Be the first to read the thought-provoking new novel from Melissa de la Cruz, the #1 New York Times bestselling author of *The Isle of the Lost* and *Return to the Isle of the Lost*. She had her whole life planned. She knew who she was and where she was going. Until the truth changed everything. Jasmine de los Santos has always done what 's

expected of her. She 's studied hard, made her Filipino immigrant parents proud and is ready to reap the rewards in the form of a full college scholarship to the school of her dreams. And then everything shatters. Her parents are forced to reveal the truth: their visas expired years ago. Her entire family is illegal. That means no scholarships, maybe no college at all and the very real threat of deportation. As she 's trying to make sense of who she is in this new reality, her world is turned upside down again by Royce Blakely. He 's funny, caring and spontaneous—basically everything she 's been looking for at the worst possible time—and now he 's something else she may lose. Jasmine will stop at nothing to protect her relationships, family and future,

---

all while figuring out what it means to be an immigrant in today ' s society. \*\*\*\*\* “ A great read! ” —Rachel Cohn, New York Times bestselling coauthor of Nick & Norah ' s Infinite Playlist “ We ' re obsessed—and you will be too. ” —The Editors of Seventeen magazine

“ Heartbreaking and bursting with hope, this is the book we all need. ” —Marie Lu, #1 New York Times bestselling author of the Young Elites and Legend series “ This book will change you. A must-read. ” —Dhonielle Clayton, coauthor of Tiny Pretty Things and Shiny Broken Pieces, and the forthcoming The Belles “ A must-read! ” —Ally Condie, author of the #1 New York Times bestselling Matched trilogy “ An immigrant herself, de la Cruz succeeds

in presenting a complicated and multifaceted topic in a manner that is light enough to keep readers engaged. ” —Kirkus Reviews

“ [A] great choice for younger teens... This book belongs in every middle school library. ” —School Library Journal “ De la Cruz presents a timely and thought-provoking look at the complex reality of being young and undocumented in the United States... Readers will root for Jasmine as she fights for her future and finds the power of her own voice. ” —Publishers Weekly

Season Two Declassified Createspace Independent Pub

The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood ' s blockbuster movie

---

which was nominated for six academy awards, including best picture. From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him “ The Legend ” ; meanwhile, the enemy feared him so much they named him al-Shaitan ( “ the devil ” ) and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle ’ s masterful account of

his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

*Inside the World of an Epic Adventure* Harper Collins

“Eugene Sledge became more than a legend with his memoir, *With The Old Breed*. He became a chronicler, a historian, a storyteller who turns the extremes of the war in the Pacific—the terror, the camaraderie, the banal and the extraordinary—into terms we mortals can grasp.”—Tom Hanks *NEW YORK TIMES* BESTSELLER In *The Wall Street Journal*, Victor Davis Hanson named *With the Old Breed* one of the top five books on epic twentieth-century battles. Studs Terkel interviewed the author for his definitive oral history, *The Good War*. Now E. B. Sledge’s acclaimed first-person account of fighting at Peleliu and Okinawa returns to thrill, edify, and inspire a new generation. An Alabama boy steeped in American history and enamored of

---

such heroes as George Washington and Daniel Boone, Eugene B. Sledge became part of the war's famous 1st Marine Division—3rd Battalion, 5th Marines. Even after intense training, he was shocked to be thrown into the battle of Peleliu, where “the world was a nightmare of flashes, explosions, and snapping bullets.” By the time Sledge hit the hell of Okinawa, he was a combat vet, still filled with fear but no longer with panic. Based on notes Sledge secretly kept in a copy of the New Testament, *With the Old Breed* captures with utter simplicity and searing honesty the experience of a soldier in the fierce Pacific Theater. Here is what saved, threatened, and changed his life. Here, too, is the story of how he learned to hate and kill—and came to love—his fellow man. “In all the literature on the Second World War, there is not a more honest, realistic or moving memoir than Eugene Sledge’s. This is the real deal, the real war:

unvarnished, brutal, without a shred of sentimentality or false patriotism, a profound primer on what it actually was like to be in that war. It is a classic that will outlive all the armchair generals’ safe accounts of—not the ‘good war’—but the worst war ever.”—Ken Burns

*The Historical Magazine and Notes and Queries Concerning the Antiquities, History and Biography of America* Createspace

Go behind the scenes to witness the evolution of the war-torn heroine beloved since her debut in Marvel's Captain America: The First Avenger!

**The 7 Breakthrough Keys How a Single Former Welfare** Little Brown & Company

This is the story of a successful father describing his approach to parenting, making us think and consider what will make our children happy and successful individuals. Ravi Mahendra is a father of three young girls and he is passionate about parenting. He has personally gone on a journey of learning and developing the relationship between him and his daughters. Ravi delights in seeing his

---

children become bigger and better individuals. Ravi believes passionately that parenting is about dedication and focus. The book is based on the principle that you are the best teacher for your children; you can pass on your knowledge and experience to help to support the best development of your child. The parent is the figure of authority, with immense responsibility for decisions regarding the children. This book draws out the benefits of really pro-actively grasping the responsibility and making the decisions rather than running with the flow. The real strength of this book lies with the thought process on determining priorities, characteristics and values that will produce successful children. It will inspire you to look at your parenting approach with a fresh set of eyes and help you to succeed on your chosen path. The book uses well-chosen examples from the world of business, politics and historical figures to really illustrate what success means and what needs to be done to achieve it. Ravi uses connection of business ideas and stories with parenting to bring a fresh perspective on children's upbringing. . The book is drawing interesting connection from management and business theories to really focus on children leading successful lives. At a practical level, the book offers a vast array of examples on managing the prosaic day-to-day issues. Unless the practical challenges are resolved, it becomes very difficult to manage the more advanced parenting questions. Ravi does a great job in visualising the impact of our actions now on the children in the future. Ravi Mahendra lives with his three daughters in London. His career spans many areas: he has built a renowned business school in his native Sri Lanka, written business

---

columns for newspapers and is a prize-winning Qualified Accountant with an MBA. Ravi is currently working as Global Finance leader in a large insurance organisation and he is also a regular blogger on LinkedIn. His aim is to live life to the fullest and to raise his children as successful and content individuals.

**Critically Thinking about TV and the Movies** Random House

Acclaimed writer Margo Rabb's *Kissing in America* is "a wonderful novel about friendship, love, travel, life, hope, poetry, intelligence, and the inner lives of girls," raves internationally bestselling author Elizabeth Gilbert (*Eat, Pray, Love*). In the two years since her father died, sixteen-year-old Eva has found comfort in reading romance novels—118 of them, to be exact—to dull the pain of her loss that's still so present. Her romantic fantasies

---

become a reality when she meets Will, who can relate to Eva's grief. Unfortunately, after Eva falls head-over-heels for him, he picks up and moves to California with barely any warning. Not wanting to lose the only person who has been able to pull her out of sadness—and, perhaps, her first shot at real love—Eva and her best friend, Annie, concoct a plan to travel to the west coast. As they road trip across America, Eva and Annie confront the complex truth about love. In this honest and emotional journey that National Book Award Finalist Sara Zarr calls “gorgeous, funny, and joyous,” readers will experience the highs of infatuation and the lows of heartache as Eva contends with love in all of its forms. Since publication, this novel received 4 starred reviews and has been named: A Chicago Public Library Best Teen Book of 2015 A New York Public Library Best

All's faire in love and war for two sworn enemies who indulge in a harmless flirtation in a laugh-out-loud rom-com from debut author Jen DeLuca. Emily knew there would be strings attached when she relocated to the small town of Willow Creek, Maryland, for the summer to help her sister recover from an accident, but who could anticipate getting roped into volunteering for the local Renaissance

Faire alongside her teenaged niece? Or that the irritating and inscrutable schoolteacher in charge of the volunteers would be so annoying that she finds it impossible to stop thinking about him? The faire is Simon's family legacy and from the start he makes clear he doesn't have time for Emily's lighthearted approach to life, her oddball Shakespeare conspiracy theories, or her endless suggestions for new acts to shake things up. Yet on the faire grounds he becomes a different person, flirting freely with Emily when she's in her revealing wench's costume. But is this attraction real, or just part of the characters they're portraying? This summer was only ever supposed to be a pit stop on the way to somewhere else for Emily, but soon she can't seem to shake the fantasy of establishing something more with Simon or a permanent home of her own in Willow Creek.
