Many Christians today tend to view the story of medieval faith as a cautionary tale. Too often, they dismiss the Middle Ages as a period of corruption and decay in the church. They seem to assume that the church apostatized from true Christianity after it gained cultural influence in the time of Constantine, and the faith was only later recovered by the sixteenth-century Reformers or even the eighteenth-century revivalists.

As a result, the riches and wisdom of the medieval period have remained largely inaccessible to modern Protestants. Church historian Chris Armstrong helps readers see beyond modern caricatures of the medieval church to the animating Christian spirit of that age. He believes today's church could learn a number of lessons from medieval faith, such as how the gospel speaks to ordinary, embodied human life in this world. *Medieval Wisdom for Modern Christians* explores key ideas, figures, and

movements from the Middle Ages in conversation with C. S. Lewis and other thinkers, helping contemporary Christians discover authentic faith and renewal in a forgotten age.

The Christian world has been rocked by the number of prominent leaders, in both church and parachurch organizations, who have been compromised by moral, ethical, and theological failures. This pace-setting volume addresses this alarming

problem and offers Christian leaders valuable guidance in dealing with the inherent risks of their work. Using biblical and current examples, the authors describe the characteristics of five types of leaders and the problems that are most likely to develop if their particular dysfunctions develop unrestrained. McIntosh and Rima offer a series of steps for leaders to consider so they can take control of their dark side and learn to harness its creative powers. This edition includes a new introduction, updated

information throughout, a self-assessment tool, and other additional material. Includes endorsements from John Maxwell, Leighton Ford, Leith Anderson, and Rob Angel.

Thank you. Life of Napoleon Bonaparte Steyning Photo Books LLP The witty and intimate story of a young man ' s search for fulfillment during the cultural and sexual revolution of 1970s New

York City Danny Slocum is a gay man in New York at a time of unprecedented sexual freedom. And yet Danny hasn ' t had a satisfying encounter with another man in years, a plight that drives him to sex therapy. Virgil, Danny ' s therapist, suggests that Danny work with another man, Joe, who has a similar problem, in the hopes that they can work out their anxieties together. The arrangement brings memories of Danny ' s bygone relationships bubbling to the surface as he

searches his past for where exactly things went wrong, coming to the realization that perhaps what he craves, above all else, is to be whole. Part novel and part memoir, The Confessions of Danny Slocum is a heartfelt, deeply relatable look at sex, love, happiness, and their painful reverse. Four Portraits, One Jesus, 2nd Edition Adventure In Discovery You may be contemplating your first Linux installation. Or you may have been using Linux for years and need to know more about adding a network printer or setting up an FTP server.

Running Linux, now in its fifth edition, is the book you'll want on hand in either case. Widely recognized in the Linux community as the ultimate getting-started and problem-solving book, it answers the questions and tackles the configuration issues that frequently plague users, but are seldom addressed in other books. This fifth edition of Running Linux is greatly expanded, reflecting the maturity of the operating system and the teeming wealth of software available for it. Hot consumer topics such as audio and video playback applications, groupware functionality, and spam filtering are covered, along with the basics in configuration and management

that always have made the book popular. Running Linux covers basic communications such as mail, web surfing, and instant messaging, but also delves into the subtleties of network configuration--including dial-up, ADSL, and cable modems--in case you need to set up your network manually. The book can make you proficient on office suites and personal productivity applications--and also tells you what programming tools are available if you're interested in contributing to these applications. Other new topics in the fifth edition include encrypted email and filesystems, advanced shell techniques, and remote login applications. Classic discussions

on booting, package management, kernel recompilation, and X configuration have also been updated. The authors of Running Linux have anticipated problem areas, selected stable and popular solutions, and provided clear instructions to ensure that you'll have a satisfying experience using Linux. The discussion is direct and complete enough to guide novice users, while still providing the additional information experienced users will need to progress in their mastery of Linux. Whether you're using Linux on a home workstation or maintaining a network server, Running Linux will provide expert advice just when you need it. Distorting Scripture? John Wiley

& Sons

Recent controversies have rocked evangelicalism on the question: Is gender-inclusive language for human beings faithful and helpful in Bible translation, or does it distort and obscure God's Word? Distorting Scripture? moves beyond sensationalism to the meaty core of an ongoing debate.

What is the one aspect of this broken world that, when you see it, touch it, get near it, you just can't stand? Very likely, that firestorm of frustration reflects your holy discontent, a reality so troubling that you are thrust off the couch and into the game. It's during these defining times when your eyes open to the needs

surrounding you and your heart hungers to respond that you hear God say, "I feel the same way about this problem. Now, let's go solve it together!" Bill Hybels invites you to consider the dramatic impact your life will have when you allow your holy discontent to fuel instead of frustrate you. Using examples from the Bible, his own life, and the experiences of others, Hybels shows how you can find and feed your personal area of holy discontent, fight for it when things get risky, and

follow it when it takes a mid-course turn. As you live from the energy of your holy discontent, you'll fulfill your role in setting what is wrong in this world right! Bonhoeffer: A Guide for the Perplexed Zondervan Grounding their analysis in groundbreaking research, Michael E. McCullough, Steven Sandage and Everett L. Worthington Jr. show how you can experience authentic forgiveness in ways that bring restoration and healing. Understanding and Installing Home Systems Bookouture

Scripture as Communication

Wipf and Stock Publishers

Two of America's most popular authorities on healthy eating and cooking join forces in this delectable, inspiring and easy-to-use cookbook. Dr

Andrew Weil - author of the best-selling *Eating Well For Optimum Health* - brings to this collaboration a comprehensive philosophy of nutrition grounded in science.

Rosie Daley - acclaimed for her best-seller *In The Kitchen*

With *Rosie* - brings to it her innovative and delicious spa cuisine. Lifelong good health begins in the kitchen, so this is a lifestyle book as well as a cookbook. But throughout, *The Healthy Kitchen* emphasizes the pleasure of food - in the writing, in the anecdotes, in the commentaries, in the superb photography (including pictures of the authors at work from garden to table) and in the recipes themselves. With 135 fabulous recipes and invaluable information on what constitutes genuinely healthy eating today, this revolutionary book will change the way you cook for

yourself and your family forever.

Overcoming the Dark Side of Leadership Random House

The 1999 Hemingway centennial marks the perfect time for the reevaluation of his position as America's premier modernist writer. These essays, all written specially for this collection, plumb unexplored historical details of Hemingway's life to illuminate new and often unexpected dimensions of the force of his literary accomplishment.

Discussing biographical details of his personal and professional life along with the subtleties of his character, the text includes

a number of fascinating photos and images.

Comprehensive user's guide to the R7 system, with information on all operating modes. Advice on flash, lenses, filters and the system accessories such as motors.

The Davidic Messiah in Luke-Acts A&C Black

Hapgood's tour de force is back in print! This riveting account of how earth's poles have flipped positions many times is the culmination of Hapgood's extensive research of Antarctica, ancient maps and the geological record. This amazing book

discusses the various pole shifts in earth's history -- occurring when earth's crust slips in the inner core -- and gives evidence for each one. It also predicts future pole shifts: a planetary alignment will cause the next one on 5 May 2000! Packed with illustrations, this book is the reference other books on the subject cite over and over again. With millennium madness in full swing, this is just the book to generate even more excitement at the unknown possibilities.

Leica R6 Digital SLR Cameras and Photography For Dummies®

In this latest addition to the Handbooks for Old Testament Exegesis series, Peter T. Vogt

continues the tradition of excellence established by previous volumes. Divided into three parts, Interpreting the Pentateuch first provides an overview of the major themes of the Pentateuch. In the second part, Vogt offers resources and strategies for interpreting and understanding the first five books of the Bible by exploring its genres-law and narrative. Finally, Vogt shows that, although the Pentateuch is a collection of ancient texts, it still has contemporary significance. Vogt also includes two samples-one from law and one from narrative-of exegesis, giving

students a start-to-finish example of the techniques he has illustrated for effective exegesis.

The Faces of Forgiveness
InterVarsity Press

The twenty-first century has given rise to a growing interest in the intersection of science, religion, and spirituality. Few books address these issues from multiple perspectives and theories. To fill this void, F. LeRon Shults and Steven Sandage, coauthors of *The Faces of Forgiveness* (winner of the Narramore Award

from the Christian Association for Psychological Studies) continue their interdisciplinary dialogue in their latest work, *Transforming Spirituality*. In this book Shults and Sandage address the subject of spiritual transformation through the lenses of psychology and theology. In addition to college and seminary students, *Transforming Spirituality* will appeal to readers interested in Christian spirituality. What is more, it provides helpful insights for

counselors, psychologists, and others who work in the mental health field.

Holy Discontent
Brazos Press

Jeannine Brown, a seasoned teacher of biblical interpretation, believes that communication is at the heart of what happens when we open the Bible. We are actively engaging God in a conversation that can be life changing. In this guide to the theory and practice of biblical hermeneutics, Brown emphasizes the communicative nature of

Scripture, proposing a communication model as an effective approach to interpreting the Bible. The new edition of this successful textbook has been revised and updated to interact with recent advances in interpretive theory and practice.
