manual addresses the user's needs at each stage of their development. The Startup section gives Camera Setup and Care. The next sections provide continuous guidance through 3 learning phases: 1. The Orientation section describes the control and menu features with illustrated locations and concise descriptions of function, settings, operation and references to detail descriptions. 2. The Operation section gives the user a choice of 4 complete and independent starting points: There are 2 Basic subsections, Quick and Detailed, for Point and Shoot operation and Creative subsections, Quick and Detailed, for the Complete Control mode of operation. Each Detailed subsection includes the corresponding Quick subsection to eliminate

looking back. Each subsection is sequenced in Photo Session order: Displays, Session Prep/Field Setup, Photo Features (Shooting Mode, Composition, Focus, Drive, Exposure and Shutter), Evaluation, Correction and Session Finish. Each subsection includes reset reminders at the individual features and at the Session Finish. Custom Function setups are given just before the first possible use and usage reminders are given thereafter (Creative Detailed section only). The Effective Use section continues the user guidance beyond the mechanics and the Reference section covers Problems, Playback and Printing. The manual has laminated covers for durability and a coil binding so it will stay open. Popular Photography Advantage One, Inc.

The EOS Rebel series brings together everything photographers want in a 35mm camera--they're simply the most advanced SLRs in their class. To find out how best to use these masterpieces of form and function--Canon EOS Rebel T2, EOS Rebel K2, EOS Rebel Ti, plus their European counterparts--look into the Magic Lantern Guide. With loads of diagrams and user-friendly instructions, it covers every aspect of these fully automatic 35mm Autofocus SLRs: their 7-point High-Speed, Wide-Area Selectable AF with Advanced 35-zone Metering; Safety Shutter-Release Lock and Camera Shake Warning; and Advanced E-TTL II Autoflash and Enhanced Built-in Flash. Popular Photography Clever Fox Publishing Training Circular (TC) 3-09.81, "Field Artillery Manual Cannon Gunnery," sets forth the doctrine pertaining to the employment of artillery fires. It explains all

aspects of the manual cannon gunnery problem and presents a practical application of the science of ballistics. It includes step-by-step instructions for manually solving the gunnery problem which can be applied within the framework of decisive action or unified land operations. It is applicable to any Army personnel at the battalion or battery responsible to delivered field artillery fires. The principal audience for ATP 3-09.42 is all members of the Profession of Arms. This includes field artillery Soldiers and combined arms chain of command field and company grade officers, middle-grade and senior noncommissioned officers (NCO), and battalion and squadron command groups and staffs. This manual also provides guidance for division and corps leaders and staffs in training for and employment of the BCT in decisive action. This publication may also be used by other Army organizations to assist in their planning for support of battalions. This manual builds on the collective knowledge and

experience gained through recent operations, numerous exercises, and the deliberate process of informed reasoning. It is rooted in time-tested principles and fundamentals, while accommodating new technologies and diverse threats to national security.

" A man without ethics is a wild beast loosed upon this world " .
Persons in Public life are

expected to be moral exemplars of all else. Those in public life who morality and ethics as they have pledged to uphold and defend that realm ” -----The French Nobel Prize winning Author and Philosopher Albert Camus. (Especially the Hon. Judiciary who are worshiped by the common man as equivalent to God should follow the normal ethics of common man and in addition should follow the Judicial Ethics. There is no dividing line between their personal and public life. Private lives of public figures (like that of Judiciary) are wide open to public scrutiny. What they do in their private life matters and does impact their public responsibilities. Can they be ethical in public if they are unethical in private? The ethical private life only the foundation basis for the ethical public (Judicial) Ethics. Their private life reveals more about morals than their sound bites. For the society to progress and prosper, we need to have individuals in public life with competence, honesty, dedication, humility, experience and selfless determination above

expect others to observe the moral and ethical standards enforced in society must act as icons by rigorously following them first. They must say what they mean and always mean what they say. Their word must always be their bond. Above all their actions must speak louder than their words. They must always be judged on what they say and what they actually do and be transparent and accountable to those that they are privileged to serve. Let us form the best Ethical judicial system in India. Hence this book speaks all about that in detail. Jai Hind
