Essential Tips and Techniques Tebbo

An indispensable guide to nature and outdoor photography, from the acclaimed author of Creative Bird Photography. This beautifully illustrated, inspirational guide to nature photography is packed with practical advice presented in author Bill Coster's informative but accessible writing style. It takes a fresh approach to the subject, breaking it up into chapters on habitats, each of which contains images of specific aspects of the environment, starting with landscapes and moving on to plants and animals. Each photograph demonstrates particular points and approaches, taking into account light conditions, terrain and the general surroundings. Fascinating anecdotes about Coster's experiences in each habitat bring the images to life. Each photograph is accompanied by detailed technical data, as well as information on locations and other issues that need to be tackled in order to achieve the perfect shot. There is also an up-to-date chapter on bird photography basics, including equipment such as cameras and lenses.
