Canon EOS 40D Digital Field Guide

The acclaimed wildlife photographer presents “a powerful visual record of threatened animals and ecosystems facing the harshest of challenges” (The Guardian, UK). In *Endangered*, the result of an extraordinary multiyear project to document the lives of threatened species, acclaimed photographer Tim Flach explores one of the most pressing issues of our time. Traveling around the world—to settings ranging from forest to savannah to the polar seas to the great coral reefs—Flach has captured stunning images of endangered animals and their disappearing ecosystems. Among Flach’s subjects are primates coping with habitat

loss, big cats in a losing battle with human settlements, elephants hunted for their ivory, and numerous bird species taken as pets. With eminent zoologist Jonathan Baillie providing insightful commentary on this ambitious project, *Endangered* unfolds as a series of vivid, interconnected stories that pose gripping moral dilemmas, unforgettably expressed by more than 180 of Flach’s incredible images.

"Architectural photographer Gerry Kopelow created this guide on how to take high-quality photographs for architects, interior designers, engineers, heritage preservers, professional photographers, and anyone interested in shooting buildings. The book starts with the basics, discussing topics such as buying equipment and supplies, technical considerations involving cameras, films, and lighting, and preparing materials for publication. More advanced topics include medium- and large-format cameras, working on location and the architectural photographer's darkroom. The third updated and expanded edition contains three new chapters that focus on the world of digital photography. They explain everything that you need to know from how digital imagery works, to available digital cameras, to scanning, printing, and digital image enhancement, to electronic marketing on the Internet. This practical how-to book includes hundreds of color and black-and-white photographic examples and is the definitive title on the subject." - back cover.
