From basic concepts  
to research grade  
material, Mobile Web  
2.0: Developing and  
Delivering Services  
to Mobile Devices  
provides complete and  
up-to-date coverage  
of the range of  
technical topics  
related to Mobile Web  
2.0. It brings

together the work of 51 pioneering experts from around the world who identify the major challenges in Mobile Web 2.0 applications and provide authoritative insight into many of their own innovations and advances in the field. To help you address contemporary challenges, the text details a conceptual framework that provides modeling facilities for context-aware, multi-channel Web applications. It compares various platforms for developing mobile services—from the developer and user perspectives—and explains how to use high-level modeling constructs to drive the application development process through automatic code generation. Proposes an expanded model of mobile application context Explores mobile social software as an Information and Communications Technology (ICT) Discusses the effect of context on mobile usability Through empirical study, the book tests a number of hypotheses on the use of software implementation technology and location context in mobile applications. It introduces Reusable End-User Customization (REUC)—a technique that allows users to adapt the layout of Web pages and automatically reapplies those preferences on subsequent visits. It

---

also investigates the need for non-visual feedback with long system response times, particularly when downloading Web pages to mobile devices.

If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL.

Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and

MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

Buddhism points out that emphasizing individuality and promoting the greatest fulfillment of the desires of the individual conjointly lead to

destruction. The book promotes the basic value-choices of Buddhism, namely happiness, peace and permanence. Happiness research convincingly shows that not material wealth but the richness of personal relationships determines happiness. Not things, but people make people happy. Western economics tries to provide people with happiness by supplying enormous quantities of things and today's dominating business models are based on and cultivates narrow self-centeredness. But what people need are caring relationships and generosity. Buddhist economics makes these values accessible by direct provision. Peace can be achieved in nonviolent ways. Wanting less can substantially contribute to this endeavor and make it happen more easily. Permanence, or ecological sustainability, requires a drastic cutback in the present level of consumption and production globally. This reduction should not be an inconvenient exercise of self-sacrifice. In the noble

---

ethos of reducing suffering it can be a positive development path for humanity.

*The Story of Son* Simon and Schuster

"...profoundly moving..."

-Publishers Weekly Nelson

Mandela's two great-

grandchildren ask their

grandmother, Mandela's

youngest daughter, 15

questions about their grandad

– the global icon of peace and

forgiveness who spent 27

years in prison. They learn

that he was a freedom fighter

who put down his weapons for

the sake of peace, and who

then became the President of

South Africa and a Nobel

Peace Prize-winner, and

realise that they can continue

his legacy in the world today.

Seen through a child's

perspective, and authored

jointly by Nelson Mandela's

great-grandchildren and

daughter, this amazing story is

told as never before to

celebrate what would have

been Nelson's Mandela 100th

birthday.

Thank you for reading our

PRINCE2 Foundation

Training Manual. The main

objective of this book is to

provide an easy-to-read and

easy-to-understand

PRINCE2(R) Foundation

training manual. The official

PRINCE2 manual,

"Managing Successful

Projects with PRINCE2," is

an excellent reference

manual, but it is not a

training manual and should

not be used as one, as it is

very difficult to comprehend

and understand if you are

new to project management.

The official PRINCE2

manual also covers the

complete Practitioner

Syllabus, and it's impossible

to know which parts are just

focused on the PRINCE2

Foundation syllabus, so you

---

have to read everything, which is not good if you are just studying for the foundation exam.

Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

Karl Pilkington's third book, follow-up to bestselling *The World of Karl Pilkington* and *Happyslapped* by a Jellyfish, is a voyage through some of the most curious facts and fictions about our world. Drawing on what little he learned during his days of education, Karl explores the world of knowledge through a school curriculum, with chapters devoted to biology, history, art, and English, among others, each topic approached with Karl's inimitable combination of innocent wonder and down-to-earth wisdom.

Full color throughout, the book is illustrated with Karl's hand-drawn cartoons and comic strips and it features e-mail contributions from a host of celebrities and experts who Karl has quizzed to further his knowledge.

**Mobile Web 2.0** St. Martin's Paperbacks

Another popular writer among the exclusives was an Irish schoolmaster, Charles Henry Mackintosh, who preached extensively in the revival movement. The initials 'C.H.M.' became familiar in many pious evangelical households of the later Victorian and Edwardian years. No critical scholar, Mackintosh nevertheless had a marked gift for simple Biblical exposition, and his works on the Pentateuch had an enormous vogue as simple aids to devotional interpretation for the first five books of the Bible. He was, however, no theologian, and certain isolated sentences in those books referred to 'the heavenly humanity' of Christ (and thus verged on formal heresy), brought him much hostile notice from prejudiced opponents of the Brethren (who took his writings as being far more significant and representative than they deserved). He later withdrew the expressions, on Darby's insistence.

*The Last Mermaid* Rockridge Press

Natasha Munro is your typical twenty eight year old girl, well your typical twenty eight year old English loud 'n' proud Geordie; curvy, fun and a whole load of fab-u-lous. Her life is all going to plan - good job, great friends, close family and a loving boyfriend - until an unexpected event stands everything on its head. Nursing a broken heart and decked

---

head-to-toe in tasselled chaps and rhinestones, Natasha and her flamboyant fairy of a gay best friend, Tink, uproot from their North-Eastern nest, throw caution to the wind and embark on a new life together in Canada. Canada - Land of the Rocky Mountains, maple syrup; oh, and an 'in-between movies' Hollywood mega-star. Enter infamous bad-boy of the big screen, Tudor North -Tudor 'bloody' North! Tudor is towering, brooding and gorgeous, and he is harbouring a deep secret. His outward demeanour is cold and intimidating, and with it he successfully keeps everyone at arm's length; that is everyone except a certain Ms. Munro. It soon becomes clear; what with her smart mouth and lusciously ample arse, that Natasha proves more than a match for our emotionally-distant mega-star. Will Natasha settle into her new life in Canada? Will she ever find her fairytale happy ending? Can a movie star and an ordinary girl from England ever really make it work? Or will the secrets lurking in Tudor's past scupper their chance of happiness? Eternally North is addictive, funny and heart-warming; a fast paced comedic journey of self-discovery; unyielding friendship and, of course, it would not be complete without a generous sprinkling of good old-fashioned British 'slap-and-tickle'. **WARNING:** Contains a foul-mouthed voluptuous Brit; a self-confessed and self-promoted Friggin' Fantastic Fairy; and an abundance of

tattoo-smothered muscles nicely wrapped up in one gorgeous bad-boy package.

*U.S. - Israeli Strategic Cooperation In The Post-cold War Era* Chronicle Books Llc

This important collection of poems, which spans a career of nearly fifty years, demonstrates Robert Mezey's development as a notable stylist, thinker, and poet. Moving from adaptations of Latin and Spanish poems to prayers and lamentations, from elegies and plaints of lost love to flights of comic and ribald fancy, his poetry reaches to the extremes of human experience. The death of friends and family, one's self-betraysals and self-infatuations, the comical confusion of a worried mother, the art of a doomed Jewish child in a Nazi concentration camp--all these human dramas play out bravely against the backdrop of the beautiful, indifferent path. Mezey can portray aging and death or sing of love and nature with an accuracy of perception and an intensity of feeling heightened by formal clarity and restraint. With his razor-sharp eye for the singular detail, he describes missed opportunities and moments of human weakness and loss in gestures so real the reader will ache. In capturing the pain of religious doubt, the pangs of tenderness and elation, and the vagaries of fate so honestly, Mezey has wrought a high finish to each poem so

that, in the words of Donald Justice, they become "absolute classics of calm and beauty."
