This book shows how any college student can land the position they want by creating relationships with professionals in the industries they're interested in by using the author's proven Career Launch Method. Did you know only 20 percent of jobs and internships are posted online? This means 80 percent of positions are filled in what Sean O'Keefe and others calls the hidden job market. This book will teach you how to tap into that 80 percent! O'Keefe, in partnership with the Career Leadership Collective, is now sharing his proven eight-step Career Launch Method that

will help any student explore career options and land the internships and jobs they want by creating professional relationships from scratch. This book demystifies the concept of intentional, proactive relationship building by teaching all the practical microsteps needed to succeed. And O'Keefe teaches readers how to "play the student card," turning inexperience and eagerness to learn into a powerful advantage. *Launch Your Career* features first-person stories of students from all backgrounds and programs of study who have used the Career Launch Method to earn jobs or internships at all types of companies, nonprofits, government agencies, social enterprises, and institutions across the country and around the world. The book includes the Career Launch Readiness Assessment, which helps students evaluate their competency in five key areas. This book will become a go-to resource for students looking to find internships and jobs, as well as a needed tool for colleges looking to increase retention rates and student's return on investment.

Mapping Your Career Success: Managers Edition Written especially for managers, this book will help you develop your employees and mentees to reach their career ambitions—plus you can also use the process to further your own career. The

first nine chapters were written to guide employees (and their mentors, coaches and managers) through the entire system. Those nine chapters are available as a separate book: *Mapping Your Career Success*. This Managers Edition contains the full text of the original book, followed by another four chapters designed to make you more effective in developing your employees. Created by pioneering executive Carol Evanoff, *Career Gap Analysis* helps anyone who uses it to understand why their career hasn't evolved exactly as they'd hoped. (Or even if they're doing well now, this book will show how to accelerate their success so they can reach whatever goals they set.) Readers learn to examine work history for clues to achievements—and failures. If you've ever wondered why you (or the people you supervise and mentor) were passed over for a promotion, this workbook can help you figure that out—and best of all—learn how to be better prepared for the next advancement opportunities. In this groundbreaking book you'll discover:

- How to wow selection panels
- How to document every facet of a career and make that an advantage
- Why ladders are wobbly and pyramids are perfect
- How to make optimal use of feedback
- Why you need nitpickers, fault finders and naysayers
- Secret tools for overcoming obstacles
- How to become the sort of employee everyone wants to hire
- How to envision—and attain—your greatest career possibilities

As a leader and innovator in managing diverse groups of people, Carol Evanoff is uniquely qualified to lead people through the process of creating the career of their dreams—even if they haven't fully dreamed it yet. (She'll help with that part, too.) Along the way, readers will experience a growth in self-confidence as successes add up to a more fulfilling work life and beyond.
