Caramel apples are sometimes called candy apples too, and okay, caramel is a kind of candy, but their taste and texture is much different, not to mention their appearance. Their softer yet chewy coating of creamy golden caramel is often rolled in chopped nuts, sprinkles, or bits of toffee for extra flavor and texture—which sometimes happens with candy apples too, though it's not nearly as ...

[Homemade Cinnamon Candy Apples - The Spruce Eats](#)

The hard candy coating on the outside of the Candy Apples will last a long time, but the apple itself will not because air gets into the apple when the wooden stick is inserted. If you are not serving and eating your candy apples right away, they can be stored in airtight container in the refrigerator for up to three days.
