worshiping Satanist, allegedly took a rifle and opened fire on a group of fellow high school students, killing his ex-girlfriend along with her companion and wounding seven others. Paducah, Kentucky, where Michael Carneal, a freshman at Health High School, allegedly drew a .22 caliber from his backpack and opened fire on a prayer group of forty students, killing three girls. Jonesboro, Arkansas, where Andrew Golden and Mitchell Johnson allegedly carried thirteen weapons to Westside Middle School and unleashed a hail of bullets, injuring ten children and killing four girls and a teacher who had shielded a pupil with her own body. Phillip Negrete, the Des Moines, Iowa high school gang-leader who crushed a stranger's skull with a hammer for fifty cents and a six-pack of beer. Georgia's Billy Shane Willingham, who proved his love for his thirteen-year-old bride-to-be by setting fire to his own father. Yong Ho Han, who fatally stabbed his Long Island classmate with a kitchen knife which he later imbedded in the scalp of a twelve-year-old girl -- all because he wasn't shown the proper respect. ...And other heinous crimes committed by a grisly new brotherhood in blood.

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026).

While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview,

making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

A lonely artist moves to a small Southern town and gets more than a change of scenery in this romance by the USA Today bestselling author. When Honey D'Amourvell inherits a mixed-use building on Georgia ' s Sugarberry Island, she's ready to start a whole new life. Her plan is simple—make a home, open an art studio, and maybe, finally, find a place to belong. But things start to go sour when her car goes kaput. Then she discovers that her newly acquired property is

already leased to the owner of a beloved cupcake business. Now Honey is left wondering how to put down roots when she has nowhere to plant them. But sexy, softhearted mechanic Dylan Ross seems determined to help with more than just her engine. He's everything she never imagined she would find in a man, and each kiss is more persuasive than the last. Will Dylan convince Honey that what she craves most is his love?
