*How To Assemble an Engine
Block - YouTube*

Engines have many small
parts, and it's important to
look at all of these parts when
you're evaluating an engine.

When older engines have problems, those issues often have to do with the spark plugs. That's why you should look at the condition of an engine's spark plugs before you buy.

Let's look at some key
engine parts in more
detail. Spark plug. The
spark plug supplies the
spark that ignites the
air/fuel mixture so that
combustion can occur.
The spark must happen
at just the right moment
for things to work
properly. Valves. The
intake and exhaust valves
open at the proper time to
let in air and fuel and to
let out exhaust.

Repairing an engine is a very
labor intensive endeavor.
Your engine not only has to

be removed from the vehicle, but torn down to find the extent of the damage. The additional labor time, not to mention the parts cost, can quickly add up. In contrast, replacing your engine with a remanufactured assembly requires very little disassembly, just what's needed to transfer necessary parts from your old engine to the new one. More importantly, the engine you're installing has been completely

...

Here's How Your Car's Engine Works - Car and Driver

Yes, a short block engine still consists of pistons, rods, the crankshaft, and everything else that's considered part of the engine block. However, the cylinder head isn't included in that assembly. On the other hand, a long block engine is made up of all the components that are available in a short block engine plus the cylinder head.

Soak the new lifters in engine oil for at least five or

six hours--but preferably overnight. While the lifters are soaking, line up all the new parts and the nuts and bolts and get all the tools you will need to put the engine together. Step 2 Install the piston rings on the piston.

Designed for Blown or Injected Racing Engines. Our "HEMI HILBORN INJECTION MANIFOLD" and "INJECTION STACKS" can be found at the bottom of this page. Other engine parts can be found in our "FUNNY CAR PARTS PACK" and our "AFX PART PACK" at the bottom of this page.
