This “fascinating” story of a nineteenth-century mystery “should appeal to most lovers of history, as well as to bicycling enthusiasts. Strongly recommended” (Library Journal). In the late 1880s, Frank Lenz of Pittsburgh, a renowned high-wheel racer and long-distance

tourist, dreamed of cycling around the world. He finally got his chance by recasting himself as a champion of the downsized “safety-bicycle” with inflatable tires, the forerunner of the modern road bike that was about to become wildly popular. In the spring of 1892 he quit his accounting job and gamely set out west to cover twenty thousand miles over three continents as a correspondent for Outing magazine. Two years later, after having survived countless near disasters and unimaginable hardships, he approached Europe for the final leg. Lenz never made it. His mysterious disappearance in eastern Turkey sparked an international outcry and compelled Outing to send William Sachtleben, another larger-than-life cyclist, on Lenz’s trail. Bringing to light a wealth of information, David Herlihy’s gripping narrative captures the soaring joys and constant dangers

accompanying the bicycle adventurer in the days before paved roads and automobiles. This untold story culminates with Sachtleben's heroic effort to bring Lenz's accused murderers to justice, even as troubled Turkey teetered on the edge of collapse.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it

has been suggested that an account of my life and fortunes would not be uninteresting to the public."

Join the celebration of the diverse, vibrant, and engaged community of women riding and making waves around the globe. While surfing is usually seen as a male domain, women have long been nurturing their own

water stories and claiming their rightful place in the world of this sport. She Surf hails the females, past and present, who are engaged in expanding the art of surfing. Through exclusive interviews and evocative imagery, the book travels from the iconic waves of Hawaii to remote locations in Morocco. Learn about the forgotten stories of Polynesian surfing princesses, pioneering wave riders from the 1960s, and the contemporary movers and shakers shaping the scene. This book is an exciting reflection on what it means to be a female surfer and what it means to be moved to action by the beauty of the sea.

"When there is a will to experience each

moment of life more fully with vibrancy and vitality, there is a way. It's the WillingWay. It's about reconnecting to nature one broad-minded step at a time to discover a more fulfilling life of simplicity, adventure, stillness, and laughter. In *The Willing Way*, Mariel Hemingway and Bobby Williams share their dynamic and authentic approach to living mindfully and healthfully, offering concrete action steps that readers can take and even track through a multifaceted point-earning system. Simple activities like watching a sunrise instead of sleeping in, drinking water out of glass instead of plastic, taking time to be in silence instead of always listening to things "out there," eating clean food instead of processed and packaged food, and taking time away from technology to get outside

are some of the natural ways to tune into ourselves and make far-reaching differences in our lives, our relationships, and our world. As Mariel and Bobby explain, change can be approached radically or gently or anywhere in between. Readers can choose to take all ten suggested action steps in each area of their life or just a few. Through thought-provoking discussions and suggestions for lifestyle modifications, the authors gently urge and coach readers to take action, at their preferred pace, that will bring about lasting change--inside and out. The Willing Way is a book of inspiration. It provides the way to make a difference in the reader's approach to life. Having the willingness to do so is the only requirement."

Meet Me At Sundown is a collection of poems targeted at the psyche of a tormented person. The idea behind this is for you the readers to read this book with an open mind and without knowing the true meaning. As you do this, the intention is that however you interpret it, that interpretation says something about you, your frame of mind and your life. It may go as deep as to point out to you what you need to work on, change or what you have been hiding from. This is because what you interpret from each poem says something about your psyche. The way the book is written is as a collection of poems, each poem tells its own story. So each poem can be said to be a chapter and all the poems together makes up the full story.

The true intention and meaning behind the book or the real story told is a tale of a shunned love lost and constitutes of modern day issues such as homosexuality and forbidden love.

Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be

grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

Silent Kingdom reveals the world beneath the waves in an ethereal collection of black-and-white underwater photography.

Through stunning black-and-white images, award-winning photographer Christian Vizl uses a masterful control of light and shadow to portray the creatures of the sea as they are rarely seen, at home in the ethereal world beneath the waves. From capturing the ferocity of sharks to the playful dance of dolphins, Vizl turns aquatic creatures and marine seascapes into visions of sublime grace and beauty suspended in time and space. With each turn of the page, venture deeper into the one realm in which humans do not reign and discover an unforgettable world that few have ever seen. Though the ocean

covers over 70 percent of planet Earth, over 80 percent of that vast wilderness remains unexplored. As human activity begins to impact these once-untouched regions, it is more important now than ever to acknowledge both the beauty and value of our seas and the necessity of preserving one of the last true wild frontiers of our world. Silent Kingdom is both an ode both to the beauty of the ocean and the magnificent creatures that inhabit it and a call to action to preserve the fragile underwater world of our planet.
