Diary of Charles de Hault de Lassus from New Orleans to St Louis, 1836 Corwin Press
These are my lines on a paper napkin. Napkins are disposable. When no longer useful, we discard them. We too are useful and eventually go away. However, descriptions of past places and unusual and challenging events and funny, risky, and tragic episodes are flotsam that keep our essences in the life current of succeeding generations. This book coheres

a riot of random chatter from my life, a life not boring or uninteresting, but a life pulsing with adventures. An examined life full of trials, trauma, fun, frolic, risk, sorrow, silliness, great joy, and worth telling for the inherent lessons. Eventually I'll forfeit my being; however, by putting my lines in a book, perhaps this life won't end up in a waste bin so quickly.

Cole Hagan has never stopped loving Eden and he ' s spent the last eight years proving her wrong on every count about his potential. While he fights to save the resort that he helped to build by organizing a holiday concert, he decides it ' s about time that Eden puts aside her list-making pragmatism so that she and her skeptical son can experience the true magic of Christmas.
