Human Kinetics

The #1 Canadian and only 100% Canadian-authored Organizational Behaviour text has been thoroughly updated and finely tuned to reflect the continuous changes Canadian organizations face in today's business world. There's a revolution going on in the workplace. Knowledge is replacing infrastructure. Self-leadership is replacing direct supervision. Networks are replacing hierarchies. Virtual teams are replacing committees. Companies are looking for employees with emotional intelligence, not just technical smarts. Globalization has become the mantra of corporate survival. Co-workers aren't just down the hall; they're at the other end of an Internet connection. Canadian

Organizational Behaviour (COB) is written with this revolution in mind

Universal Theories and Local Realities Pearson Education Canada

The issue of what defines project success (or failure) is complex and often elusive, and dependent on the perceptions of different stakeholders. In this enlightening book Emanuel Camilleri examines the key factors bearing on perceived success or failure. This book is not just about project management, it goes much deeper into the topic of project success by prescribing a project success framework. In chapters dedicated to factors such as leadership, teams, communication, information management and risk management, the author shines a light on the key behaviours in which project managers and others engage and how those behaviours predict success or failure. Practising project managers, project board members and

sponsors, struggling to manage conflicting stakeholder expectations, complexity and ambiguity, will learn which factors are vital to determining successful outcomes. Finally, having highlighted the particular skills, abilities and attributes identified by the research, Dr Camilleri offers a diagnostic model for assessing an organization's preparedness for undertaking and successfully managing major projects. Project Success provides a valuable contribution to the literature on this subject, and its application delivers practical guidance that will be welcomed by project professionals at all levels.

Reframing Organizations Irwin Professional Publishing

Organizational Behavior in Health Care was written to assist those who are on the frontline of the industry everyday—healthcare managers who must motivate and lead very diverse populations in a constantly changing environment. Designed for graduate-level study, this book introduces the reader to the behavioral science literature relevant to the study of individual and group behavior, specifically in healthcare organizational settings. Using an applied focus, it provides a clear and concise overview of the essential topics in organizational behavior from the healthcare manager's perspective. Organizational Behavior in Health Care examines the many aspects of organizational behavior, such as individuals' perceptions and attitudes, diversity, communication, motivation, leadership, power, stress, conflict management, negotiation models, group dynamics, team building, and managing organizational change. Each chapter contains learning objectives, summaries, case studies or other types of activities, such as, self-assessment exercises or evaluation.

Case Studies for Social Change Taylor & Francis

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

Organizational Behavior CRC Press

ORGANIZATIONAL COMMUNICATION: APPROACHES AND PROCESSES presents organizational communication from both a communication and managerial perspective. Professor Miller's clear writing style and consistent use of examples and case studies result in a text that you'll find easy to understand. Recruitment and Selection in Canada IGI Global

This second edition of the best-selling textbook on Work Motivation in Organizational Behavior provides an update of the critical analysis of the scientific literature on this topic, and provides a highly integrated treatment of leading theories, including their historical roots and progression over the years. A heavy emphasis is placed on the notion that behavior in the workplace is determined by a mix of factors, many of which are not treated in texts on work motivation (such as frustration and violence, power, love, and sex). Examples from current and recent media events are numerous, and intended to illustrate concepts and issues related to work motivation, emotion, attitudes, and behavior.

Work Motivation in Organizational Behavior [Whitby, Ont.] : McGraw-Hill Ryerson

The Nelson Series in Human Resources Management is the best source in Canada for reliable, valid, and current knowledge about practices in HRM. Recruitment and Selection in Canada, Fifth Edition, is designed to meet the needs of both students and practitioners working in human resources or personnel psychology. It provides an up-to-date review of the current issues and methodologies that are used in recruiting and selecting employees for Canadian organizations.

Dilemmas of Workplace Diversity University of Toronto Press

In their substantially revised Third Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. Acclaimed for its readability and presentation of current knowledge, this textbook's philosophy is that OB knowledge is for everyone, not just traditional managers. The new reality is that everyone -- sales representatives, production employees, physicians -- needs OB knowledge to successfully work in and around organizations. Organizational Behavior, 3rd Edition, is unparalleled in its ability to engage students by bringing cutting edge OB concepts closer to reality through the 'theory-practice link' approach. McShane and Von Glinow help readers connect OB theories to emerging workplace realities through hundreds of fascinating real-life stories from across the United States and around the world. McShane/Von Glinow's Organizational Behavior 3rd Edition also continues to be the source of the hottest topics, such as: workaholism, virtual teams, corporate social responsibility, Schwartz's values model, innate drives theory, workplace emotions, executive coaching, guanxi, appreciative inquiry, social identity theory, workplace bullying, workplace justice, and much, much, more.

Organizational Behavior Thomson South-Western

Some of the more troublesome and disturbing aspects of workplace diversity are illuminated in this volume - individual and

institutional resistance, the effectiveness of diversity change efforts and the less visible ways in which exclusion and discrimination continue to be practised in the workplace. To help the reader understand some of these dilemmas, the contributors adopt a number of theoretical frameworks which are striking departures from traditional perspectives on diversity. These include: intergroup relations theory; critical theory; Jungian psychology; feminism; post-colonial theory; cultural history; postmodernism; realism; institutional theory; and class analysis. In addition, they examine different organizational *Organizational Behaviour in a Global Context* Cengage Learning

Note : You are purchasing a standalone product; MyLab Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. *Organizational Behaviour*, Eighth Canadian edition, is truly a Canadian product. While it draws upon the strongest aspects of its American cousin, it expresses its own vision and voice. It provides the context for understanding organizational behaviour (OB) in the Canadian workplace and highlights the many Canadian contributions to the field. Subject matter reflects the broad multicultural flavour of Canada and also highlights the roles of women and visible minorities in the workplace. Examples reflect the broad range of organizations in Canada: large, small, public and private sector, unionized and non-unionized. [Managing the Organizational Melting Pot](#) Human Kinetics

This book introduces the reader to terms and concepts that are necessary to understand OB and their application to modern organizations. It also offers sufficient grounding in the field that enables the reader to read scholarly publications such as HR, CMR, and AMJ. This edition features new material on emotional intelligence, knowledge management, group dynamics, virtual teams, organizational change, and organizational structure.

Organizational Behavior in Health Care Lulu.com

Organizational Behavior for School Leadership provides a theoretical and practical framework to help emerging leaders build the mental models they need to be effective. Presenting traditional, modern, and contemporary perspectives, each chapter offers opportunities for readers to reflect on the ideas and apply their leadership perspective and skills to their own work settings. In this way, this important book helps graduate students in educational leadership understand organizational situations and circumstances, an essential step in making appropriate decisions about people, school operations, and the community that generate improved student and teacher outcomes. Special features include: Guiding questions—chapter openers to initiate student thinking. Case studies and companion rubrics—engage students in applying content to real-life school scenarios with guiding rubrics to help think through answers. Reflections and relevance—interactive learning activities, simulations, and graphic assignments deepen readers' understanding. PSEL Standards—each chapter aligns with the 2015 Professional Standards for Educational Leaders. Companion website—includes case studies and rubrics, supplementary materials, additional readings, and PowerPoint slides for instructors.

Organizational Behavior in Sport Management John Wiley & Sons

Organizational Behavior in Sport Management provides numerous real-life examples from organizations and immerses students in the key behavioral issues that those in sport organizations face today. The text comes with an instructor guide that offers many useful tools to help instructors enhance students' learning.

[A Primer on Organizational Behavior](#) Prentice Hall

Sixth Edition Named a 2013 Doody's Essential Purchase! A detailed road map of essential knowledge for obtaining licensure and employment as a nursing home administrator, the Seventh Edition of this classic text is updated to reflect the 2014 National Association of Boards of Examiners of Nursing Home Administrators (NAB) Domains of Practice. With more than 50 new topics, it comprehensively addresses all new regulations for managing a nursing facility along with a detailed overview of the skills and knowledge required to be a successful administrator. The Seventh Edition responds to the many changes that have recently occurred in the long-term care field. It provides a completely new Minimum Data Set 3.0 (MDS), 2015 Federal Requirements for Electronic Records, the new International Classification of Diseases, Tenth Revision, Clinical Modification (ICD-10-CM), new Quality Measures, updated Instructions for Making Data as per the Centers for Medicare and Medicaid, the impacts of the Affordable Care Act (ACA), and several new federal regulations. The Seventh Edition clearly describes what nursing home managers do, how they think, and how they lead. It breaks down the art of management into its basic tasks—forecasting, planning, organizing, staffing, directing, controlling quality, innovating, and marketing—and examines them in depth. The text pinpoints all of the separate components of nursing home administration—management, human resources, team dynamics, conflict resolution, finance and business, industry laws and regulations, and patient care—and describes how they fit together to form the coordinated activity set required of a successful nursing home administrator. Abundant real-life case studies, chapter objectives, and critical thinking questions greatly enhance learning. Mastering this text will prepare students to take—and pass with a depth of understanding—the nationally required NAB examination. New to the Seventh Edition: 2014 updated NAB Domains of Practice: Management, Human Resources, Finance, Environment, and Resident Care Introduces over 50 new topics including team dynamics, conflict resolution, and basic principles of nursing and social work Vast changes wrought by new technology and patient data New information on safety and disaster preparedness Updates signs and symptoms of abuse, neglect, and exploitation Provides new technology vocabulary Reorganized for quick access to information A completely new Minimum Data Set 3.0 (MDS) 2015 Federal Requirements for Electronic Records International Classification of Diseases, Tenth Revision, Clinical Modification (ICD-10-CM) New quality measures Impacts of the ACA on long-term care Updated tables and figures New federal regulations for quality of care approaches for residents with dementia; additional medication issues; infection control; residents' rights to establish advance directives; and defining unnecessary drugs Key Features: Provides in-depth coverage of all aspects of nursing home administration Includes current data on the field of long-term care Replete with real-life case studies, learning objectives, and critical thinking questions Formatted according to licensing examination and guidelines of the National Association of Boards of Examiners of Nursing Home Administrators Prepares students for the nationally required NAB exam Accompanying Instructor's Manual

Completely updated to address the challenges faced by modern health care organizations, the sixth edition of SHORTELL AND KALUZNY'S

HEALTH CARE MANAGEMENT: ORGANIZATION DESIGN AND BEHAVIOR offers a more global perspective on how the United States and other countries address issues of health and health care. Written by internationally recognized and respected experts in the field, the new edition continues to bring a systemic understanding of organizational principles, practices, and insight to the management of health services organizations. Based on state-of-the-art organizational theory and research, the text emphasizes application and challenges you to provide a solution or a philosophical position. Coverage includes topics ranging from pay for performance and information technology to ethics and medical tourism and expands upon a major theme of the fifth edition: health care leaders must effectively design and manage health care organizations while simultaneously influencing and adapting to changes in environmental context. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[Social Purpose Enterprises](#) McGraw-Hill/Irwin

Social Purpose Enterprises: Case Studies for Social Change presents case studies of twelve organizations that operate in a growing niche within the Canadian social economy: market-based entities supported by a nonprofit organization and operated for the benefit of a workforce who lives on the margins of society. Using a variety of research methods, the contributors examine the work of social purpose enterprises in a range of businesses including food services, child care, furniture, courier services, and microfinance. Combining the experience of academics and practitioners, each chapter analyses the economic, social, and policy implications of the case. Building on research published in *Researching the Social Economy* (2010) and *Businesses with a Difference* (2013), *Social Purpose Enterprises* provides a valuable resource for those involved in the growing push to encourage market-based solutions for those on the social margins.
