Even if our test tips increase your score by a few percentage points, isn't that worth it? Why not do everything you can to get the best score on the Canadian Border Services Entrance Test? *Canadian Border Services Test Prep* [Mississauga, ON] : PolicePrep [tagline] A thoroughly researched and authoritative page-turner about this unprecedented operation Ñand bust Mark Coakley lifts the veil on the riveting story of a group of criminals Ñ Ontario police would call them Ña gang with no name Ñ whose most famous exploit was turning an abandoned Molson beer factory north of Toronto into a giant indoor jungle of cannabis. The operation produced tens of millions of dollars in profits and involved gun smuggling, slavery, violence, pornography, and running cocaine and other illegal chemicals. When the grow-op was raided by police in 2003, the massive scale of the operation drew international media attention. The true masterminds behind the operation were not arrested until 2011, and it was only then that the real story behind North America's biggest grow-op came to light. Why not do everything you can to get the best score on the RCMP Aptitude Test? Norman Hall's Firefighter Exam Preparation Book UBC Press The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as politeness and apologizing, but there's so much more! To be honest, you've probably taken part in (or at least talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. "A Hoser's Guide to Canadian History" is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry. Police Officer Examination Preparation Guide UBC Press The only guide from the makers of the ACT exam, packed with 5

Rcmp Study Guide 2018: Rcmp Police Aptitude (Rpat) Study Guide & Practice Test Questions University of Chicago Press The sexual exploitation of children by adults has a long, fraught history. Yet how cultures have reacted to it is shaped by a range of forces, beliefs, and norms, like any other social phenomenon. Changes in how Anglo-American culture has understood intergenerational sex can be seen with startling clarity in the life of British writer Norman Douglas (1868 – 1952), who was a beloved and popular author, a friend of luminaries like Graham Greene, Aldous Huxley, and D.H. Lawrence, and an unrepentant and uncloseted pederast. Rachel Hope Cleves ' s careful study opens a window onto the social history of intergenerational sex in the nineteenth and twentieth centuries, revealing how charisma, celebrity, and contemporary standards protected Douglas from punishment—until they didn ' t. Unspeakable approaches Douglas as neither monster nor literary hero, but as a man who participated in an exploitative sexual subculture that was tolerated in ways we may find hard to understand. Using letters, diaries, memoirs, police records, novels, and photographs—including sources by the children Douglas encountered—Cleves identifies the cultural practices that structured pedophilic behaviors in England, Italy, and other places Douglas favored. Her book delineates how approaches to adult-child sex have changed over time and offers insight into how society can confront similar scandals today, celebrity and otherwise. Mosby's Prep Guide for the Canadian PN Exam E-Book Walnut Grove Publishing From the 1950s to the late 1990s, agents of the state spied on, interrogated, and harassed gays and lesbians in Canada, employing social ideologies and other practices to construct their targets as threats to society. Based on official security documents and interviews with gays, lesbians, civil servants, and high-ranking officials, this path-breaking book discloses acts of state repression and forms of resistance that raise questions about just whose national security was being protected. Passionate and personalized, this account of how the state used the ideology of national security to wage war on its own people offers ways of understanding, and resisting, contemporary conflicts such as the "war on terror." The Fire That Time University of Chicago Press

Morgan offers an authentic and deliciously humorous account of the prostitutes and other "disreputable" women who were the earliest female pioneers of the Far North.

A Guide to Becoming A Police Officer in Canada Complete Test Preparation Incorporated

Ableism is embedded in Canadian criminal justice institutions, policies, and practices, making incarceration and institutionalization dangerous – even deadly – for disabled people. Disability Injustice examines disability in contexts that include policing and surveillance, sentencing and the courts, prisons and alternatives to confinement. The contributors confront challenging topics such as the pathologizing of difference as deviance; eugenics and crime control; criminalization based on biased physical and mental health approaches; and the role of disability justice activism in contesting discrimination. This provocative collection highlights how, with deeper understanding of disability, we can challenge the practices of crime control and the processes of criminalization.

Comprehensive Guide to Canadian Police Officer Exam Barrons Educational Series

During the Sixties the nation turned its eyes to San Francisco as the city's police force clashed with movements for free speech, civil rights, and sexual liberation. These conflicts on the street forced Americans to reconsider the role of the police officer in a democracy. In *The Streets of San Francisco* Christopher Lowen Agee explores the surprising and influential ways in which San Francisco liberals answered that question, ultimately turning to the police as partners, and reshaping understandings of crime, policing, and democracy. *The Streets of San Francisco* uncovers the seldom reported, street-level interactions between police officers and San Francisco residents and finds that police discretion was the defining feature of mid-century law enforcement. Postwar police officers enjoyed great autonomy when dealing with North Beach beats, African American gang leaders, gay and lesbian bar owners, Haight-Ashbury hippies, artists who created sexually explicit works, Chinese American entrepreneurs, and a wide range of other San Franciscans. Unexpectedly, this police independence grew into a source of both concern and inspiration for the thousands of young professionals streaming into the city's growing financial district. These young professionals ultimately used the issue of police discretion to forge a new cosmopolitan liberal coalition that incorporated both marginalized San Franciscans and rank-and-file police officers. The success of this model in San Francisco resulted in the rise of cosmopolitan liberal coalitions throughout the country, and today, liberal cities across America ground themselves in similar understandings of democracy, emphasizing both broad diversity and strong policing.

Good Time Girls of the Alaska-Yukon Gold Rush Complete Test Preparation Inc.

Psychiatry Review and Canadian Certification Exam Preparation Guide is the first exam preparation text intended specifically for candidates taking the Royal College of Physicians and Surgeons of Canada (RCPSC) psychiatry examination. This concise, single volume review contains "Canadian-specific" content so that readers need not modify other sources, but may rely on it as their primary source of preparation. The volume is based on *The American Psychiatric Publishing Board Review Guide for Psychiatry* and cites only validated sources used in other APP books, so candidates can be assured of its content integrity. It

has been fully updated, and it includes a multitude of features that will appeal to harried candidates: The information presented is consistent with Canadian psychiatry practice. References have been drawn from the Canadian psychiatric literature, and laboratory units; medication names and doses, and the language employed are consistent with Canadian medicine and psychiatry; The volume is organized according to familiar DSM-IV classifications, allowing readers to quickly locate the most appropriate chapter. It does not neglect foundational knowledge, however, offering complete coverage of basic neuroanatomy as well as more advanced topics such as neuroimaging, psychopharmacology, and the cultural and legal aspects of psychiatric illness; Quick-reference tables summarizing diagnostic criteria for specific psychiatric disorders and other critical information are especially useful and abundant; and A rigorous 200-question practice exam and answer guide provide a reality check for prospective exam takers. The exam's structure reflects the actual board examination, with question topics commingled, and candidates seeking additional questions and annotated answers to enhance their preparation are referred to additional online self-assessments. The *Psychiatry Review and Canadian Certification Exam Preparation Guide* represents the best of psychiatric scholarship, combined with insight into the RCPSC psychiatry exam, and a keen eye for presenting the necessary information in a logical, easy-to-remember manner. This one-stop resource is destined to become candidates' constant companion in the months leading up to the exam, and after.
