The connoisseur's guide to the typewriter, entertaining and practical
What do thousands of kids, makers, poets, artists, steampunks, hipsters, activists, and musicians have in common? They love typewriters—the magical, mechanical contraptions that are enjoying a surprising second life in the 21st century, striking a blow for self-reliance, privacy, and coherence against dependency, surveillance, and disintegration. The *Typewriter Revolution* documents the movement and provides practical advice on how to choose

a typewriter, how to care for it, and what to do with it—from National Novel Writing Month to letter-writing socials, from typewriters to typewritten blogs, from custom-painted typewriters to typewriter tattoos. It celebrates the unique quality of everything typewriter, fully-illustrated with vintage photographs, postcards, manuals, and more.
