Car Insurance - Which?

In 2015, all council car parks introduced a 10-minute grace period before issuing a late fine. It was voluntary for private parking

firms to follow this. In 2020 this will apply to all types of car parks.

The code could extend to aggressive debt collection techniques by private companies. This is still up for debate though. *Best car insurance for the over 50s - Which?*

Your age plays an important part in how your car

insurance is calculated. On average, younger drivers pay some of the highest premiums, and then as you get older, car insurance costs decrease (at least compared to premiums paid by drivers of other ages).

A car's insurance group depends on factors including price, performance and the cost of repairs. Insurers are forbidden by law from taking your gender into account when giving you a quote. However, car insurance for women still tends to be cheaper than car insurance for men. Women are more likely

to drive a safer vehicle, to drive less and to drive more safely - and unlike your gender, these are allowed to be considered by insurers.
