became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook. This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation. Robert J. Blackwell Assistant Secretary for Maritime Affairs

PC World

Sechs Jahre nach Erscheinen des "Kompendiums" liegt mit der 3. Auflage ein gestalterisch und inhaltlich "general überholtes" Buch vor. Die Verwendung einer zeitgemä ß en Schrift sowie die zweispaltige Anordnung der Texte gew ä hrleisten eine Verbesserung der Lesbarkeit und Lesef ü hrung. Eine Kennfarbe pro Kapitel und farbige Register am Seitenrand erleichtern das Auffinden einer gesuchten Textstelle. Screenshots, Grafiken und Abbildungen wurden aktualisiert. Neben der gestalterischen Modernisierung wurden neue Trends der Medienbranche wie die wachsende Bedeutung des Digitaldrucks, die Novellierung des Medienrechts oder die Anforderungen an barrierefreies Web-Design ber ü cksichtigt. Der Anteil an Printmedien wurde erh ö ht, um der Tatsache Rechnung zu tragen, dass die Bedeutung der Digitalmedien in der Industrie derzeit r ü ckl ä ufig ist. Dieses Standardwerk zur Mediengestaltung enth ä lt zu jedem Kapitel Übungsaufgaben und L ö sungen, wodurch es seinem Anspruch noch besser gerecht wird, ein Lehr- und Arbeitsbuch zu sein.
