Preserving the Desert Penguin

"Wonderfully written...Mr. Owen writes about water, but in these polarized times the lessons he shares spill into other arenas. The world of water rights and wrongs along the Colorado River offers hope for other problems." -Wall Street Journal An eye-opening account of where our water comes from and where it all goes. The Colorado River is an essential resource for a surprisingly large part of the United States,

and every gallon that flows down it is owned or claimed by someone. David Owen traces all that water from the Colorado's headwaters to its parched terminus, once a verdant wetland but now a million-acre desert. He takes readers on an adventure downriver, along a labyrinth of waterways, reservoirs, power plants, farms, fracking sites, ghost towns, and RV parks, to the spot near the U.S.-Mexico border where the river runs dry. Water problems in the western United States can seem tantalizingly easy to solve: just turn off the fountains at the Bellagio, stop selling hay to China, ban golf, cut down the almond trees, and kill all the lawyers. But a closer look reveals a vast man-made ecosystem that is far more complex and more interesting than the headlines let on. The story Owen tells in Where the Water Goes is crucial to our future: how a patchwork of engineering

marvels, byzantine legal agreements, aging infrastructure, and neighborly cooperation enables life to flourish in the desert—and the disastrous consequences we face when any part of this tenuous system fails.

Winter's Camp Penguin

Local Guild boss and powerful ghost hunter Cooper Boone is everything botanist Elly St. Clair could ask for—the handsome, strong and silent type. Maybe too silent. For when Guild secrets threaten her career at the college, Elly has to call off their marriage—and leave small-town life behind... But starting over in the thriving metropolis of Cadence City isn't easy, especially when one of Elly's new friends disappears in the eerie catacombs beneath the streets. Cooper turns up just in time to help Elly investigate. And as the mystery deepens and dangerous ghost myths and legends come to light, Cooper makes it clear he intends to stick around—and this time he's holding nothing back...

Running Hot HQN Books

A suspicious death. A ghost in a mirror. The New York Times bestselling Dark Legacy novel from the author known for crafting stories of burning passion and chilling suspense... The death of her friend and mentor, Evelyn Ballinger, brings psychic counselor Gwen Frazier back to the small town of Wilby, Oregon, and brings back memories she would rather forget. Two years ago, a killer stalked the members of one of Ballinger's research studies—including

Gwen, who survived while two others didn't. Now, she's sure that Ballinger's death is related. Sent by a friend to help Gwen, psychic investigator Judson Coppersmith arrives in Wilby barely in control of his own talent and his own life, and haunted by urgent dreams. His attraction to Gwen is primal, but there are secrets he must keep to protect himself from surrendering to her completely, even as their investigation draws them into dreamscapes, into decades of deception and into the paranormal fires of a desire too strong to resist...

The Third Circle Penguin

National parks are different from other federal lands in the United States. Beginning in 1872 with the establishment of Yellowstone, they were largely set aside to preserve for future generations the most spectacular and inspirational features of the country, seeking the best representative examples of major ecosystems such as Yosemite, geologic forms such as the Grand Canyon, archaeological sites such as Mesa Verde, and scenes of human events such as Gettysburg. But one type of habitat--the desert--fell short of that goal in American eyes until travel writers and the Automobile Age began to change that perception. As the Park Service began to explore the better-known Mojave and Colorado deserts of southern California during the 1920s for a possible desert park, many agency leaders still carried the same negative image of arid lands shared by many Americans--that they are hostile and largely useless. But one wealthy woman--Minerva Hamilton Hoyt, from Pasadena--came forward, believing in the

value of the desert, and convinced President Franklin D. Roosevelt to establish a national monument that would protect the unique and iconic Joshua trees and other desert flora and fauna. Thus was Joshua Tree National Monument officially established in 1936, with the area later expanded in 1994 when it became Joshua Tree National Park. Since 1936, the National Park Service and a growing cadre of environmentalists and recreationalists have fought to block ongoing proposals from miners, ranchers, private landowners, and real estate developers who historically have refused to accept the idea that any desert is suitable for anything other than their consumptive activities. To their dismay, Joshua Tree National Park, even with its often-conflicting land uses, is more popular today than ever, serving more than one million visitors per year who find the desert to be a place worthy of respect and preservation. Canyons of Night - Book 12 - Arcane Society Wolverine Publishing

This volume represents a first attempt at holistically classifying and mapping ecological regions across all three countries of the North American continent. A common analytical methodology is used to examine North American ecology at multiple scales, from large continental ecosystems to subdivisions of these that correlate more detailed physical and biological settings with human activities on two levels of successively smaller units. The volume begins with an overview of North America from an ecological perspective, concepts of ecological regionalization. This is followed by descriptions of the 15 broad ecological regions, including information on physical and biological setting and human activities. The final section presents case studies in applications of the ecological characterization methodology to environmental issues. The appendix includes a list of common and scientific names of selected species characteristic of the ecological regions.

Sedimentology and Stratigraphy Penguin

Even the mysterious world of Harmony has people who don't quite fit in. They're drawn to places like Rainshadow Island, a beautiful sanctuary where anyone can feel safe—and where secrets are closely guarded... Schooled in an exotic form of martial arts, and with the ability to detect the auras of dangerous psychic criminals, Rachel Bonner and her dust bunny companion have found peace and quiet on Rainshadow Island, operating a bookstore and café. But her tranquil new life is thrown into chaos when Harry Sebastian, the descendant of a notorious pirate, arrives to investigate strange developments in the privately owned woods known as the Preserve. Immediately drawn to the amber-eyed woman, Harry must tread carefully. While Rachel's special talents can help him track down dangerous rogues who have violated the Preserve, they can also sense the heart of darkness within him. But desire can weaken the strongest of defenses—and leave even the strongest man wanting more...

Creepers: The Piano ABDO

Enter New York Times bestselling author Nalini Singh's breathtakingly passionate Guild Hunter world with the story of a woman who isn't a vampire or an angel...or human... Once a broken girl known as Sorrow, Holly Chang now prowls the shadowy gray underground of the city for the angels. But it's not her winged allies who make her a wanted woman—it's the unknown power coursing through her veins. Brutalized by an insane archangel, she was left with the bloodlust of a vampire, the ability to mesmerize her prey, and a poisonous bite. Now, someone has put a bounty on her head... Venom is one of the Seven, Archangel Raphael's private guard, and he's as infuriating as he is seductive. A centuries-old vampire, his fangs dispense a poison deadlier than Holly's. But even if Venom can protect Holly from those hunting her, he might not be able to save himself—because the strange, violent power inside Holly is awakening... No one is safe.

The Log of a Snow Survey Abbott Press

The world of Harmony has its wonders, one of them being Rainshadow Island. Just beneath its surface, a maze of catacombs hides a dangerous secret... Halloween—with its tricks and treats—is a dust bunny's dream come true. Just ask Lyle, Sedona Snow's faithful sidekick. But for Sedona, it's a nightmare. Though her new job managing a small hotel and tavern on Rainshadow is helping her move on from her tragic past, a bizarre disaster down in the catacombs has brought a pack of rowdy ghost hunters to her inn. And now, Sedona's ex has arrived on the island, claiming he wants to get back together, just as a newcomer appears to have a strong interest in her. Cyrus Jones is the new Guild boss in town. He has his own agenda when it comes to Sedona, but even the best-laid plans are no match for the passion that springs up on Rainshadow...

Finders Keepers Orca Book Publishers

Welcome to Illusion Town on the colony world of Harmony—like Las Vegas on Earth, but way more weird. Living in this new, alien world doesn't stop the settlers from trying to re-create what they've left behind. Case in point—weddings are still the highlight of any social calendar. But it's the after-party that turns disastrous for Lucy Bell. Kidnapped and drugged as she leaves the party, she manages to escape—only to find herself lost in the mysterious, alien underground maze of glowing green tunnels beneath Illusion Town. She's been surviving on determination and cold pizza, scavenged for her by a special dust bunny, when help finally shows up. Gabriel Jones is the Ghost Hunter sent to rescue her, but escaping the underground ruins isn't the end of her troubles—it's only the beginning. With no rational reason for her abduction, and her sole witness gone on another assignment for the Guild, whispers start circulating that Lucy made it all up. Soon her life unravels until she has nothing left but her pride. The last thing she expects is for Gabriel Jones to come back to town for her. The Lucy that Gabriel finds is not the same woman he rescued, the one who looked at him as if he were her hero. This Lucy is sharp, angry, and more than a little

cynical—instead of awe, she treats him with extreme caution. But a killer is still hunting her, and there aren't a lot of options when it comes to heroes. Despite her wariness, Gabriel is also the one person who believes Lucy—after all, he was there. He's determined to help clear her reputation, no matter what it takes. And as the new Guild Boss, his word is law, even in the lawlessness of Illusion Town.

Dream Eyes Penguin

This anthology of Solnits essential essays from the past ten years takes the reader from the Pyrenees to the U.S.-Mexican border, from open sky to the deepest mines and offers a panoramic world view enriched by the authors characteristically provocative, inspiring, and hopeful observations.

The Lost Night Simon and Schuster

A birdsong expert's poignant and beautifully illustrated memoir of a bicycle journey across America with his son Join birdsong expert Donald Kroodsmas on a ten-week, ten-state bicycle journey as he travels with his son from the Atlantic to the Pacific, lingering and listening to our continent sing as no one has before. On remote country roads, over terrain vast and spectacular, from dawn to dusk and sometimes through the night, you will gain a deep appreciation for the natural symphony of birdsong many of us take for granted. Come along and marvel at how expressive these creatures are as Kroodsmas leads you west across nearly five thousand miles—at a leisurely pace that enables a deep listen. Listening to a Continent Sing is also a guided tour through the history of a young nation and the geology of an ancient landscape, and an invitation to set aside the bustle of everyday life to follow one's dreams. It is a celebration of flowers and trees, rocks and rivers, mountains and prairies, clouds and sky, headwinds and calm, and of local voices and the people you will meet along the way. It is also the story of a father and son deepening their bond as they travel the slow road together from coast to

coast. Beautifully illustrated throughout with drawings of birds and scenes and featuring QR codes that link to audio birdsong, this poignant and insightful book takes you on a travel adventure unlike any other—accompanied on every leg of your journey by birdsong.

After Dark Penguin

Undercover and on the hunt for a killer, two gifted psychics take passion to a whole new level in this electrifying New York Times bestselling Arcane Society novel. Luther Malone is an ex-cop who walks with a cane. Grace Renquist is a librarian who can read auras. Their only common link is the Arcane Society, the secretive paranormal organization that has teamed them up to find a killer. But even before they reach their hotel in Maui—where they ’ ll be posing as honeymooners—Grace and Luther feel the electric charge between them. Problem is, they need to remain vigilant day and night, because operatives for the underground group Nightshade are pouring into the luxury resort like there ’ s a convention. And these criminals aren ’ t just high-level sensitives: They ’ ve enhanced their talents with a potent—and unpredictable—drug. And as Grace knows all too well, if you don ’ t control your powers, your powers will control you....

The Andean Cloud Forest John Wiley & Sons

The novella that introduced the world of Harmony Just below the City of Cadence lie the remains of the Dead City of Old Cadence—resonating with the psychic and para energy of its dead souls. While exploring the darkest depths of the city, two business partners discover passions within each other that are very much alive... Virginia Burch, a psychic archeologist, can ’ t believe her luck when she meets Sam Gage, a ghost-hunter and owner of prime real estate in the Old Quarters of Cadence, above the Dead City. He offers her his space to live and start up her business. What follows is an even more intriguing proposal—to become his wife. Strictly for professional reasons, of course... Their marriage of convenience

would lead to a very lucrative business partnership, Gage & Burch Consulting. Until something throws a wrench into the plan: the undeniable sensual energy that naturally exists between them—and a love so strong it could wake the ghosts below... Includes a preview of the next Rainshadow Novel, Deception Cove. “ A seasoned pro. ” —People “ [Castle] has created a fully imagined futurist world in Harmony. ” —The Seattle Times “ A master of sexual tension and intelligent banter. ” —Publishers Weekly Bridal Jitters was previously published in Charmed and Harmony.

Guild Boss Shambhala Publications

Acclaimed for her novels of “ delectably entertaining paranormal romantic suspense ” (Booklist), the wildly popular alter ego of bestselling author Jayne Ann Krentz takes off on a star-dusted excursion to a rich civilization where danger and passion are just a heartbeat away. Amaryllis Lark is one of the best psychic detectives on St. Helen ’ s, the Earth colony recently cut off from the mother planet—and a place where love defies the most incredible odds. Lucas Trent, the rugged head of Lodestar Exploration, isn ’ t attracted to prim and proper women and takes no interest in Amaryllis, with her crisp business suit and her aloof evaluation of his request to bust a corporate thief. But when a bold hunch leads them from a wild murder investigation to an electrifyingly red-hot love affair, no power on heaven, Earth, or St. Helen ’ s can keep them apart.

Where the Water Goes Orca Book Publishers

New York Times bestselling author Jodi Thomas has captivated readers around the world with her sweeping, heartfelt family sagas. To introduce her brand-new series, Jodi tells the story behind the unforgiving Texas

landscape and how one man claims Ransom Canyon—and a timid beauty—for his legacy... A wanderer's life was all James Randall Kirkland had known since he was an orphaned boy in San Antonio. And while years of adventure had satisfied his younger self, now he's longing to put down roots of his own and is prepared to go it alone. But when he sees the Apache slave woman with the startling blue eyes, the course of his journey is changed forever. Ever since the Comanche raided her village and took her for their own, Millie hasn't known any kind of freedom. After years of being outcast, beaten and traded from tribe to tribe, she's unprepared for James's patient tone and gentle ways. Still, as her handsome savior slowly earns her trust, Millie struggles between desire and fear, sure it's just a matter of time before James tires of her and her burgeoning feelings are nothing but another wasted memory.

Ghost Hunter Penguin

Welcome to Harmony—where the rules are a little different. Life is tough these days for Lydia Smith, licensed para-archaeologist. Seriously stressed-out from a nasty incident in an alien tomb, she is obliged to work part-time in Shrimpton's House of Ancient Horrors, a very low-budget museum. She has a plan to get her career back on track, but it isn't going well. Stuff keeps happening. Take the dead body that she discovered in one of the sarcophagus exhibits. Who needed that? Finding out that her new client, Emmett London, is one of the most dangerous men in the city isn't helping matters either. And that's just today's list of setbacks. Here in the shadows of the Dead City of Old Cadence, things don't really heat up until After Dark. Includes a preview of Jayne Castle's Rainshadow Novel DECEPTION COVE
