These ski guide courses are designed to prepare students for the courses run by the Association of Canadian Mountain Guides Training and Assessment programme. They are recommended for students who are in their apprenticeship year between exams, or who are scheduled to attend the ACMG TAP apprentice or full exam this season. Students who have completed ACMG Rock or Alpine Guide exams may

be allowed on these courses as well.

Mountain Guide Preseason Training Program

Once accepted on the scheme, a BMG Trainee Guide is supported through a series of rigorous training courses and tests in the disciplines of rock climbing, winter climbing, alpinism, off-piste ski-ing, ski-touring, avalanche safety,

and coaching. Find out how to apply. "Mountain Guides lives are linked by a love and profession to the mountains, and their company will enhance the experience of all those who wish to approach the mountains and learn."
