Accounting Ledger Book John Wiley & Sons
This book contains the principles that have been a source of inspiration for my life. They gave me the confidence to have complete trust in God’s ability to sustain me through every situation. He took me from a place of self-reliance and serving my desires to have me secure in submission, accepting His desires. He gave me the joy that I needed to submit my will to His will. This gave me the strength that I needed to have a life dedicated to serving others and building His kingdom. You will learn specific instructions to begin a relationship with God and have Him become the Lord of your all. If you have already given the Lord your life, you will learn to maintain your fellowship. There are many principles that release godly understanding of earthly knowledge to apply godly wisdom for heavenly rewards. These I have learned through suffering and obedience, to become a child of God. I am now blessed and anointed to teach His Word and make disciples, as is the command of Jesus in the Great Commission.

Fantasia Seele has always been naive, but nothing can prepare her for the day she meets notorious serial killer Tristan Shay. Tristan leads a disturbing lifestyle, and has a dark past to go along with it. From the moment the two encounter one another, it's love at first sight, and the killer agrees to take Fantasia under his wing and introduce his new protege to his sick world. While learning more about her new man and the lifestyle he's created for himself, Fantasia soon finds they share the same violent tendencies, and bond over Tristan's preferred sexual method, necrophilia, becoming inseparable in the process. A parody of the wildly popular Fifty Shades of Grey trilogy, Fifty Ways to Slay tells a twisted love story that proves no matter what your background, we can all be seduced by the dark side.
