Title: Captain BloodAuthor: Rafael SabatiniLanguage: English

[The Lion's Skin](#) House of Stratus

Captain Blood Returns is a 1931 British historical adventure novel by Rafael Sabatini. It is the second in Sabatini's trilogy about the character after Captain Blood (1922) and was followed by The Fortunes of Captain Blood (1936).

About The Author: Rafael Sabatini (29 April 1875 - 13 February 1950) was an Italian/English writer of novels of romance and adventure. He is best known for his worldwide best-sellers The Sea Hawk (a tale of an Elizabethan Englishman among the pirates of the Barbary Coast), Captain Blood (in which the title

---

character is admiral of a fleet of pirate ships), two additional Captain Blood books comprising short stories, but they are not sequels: The Chronicles of Captain Blood a.k.a. Captain Blood Returns, and The Fortunes of Captain Blood, and The Black Swan. About The Book: The Chronicles of Captain Blood (a.k.a. Captain Blood Returns) is a fictional work and all characters are drawn from the Sabatini's imagination. Captain blood is the much-loved story of a physician and gentleman turned pirate. Peter blood, wrongfully accused and sentenced to death, narrowly escapes his fate and finds himself in the company of buccaneers. Blood becomes the "Robin Hood" of the Spanish seas. This is swashbuckling adventure at its best. Captain Blood Returns Excerpt: The Odyssey of Captain Blood, given to the world some years ago, was derived from various sources, disclosed in the course of its compilation. Of these the most important is the log of the Arabella, kept by the young Somersetshire shipmaster Jeremy Pitt. This log amounts to just such a chronicle of Blood's activities upon the Caribbean as that which Esquemeling, in similar case, has left of the exploits of that other great buccaneer, Sir Henry Morgan. The compilation of the Odyssey, whilst it exhausted all other available collateral sources of information, was very far from exhausting the material left by Pitt. From that log of his were taken only those episodes which bore more or less directly upon the main outline of Blood's story, which it was then proposed to relate and elucidate. The selection presented obvious difficulties; and omissions, reluctantly made, were compelled by the necessity of presenting a straightforward and consecutive narrative. Caption blood series is an adventure story and is recommended for those interested in seafaring and Pirates of the Caribbean area. This book has inspired filmmakers and even the video game industry. This Book Note: This book consists of the original edition, a pure standard experience not scanned or photocopy. This edition rises above the competitors in term of quality and will leave you impressed. This edition includes: Eliminating errors and typos in the original edition Choosing more readable fonts Choosing a better size for a better reading experience and ease of keeping that in library Designing a cover based on the original cover and context of the story

Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About Captain Blood by Rafael Sabatini Captain Blood: His Odyssey is an adventure novel by Rafael Sabatini, originally published in 1922. Sabatini was a proponent of basing historical fiction as closely as possible on history. Although Blood is a fictional character, much of the historical background of the novel is based on fact.[1] The Monmouth rebels were sold into slavery as described in the book; and the shifting political alliances of the Glorious Revolution of 1688 are used in the novel as a plot device to allow Blood's return to respectability. [The Chronicles of Captain Blood \(Annotated\)](#) Independently Published The Chronicles of Captain Blood' take the much-loved pirate to new adventures with as much excitement as ever before. Winning invaluable treasures, rescuing his crew from an almost certain death, and saving an English settlement from perishing are all in a day's work for this remarkable Robin Hood of the Spanish Seas."

[Captain Blood by Rafael Sabatini](#) House of Stratus

Captain Blood is an adventure novel by Rafael Sabatini. The protagonist is the sharp-witted Dr. Peter Blood, a fictional Irish physician who had had a wide-ranging career as a soldier and sailor (including a commission as a captain under the Dutch admiral De Ruyter) before settling down to practice medicine in the town of Bridgwater in Somerset. The book opens with him

---

attending to his geraniums while the town prepares to fight for the Duke of Monmouth. He wants no part in the rebellion, but while attending to some of the rebels wounded at the Battle of Sedgemoor, Peter is arrested. During the Bloody Assizes, he is convicted by the infamous Judge Jeffreys of treason on the grounds that "if any person be in actual rebellion against the King, and another person--who really and actually was not in rebellion--does knowingly receive, harbour, comfort, or succour him, such a person is as much a traitor as he who indeed bore arms."

### Captain Blood Strelbytskyy Multimedia Publishing

Physician and country gentleman Peter Blood is forced to turn from medicine to piracy in this swashbuckling classic brimming with stolen treasure, adventure on the high seas, and romance.

### Bellarion the Fortunate House of Stratus

London is rife with impoverished French nobility who have escaped the horror of the French revolution. Quentin de Morlaix, sympathetic to these disenfranchised aristocrats, finds that he too has his own personal reasons to pray for an end to the Revolution. He sets off for France, and enters a life of confusion, mystery, and bloody execution.

This volume contains the Captain Blood novel, plus the series of short stories - Captain Blood Returns (or the Chronicles of Captain Blood) and The Fortunes of Captain Blood, plus the novels Scaramouche and The Sea-Hawk. Rafael Sabatini is a master storyteller, his stories full of action and intrigue. The Daily Telegraph described him thus: 'One wonders if there is another storyteller so adroit at filling his pages with intrigue and counter-intrigue, with danger threaded with romance, with a background of lavish colour, of silks and velvets, of swords and jewels'. This book is a must-have for fans of action-packed swashbuckling stories.

**The Complete Captain Blood and Other Famous Sabatini Novels (Unabridged) - Captain Blood, Captain Blood Returns (or the Chronicles of Captain Blood),** House of Stratus

Captain Blood: His Odyssey is an adventure novel by Rafael Sabatini. Peter Blood, an Irish physician and soldier in England in the 1680's, is wrongly convicted of treason and sentenced to indentured slavery in the Caribbean. He escapes and becomes the most feared pirate captain on the Spanish Main, but all the glory of his adventures cannot help him, for the woman he loves cannot love a thief and pirate. Even when he destroys England's enemies, even at his most triumphant...but wait! What's that... Long Description: Peter Blood, an Irish physician and former soldier is happily settled, in the 1680's, as the doctor in an English town, when the rebellion of the Duke of Monmouth catches him by accident. He saves a man's life, as a doctor must try to do, but the man is a rebel and the hanging Judge Jeffreys sentences him to ten years as an indentured slave in the Caribbean colonies. Once there, his knowledge as a physician is recognized, and thus he meets and falls in love with the daughter of the man who own his servitude; not likely to be a successful love story! A Spanish ship attacks the town, and while the Spaniards celebrate their victory he boldly steals their ship, and he and his fellow convicts sail off to become the boldest and most fearless of pirates among the islands and on the Spanish Main. But all the glory of his adventures cannot help him, for the woman he loves cannot love a thief and pirate. Even when he destroys England's enemies, even at his most triumphant...but wait! Is that... The classic novel of adventure and romance, and one of Sabatini's best.

This is a modern revision of Rafael Sabatini's classic "Captain Blood", which chronicles the life of Peter Blood, bachelor of medicine and several other things besides. Sabatini also wrote "Scaramouche".

Captain Blood Sordelet Ink

Rafael Sabatini's riveting tale of Doctor Peter Blood, wrongly convicted of treason and sent as a slave to Barbados, who escapes to become the Terror of the Caribbean. A well-researched, swashbuckling pirate adventure as unpredictable as the sea itself, rocking the reader between treachery and loyalty, implacable hatred and undying love.

Captain Blood DoctorZed Publishing

Unjustly sentenced to slavery on a Caribbean island, the bold Dr. Peter Blood falls in love with the lady of the plantation, the lovely Arabella Bishop. When Blood escapes and takes up the life of a pirate, it appears that fate has separated them forever...or has it? Filled with sword fights and pirate battles, love and treachery, and even a song or two, Captain Blood is a pirate adventure perfect for the whole crew! "Whether one seeks a nostalgic romance with a feminist twist, swashbuckling clean fun for the family, or a subtle call to fly the pirate flag of righteous rebellion in troubled times, Captain Blood steers a sure and steady course." - THE CHICAGO TRIBUNE

Captain Blood Independently Published

The lead is the sharp-witted Dr. Peter Blood, a fictional Irish doctor who had

---

had a wide-ranging profession as a soldier and sailor (including a function as a captain under the Dutch admiral De Ruyter) before plunging down to practice human medicine in the municipality of Bridgwater in Somerset. The book starts with him attending to his geraniums while the town arms to fight for the Duke of Monmouth. He desires no part in the rebellion, but while tending to some of the rebels injured at the Battle of Sedgemoor, he is imprisoned. During the Bloody Assizes, and convicted by the notorious Judge Jeffreys of treason on the grounds that "if any person be in actual rebellion against the King, and another person-who really and actually was not in rebellion-does knowingly receive, harbour, comfort, or succour him, such a person is as much a traitor as he who indeed bore arms." The punishment for treason is death by hanging, but King James II, for purely financial reasons, has the conviction for Blood and other sentenced rebels commuted to transportation to the Caribbean, where they are to be sold into slavery. On arrival on the island of Barbados, Blood is bought by Colonel Bishop, initially for labor in the Colonel's sugar plantations but later contracted out by Bishop when Blood's skills as a doctor prove superior to those of the local physicians. Through his period of slavery, Blood becomes friendly with Arabella Bishop, Colonel Bishop's niece, who becomes compassionate after learning his history. When a Spanish army attacks and raids the town of Bridgetown, Blood escapes with other convict-slaves, seizes the Spaniards' ship and sails away to become one of the most successful pirates of the Caribbean, despised and feared by the Spanish and English ships. The Colonel Bishop, humiliated by Blood's departure and by Blood himself, dedicates himself to capturing Blood with the goal of hanging him. After the Noble Revolution, Blood is pardoned. As a recompense for saving the possession of Jamaica from a French assault, he is named its governor in replacement of Colonel Bishop, who had deserted his post to hunt for Blood, and the novel ends with the indication that Blood will not only marry Colonel Bishop's niece Arabella but will also allow Bishop off easy.
