree, a writing career, and
several stops in the NBA.
Featuring plenty of humor,
humility, and outside
sources, this is a book
designed to equip readers
with the tools to break big
projects into smaller tasks
while learning to love the
work along the way.

Jersey Genesis Entangled: Brazen

An electrifying biography of one of the most

extraordinary scientists of the twentieth century
and the world he made. The smartphones in
our pockets and computers like brains. The
vagaries of game theory and evolutionary
biology. Nuclear weapons and self-replicating
spacecrafts. All bear the fingerprints of one
remarkable, yet largely overlooked, man: John
von Neumann. Born in Budapest at the turn of
the century, von Neumann is one of the most
influential scientists to have ever lived. A child
prodigy, he mastered calculus by the age of
eight, and in high school made lasting
contributions to mathematics. In Germany,
where he helped lay the foundations of
quantum mechanics, and later at Princeton,
von Neumann ' s colleagues believed he had
the fastest brain on the planet—bar none. He
was instrumental in the Manhattan Project and
the design of the atom bomb; he helped
formulate the bedrock of Cold War geopolitics
and modern economic theory; he created the
first ever programmable digital computer; he
prophesized the potential of nanotechnology;
and, from his deathbed, he expounded on the
limits of brains and computers—and how they
might be overcome. Taking us on an
astonishing journey, Ananyo Bhattacharya
explores how a combination of genius and
unique historical circumstance allowed a single
man to sweep through a stunningly diverse

array of fields, sparking revolutions wherever he went. The Man from the Future is an insightful and thrilling intellectual biography of the visionary thinker who shaped our century. *The Jersey Brothers* Simon and Schuster A #1 New York Times bestseller and the first novel in a brand-new series—from bestselling author Abbi Glines—about a small Southern town filled with cute boys in pickup trucks, Friday night football games, and crazy parties that stir up some major drama. To everyone who knows him, West Ashby has always been that guy: the cocky, popular, way-too-handsome-for-his-own-good football god who led Lawton High to the state championships. But while West may be Big Man on Campus on the outside, on the inside he's battling the grief that comes with watching his father slowly die of cancer. Two years ago, Maggie Carleton's life fell apart when her father murdered her mother. And after she told the police what happened, she stopped speaking and hasn't spoken since. Even the move to Lawton, Alabama, couldn't draw Maggie back out. So she stayed quiet, keeping her sorrow and her fractured heart hidden away. As West's pain becomes too

much to handle, he knows he needs to talk to someone about his father—so in the dark shadows of a post-game party, he opens up to the one girl who he knows won't tell anyone else. West expected that talking about his dad would bring some relief, or at least a flood of emotions he couldn't control. But he never expected the quiet new girl to reply, to reveal a pain even deeper than his own—or for them to form a connection so strong that he couldn't ever let her go...

Crashed Out Can I Keep My Jersey? 11 Teams, 5 Countries, and 4 Years in My Life As a Basketball Vagabond

A Missing Naval Officer in the Pacific and His Family's Quest to Bring Him Home Harmony Synopsis I Gave My Heart to A Jersey Killa Haven Banks is the deadliest man in Jersey, and he loves it. The fear and pain he inflicts on people gives him a high he can't come down from. However; he will meet his match in the last person he expected. Never backing down from another, things become chaotic and Haven will find out not everyone is who they say. Armonie loves her boyfriend of two years but what happens when love isn't enough? She struggles to keep her relationship in tact even though the man could care less. His purpose of being in her life this long, has nothing to do with

love. However; Armonie finds out too late and he refuses to let go until he gets what he came for. VJ Davis is a legit businessman and will tell you the street life isn't for him. That is until he meets a woman who captivates him from the very beginning. Unfortunately, he has a woman in his life, who is not going to allow anyone to take her spot in his life. When the truth comes out, only one of them will remain standing.

Sooley Random House

* WINNER OF THE 2020 TELEGRAPH SPORTS BOOK AWARDS CYCLING BOOK OF THE YEAR* Discover this 100-year anniversary celebration of the hardest-earned and most sacred prize in sport, the Tour de France's Yellow Jersey. In 2019, the cycling world will celebrate the 100th anniversary of sport's most iconic and distinguished prize: the Yellow Jersey. Beautifully produced and packed full of interviews with riders such as Chris Froome, Thomas Voeckler and the oldest living wearer of the Yellow Jersey at 94, Antonin Rolland, The Yellow Jersey is a fitting celebration of the 'maillot jaune'. In 1919 the leading rider was first instructed to wear the Yellow Jersey, following a campaign from fans and journalists who were struggling to identify the winning rider. 100 years on, the jersey has passed into almost sacred status. You'll never see an amateur rider wearing yellow - it is reserved purely for those who have sacrificed themselves in the world's greatest race. Cossins will take the reader on a journey to the origins of the jersey and its early winners. He'll explore the effect of

wearing yellow as a motivator and occasionally as a curse. Beautifully produced with original photography, The Yellow Jersey is an exquisite tribute to the greatest trophy in sport. 'Without doubt the most beautiful book to land on our desk this year... we can't recommend this book enough' Cycling Weekly

The Jersey MP Esham

The phenomenal International Number One Bestseller with exclusive interviews with Richie McCaw, Steve Hansen, Beauden Barrett and Dan Carter, The Jersey is the first definitive story behind the greatest sports team on the planet. 'Extremely well written. Compelling, accurate, insightful and brilliant in the way it captures the New Zealand way. - John Hart, former All Blacks coach. With a better winning record than any other sports team in history, they stand head and shoulders above their nearest rugby rivals. How did a country of just 4.8 million people conquer the world? Peter Bills, who has reported on international rugby for more than forty years, was given exclusive access to all the key figures in New Zealand rugby as he set out to understand the secrets behind the All Blacks success. From Steve Hansen to Beauden Barrett, Richie McCaw to the late Sir Colin Meads, Peter Bills talked at length with over ninety people, both in New Zealand and around the world, with intimate knowledge of what makes the All Blacks tick. This is a story of the first settlers, and the 'Originals' who forged the All Blacks legacy, right through to modern times. It draws heavily on the contributions made by all

New Zealanders: players, coaches, officials, supporters and those who have worn the most recognized jersey in the world. Intrinsically, The Jersey goes to the heart of the All Blacks success. It is also an epic story of not just a rugby team but a nation, whose identities are inextricably linked. Additionally, it debates a question, terrifying for any of their opponents. Could the All Blacks get even better?

11 Teams, 5 Countries, and 4 Years in My Life as a Basketball Vagabond W. W.

Norton & Company

Vinny Guadagnino, star of Jersey Shore, discusses his lifelong struggle to control the effects of social anxiety and stress, and teaches readers the tools and techniques he's used to stay calm and maintain his sanity in all types of crazy situations--both on and off the show. For more than a decade Vinny has been keeping a secret from his family, his friends, his castmates, and his fans: the fact that he's not as carefree and stress-free as he appears. Vinny suffers from panic attacks that strike without warning. They plagued him throughout his teens, forced him to move home from college, and tormented him during the first season of Jersey Shore. After fleeing the set during the filming of

the fifth season of the show, Vinny realized he could no longer keep his problems to himself. It was time to speak out. In this book, Vinny discusses how he's confronted his demons head on, and he gives readers the tools to do so themselves. For the millions of his fans who are also feeling overwhelmed with the world around them and by their own thoughts, Vinny offers a practical plan for taking control of your life, your body, and your mind.

Gangsters on Vacation Kimani Press

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added

employment to members of our race.

Wound Tight World Book

Forced to kill a stranger who attacks her while looking for her missing cousin, third-generation trucker Hazel Moran, goes in search of her missing cousin, Micah, and her father's Freightliner, also missing.

#1 NEW YORK TIMES BEST SELLER •

John Grisham takes you to a different kind of court in his first basketball novel.

Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. “Hard to put down ... the pages turn quickly ... building to a climax that won’t leave readers doubting whether this is a John Grisham novel.” —Associated Press In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing

vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it’s just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn’t immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he’s dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family?

Gripping and moving, Sooley showcases John Grisham’s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

New Jersey Family Law Simon and Schuster

"They are three brothers, all navy men, who end up coincidentally and extraordinarily at the epicenter of three of World War II's most crucial moments. Bill is tapped by Franklin D. Roosevelt to run the first Map Room in Washington. Benny is the gunnery and antiaircraft officer on the USS Enterprise, one of the only ships to escape Pearl Harbor and, by the end of 1942, the last aircraft carrier left in the Pacific to defend against the Japanese. Barton, the youngest, gets a plum commission in the Navy Supply Corps because his mother wants him out of harm's way. But this protection plan backfires when Barton is sent to the Philippines and listed as missing-in-action after a Japanese attack. Now it is up to Bill and Benny to rescue him. Based on ten years of research drawn from archives around the world, interviews with fellow shipmates and POWs, and letters half-forgotten in basements, *The Jersey Brothers* whisks readers from America's front porches to Roosevelt's White House, from Pearl Harbor to Midway and Bataan, and from the Pacific battlefronts to the stately home of a fierce New Jersey mother. At its heart *The Jersey Brothers* is a family story, written by one of its own in intimate, novelistic detail. It is a remarkable tale of agony and triumph; of an ordinary young man who shows

extraordinary courage as the enemy does everything short of killing him; and of brotherly love tested under the tortures of war."--Jacket.

The Man from the Future: The Visionary Life of John von Neumann Random House

Explores haunted places, local legends, crazy characters, and unusual roadside attractions found in New Jersey.

Jersey Six Grand Central Publishing

Dorothy Parker, Bebe Neuwirth, Sandra Dee, Susan Sarandon, Meryl Streep--there are endless examples of Jersey Girls who prove they are a breed of broad worth celebrating. New Jersey is in the media everywhere these days, with no fewer than seven major television shows focusing on Jersey culture. Cool, confident Jersey Girls have inspired far beyond the boundaries of Bayonne, and now their moxy and mighty hair have propelled them to star status. Jersey Girls is an edgy, hip, and loving homage that profiles the likes of Hollywood's A-list in exclusive interviews as well as the famous-in-their-own-right "down-the-shore" girls. All the hot topics are covered, from style at the shoreline to Jersey Girl "Tawk." Illustrated with a brashy mix of vintage and modern photography, the book takes us from Atlantic City to the George Washington Bridge to capture the spirit of the true Jersey Girl.

How a Sports-Mad Kid from Jersey Became Like Family to Generations of Big Leaguers

Random House Digital, Inc.

In a revealing account of what it is really like to try to make it in the NBA, a basketball journeyman details his years playing in the NBA and around the world, offering entertaining anecdotes and commentary on which the team has the best cheerleaders, why Christ is taking over the NBA, and why his IQ has dropped since he began hanging out with professional athletes. Reprint. 30,000 first printing.

New Jersey Foreclosure Law & Practice 2017 Villard Books

He's been called a journeyman. Even Paul wouldn't dispute that classification.

Regardless, Bill Simmons, ESPN's "The Sports Guy," has said of Paul Shirley, "We could finally have an answer to the question 'What would it be like if one of our friends was an NBA player?'" There's no denying that Paul Shirley is the closest thing pro basketball's got to Odysseus. In Homeric fashion, he has logged time practically everywhere in the roundball universe, from six NBA cities to pro leagues in Spain and Greece to North America's pro ball Siberia, the minor leagues. Hell, he's even played in the real Siberia. And in Can I Keep My Jersey?,

Shirley finally puts down roots long enough to deliver one of the great locker-room chronicles of the modern age. With sharp elbows and an even sharper wit, Shirley--whose writings have been described as "wildly entertaining" by The Wall Street Journal--drops hilarious commentary, revealing which teams have the best cheerleaders (he's spent many a time-out watching them ply their trade), why Christ is rapidly becoming every team's "sixth man," and even the best ways to get bloodstains out of your game uniform, using only an ordinary bar of soap and a hotel bathroom sink. From sharing the court with Kobe and Shaq to perusing the food court at some mall in a bush-league burg; from taking pregame layups to getting laid out by a stray knee from an NBA power forward; from hopping a limo to the team's charter jet to dashing to catch the van home from a B-league game in Tijuana, Shirley dishes on what it's like to try to make it as a professional athlete. Can I Keep My Jersey? is a rollicking, thoughtful, even thought-provoking insider's look at a pro baller's life on the fringe. Like Jim Bouton's Ball Four or John Feinstein's A Season on the

Brink, Shirley's odyssey deserves to find a home on every sports fan's bookshelf.

A Novel Entangled: Brazen

In this #1 New York Times bestselling thriller from Harlan Coben, a dead man's secrets fall into the hands of a vigilante antihero—drawing him down a dangerous road. Over twenty years ago, the heiress Patricia Lockwood was abducted during a robbery of her family's estate, then locked inside an isolated cabin for months. Patricia escaped, but so did her captors — and the items stolen from her family were never recovered. Until now. On the Upper West Side, a recluse is found murdered in his penthouse apartment, alongside two objects of note: a stolen Vermeer painting and a leather suitcase bearing the initials WHL3. For the first time in years, the authorities have a lead — not only on Patricia's kidnapping, but also on another FBI cold case — with the suitcase and painting both pointing them toward one man. Windsor Horne Lockwood III — or Win, as his few friends call him — doesn't know how his suitcase and his family's stolen painting ended up with a dead man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism — and that the conspirators may still be at large. The two cases have baffled the FBI for

decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.

My Plan to Stop Stressing, Avoid Drama, and Maintain Inner Cool Pinnacle Books

How far would you go for revenge? A hit-and-run accident leaves Jersey Six orphaned and homeless on the streets of Newark, shattering her dreams of school dances, pink nail polish, and a diploma. Eight years later, a burn victim with amnesia wanders into Jersey's barely-existent life. She resists his efforts to form a friendship until he reveals knowledge of the person responsible for derailing her future. Through their unusual friendship, she discovers a way to avenge the deaths of her foster parents. All she has to do is destroy the world's biggest rock star. In the ultimate game of sex, lies, and manipulation, can Jersey discover the truth? Or will she be blinded by attraction, deceived by love, and destroyed by her past?
