David Busch's Canon EOS Rebel SL2/200D Guide to Digital SLR Photography John Wiley & Sons

From the editors of PCPhoto magazine, the number one digital photography magazine, comes the most comprehensive guide to the fastest-selling cameras made today. Here is a photographer's dream manual, with the newest and hottest cameras, high-quality images, and unequalled, in-depth information provided by an expert author and PCPhoto, the best photography magazine on the market. The handbook includes a thorough, in-depth examination of what makes digital photography special, and how the LCD monitor changes the way you shoot. There's a discussion of the importance of resolution, the various formats and file options available, and memory cards and storage choices. Tips on getting the best exposure, making the most of flash, using different lenses and filters, and finding effective ways of applying image-editing software will all help photographers get truly creative. Rob Sheppard, the editor of both Outdoor Photographer and PCPhoto magazines, is also the author of the Epson Complete Guide to Digital Printing. PCPhoto magazine is designed to help readers understand how to best use digital photography technologies from a photographic

rather than computer perspective. It is the most popular photo magazine of its type.
