This book is a most exciting and unusual study of cultural history. The idea of the pregnant man, redolent of bawdy jokes and sexual fantasy, has inspired European literature and folklore since ancient times. Traces of the theme, both comical and disturbing, are found not only in the wealth of tales from Italy, France, Germany, Russia, Finland and other European Countries, but also in the Hebrew and Islamic traditions.

Beloved #1 New York Times bestselling author
Debbie Macomber shares inspirational and
empowering true stories of what happens when we
commit intentional acts of generosity. Master

storyteller Debbie Macomber knows a secret. In a world that seems too often reticent and begrudging, Debbie has learned firsthand that living in a spirit of generosity yields unforeseen miracles. Lives can be changed in ways we never envisioned. Just as a young boy volunteered his fishes and loaves to Jesus in Galilee and saw his meager gift multiplied many times over to feed five thousand, we can live open-handed and stand amazed at what God accomplishes through simple acts of generosity. This moving blend of true stories and motivating messages delights and surprises us as we see for ourselves that giving the gifts of time, encouragement, hope, laughter, prayer, hospitality, service, and forgiveness often have a life-changing impact, not only on the recipient of such gifts, but on the giver as well. All it takes is one simple act. Macomber, through her masterful power of storytelling, calls us to live with an open heart, offering who we are and what we have to God, to use in the lives of others. When we do so with an eager sense of expectancy, lives—including our own—are changed in ways we couldn 't have imagined.

Graffiti writing was born in the streets of Philadelphia in the late 1960s. But it was in New York in the early 1970s that it became a full-fledged urban art, gradually taking over the landscape of the city, from its walls to its subway cars. This is a writing manual, a detailed examination of how graffiti writers have developed the

twenty-six letters of the alphabet. It includes the contribution of ten of the international scene's most talented creators answer Woshe's questions about matters that include their practice, their relationship with letters and their backgrounds. It includes a map of New York with the sites where the most important graffiti are located.

Early in the 21st century, after the Great Recession, poet and young mother Maggie Roche is harassed by a lovely woman, Sriyanie, and a famous neuroscientist, David Elfield. She doesn't know it yet, but she is about to become history's first time traveler. When agents from the far future attempt to kill her, in baffled fury she slingshots herself into the 7th millennium. Instantly she's on the run from the Ull Lords and their virtual reality devotees. These superbeings are cyborged humans constructed to live forever, with the ambition to rule the universe. Maggie is having none of this. Encountering an earlier version of Sriyanie, her fated future role in the formation of the multiverse falls upon her shoulder like a

thunderous lightningbolt. A Being at the end of time she calls the Something wages endless war with its foes, the Ull Lords. Torn from her beloved child and her own time, Maggie must choose whether to accept this alienating path into an alternative cosmic history fit for a poet and a free woman.
