and challenging events and funny, risky, and tragic episodes are flotsam that keep our essences in the life current of succeeding generations. This book coheres a riot of random chatter from my life, a life not boring or uninteresting, but a life pulsing with adventures. An examined life full of trials, trauma, fun, frolic, risk, sorrow, silliness, great joy, and worth telling for the inherent lessons. Eventually I'll forfeit my being; however, by putting my lines in a book, perhaps this life won't end up in a waste bin so quickly.

2000 Infrastructure

Design explains from a system designer's and administrator's perspective Microsoft's Active Directory and its interaction with Exchange 2000, details issues concerned with migration to Exchange 2000, and outlines the specific technology and design issues relating to connectivity with Exchange 2000. Readers will learn to use these technologies to seamlessly co-exist with their current environment, migrate to a native Exchange 2000 environment, and connect to the Internet as well as to other messaging systems. The book's

blend of expert instruction and best practices will help any organization create optimal system designs and configurations to support different technical and business scenarios. McCorry and Livengood are experts in Microsoft technologies from Compaq, the world's leading integrator of Exchange systems. In Microsoft Exchange 2000 Infrastructure Design, they spell out the key technologies, features, and techniques IT professionals must master to build a unified and robust Exchange 2000 messaging service. This book details the framework

another story about their Caribbean Adventure! Penny and Monique are eight year old twins, but not identical. Penny is the eldest by five minutes, but acts years older than her sister Monique. Penny is bossy, outgoing and adventurous. Monique is shy, likes her own company and is easily frightened. The twins live with their mother Angela, a teacher, and their father Stephan who works in a bank.

The twins are in Jamaica for their first holiday on the island to see their Grandma Merle and their many relatives. The twins experience family fun, laughter and some scary moments on their holiday capers. This is one of their stories that is now being told. Are Uncle Leslie's tales about bullfrogs spitting out green poison to be believed? Can Penny convince anyone that she has seen some dancing frogs? Who will find the

### The Healthy Kitchen

Once upon a time, he was everything to her, except for one thing: her future Christmas sparkles from every bough and window at the cozy Four Winds Ski Resort, where single mother Eden Kendall and her eight-year-old son are spending the holiday. A surprise marriage proposal from her boss ' s son

wasn ' t on her Christmas list, but it ' s the perfect excuse to get away and weigh her options. She never imagined her son ' s ski instructor /Santa impersonator would be the gorgeous, charismatic dreamer she left behind years ago, the one who still owns a piece of her heart. Cole Hagan has never stopped loving Eden and he ' s spent the last eight years proving her wrong on every count about his potential. While he fights to save the resort that he helped to build

---

by organizing a holiday concert, he decides it ' s about time that Eden puts aside her list-making pragmatism so that she and her skeptical son can experience the true magic of Christmas. Can a not-so-perfect angel help this unlikely pair get a second chance at happily ever after?
