Boyd Norton's Outdoor Digital Photography Handbook John Wiley & Sons

The successor to Canon's popular EOS 50D DSLR, the Canon 60D is a powerful camera intended for advanced amateurs to semi-professionals who want to jump into photography with the control and capabilities of a DSLR—but without the high price. There's the manual, of course, as well as competing books, and while they all explain, often in 400+ pages, what the camera can do, none of them shows exactly how to use the camera to create great images! This book has one goal: to teach Canon 60D owners how to make great shots using your camera. Starting with the top ten things you need to know about the 6.
