Bombardier CRJ100/200 - Wikipedia

Bombardier CRJ 700 Detail Pack Included If you are just flying around for fun and want somewhere "to go" or if you need to to launch the FSFlyingSchool Manual (this document you are reading) in PDF format.

TRANSMITTAL LETTER REVISION 8 - Bombardier Inc. The CRJ family has its origins in the design of the earlier Canadair Challenger business jet. During the late 1970s, the relatively wide fuselage of the Challenger, which could comfortably seat a pair of passengers on each side of a central aisle, was observed by some Canadair officials to suggest that it would be somewhat straightforward to produce a stretch of the aircraft for the purpose of accommodating more seats.
